FINLAND: PUBLIC HEALTH MEASURES WEEK 53/2020

Finland: Stay-at-home order, recommendations and social circles

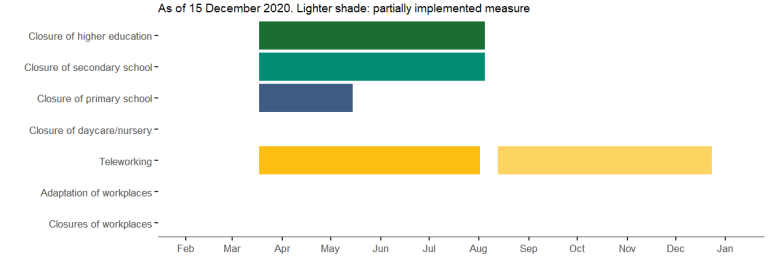

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Finland: Schools and workplaces

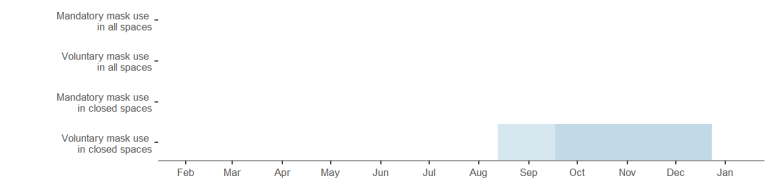

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Finland: Protective face mask use

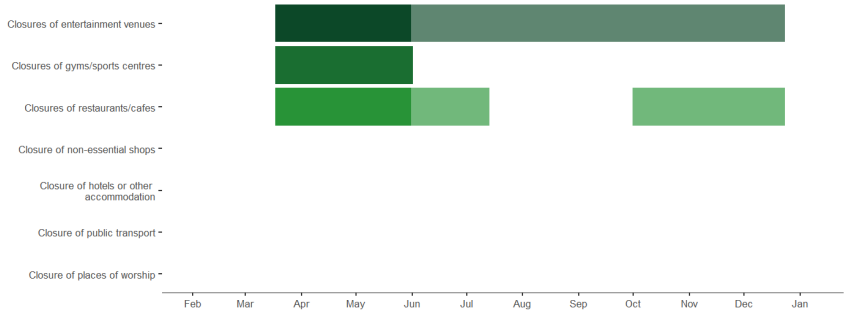

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Finland: Closures of public spaces

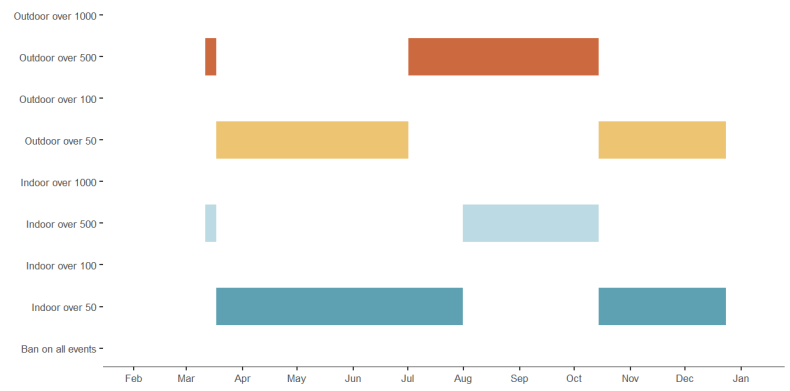

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Finland: Mass/public gathering restrictions

As of 15 December 2020. Lighter shade: partially implemented measure

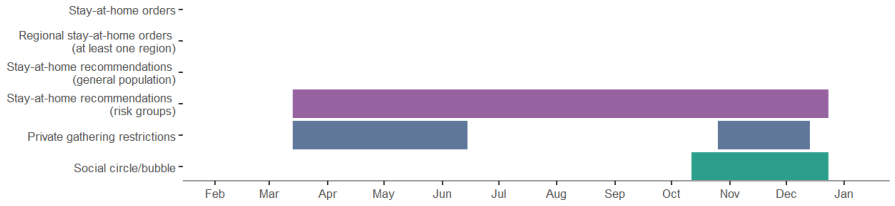

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

DENMARK

Denmark: Stay-at-home order, recommendations and social circles

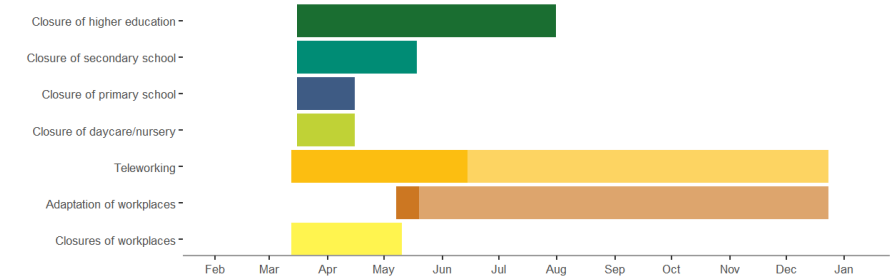

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Denmark: Schools and workplaces

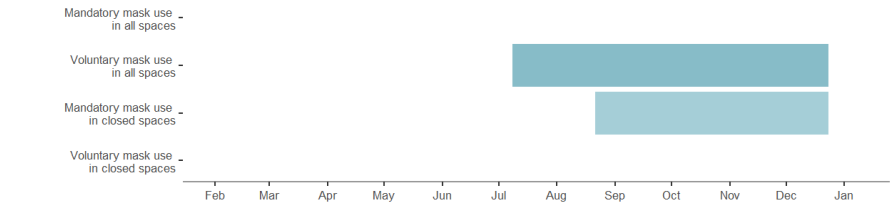

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Denmark: Protective face mask use

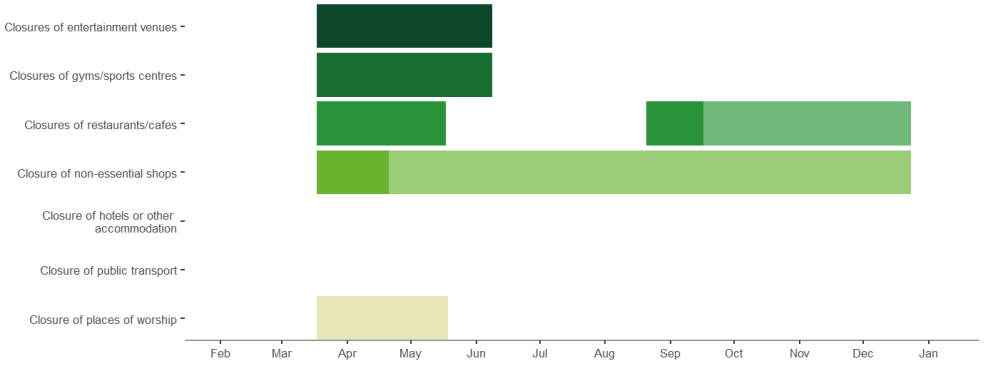

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Denmark: Closures of public spaces

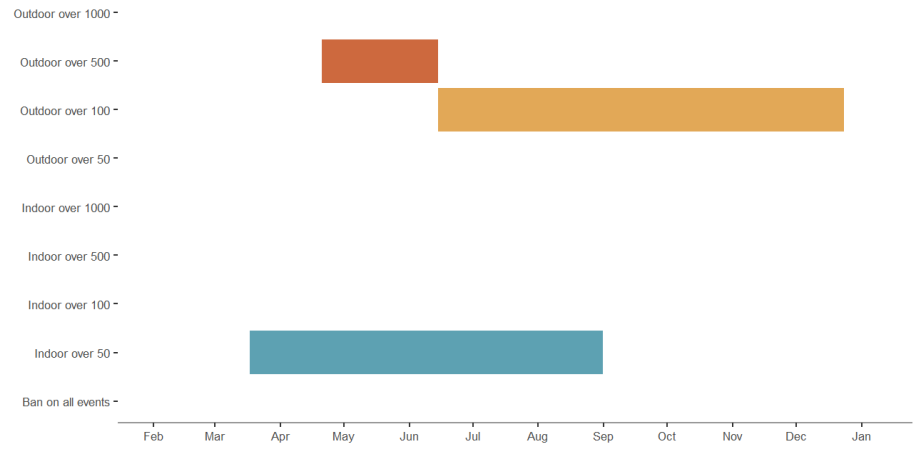

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Denmark: Mass/public gathering restrictions

As of 15 December 2020. Lighter shade: partially implemented measure

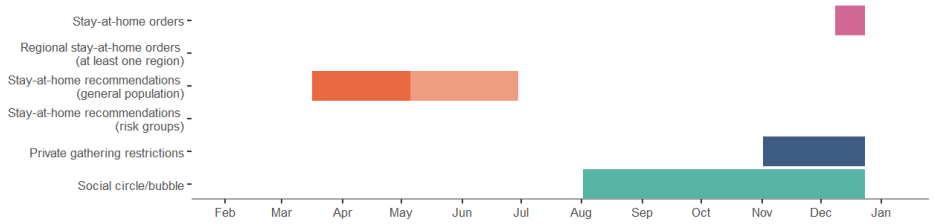

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

GERMANY

Germany: Stay-at-home order, recommendations and social circles

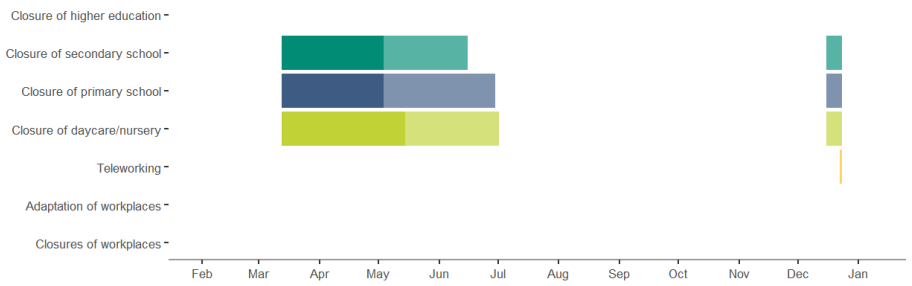

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Germany: Schools and workplaces

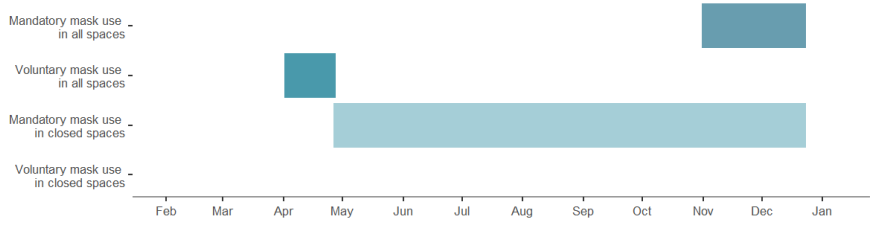

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Germany: Protective face mask use

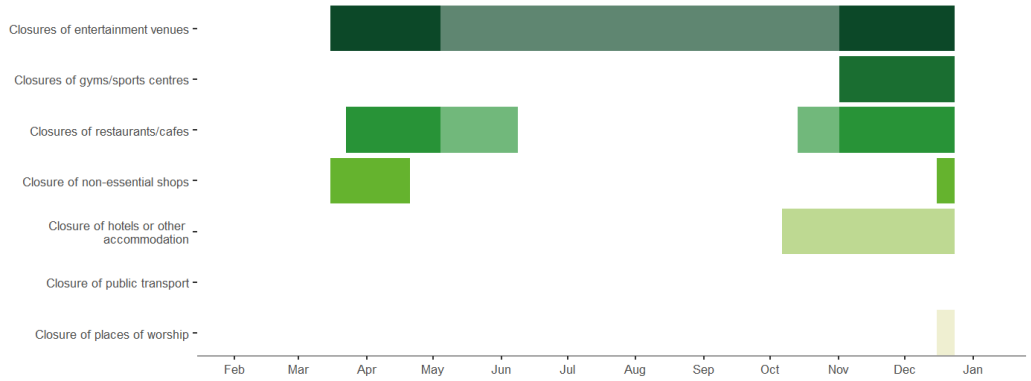

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Germany: Closures of public spaces

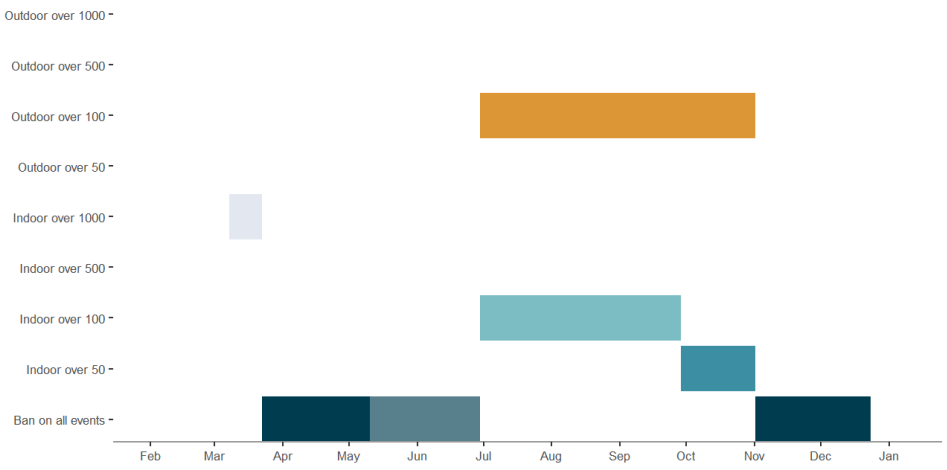

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Germany: Mass/public gathering restrictions

As of 15 December 2020. Lighter shade: partially implemented measure

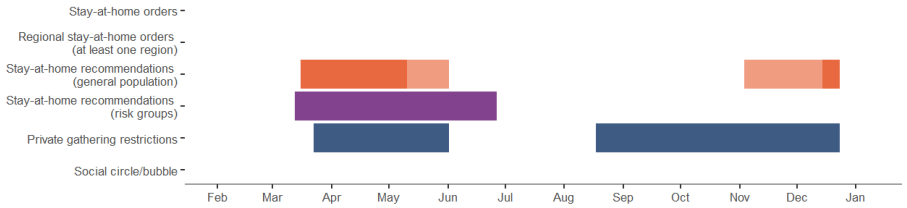

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

NETHERLANDS

Netherlands: Stay-at-home order, recommendations and social circles

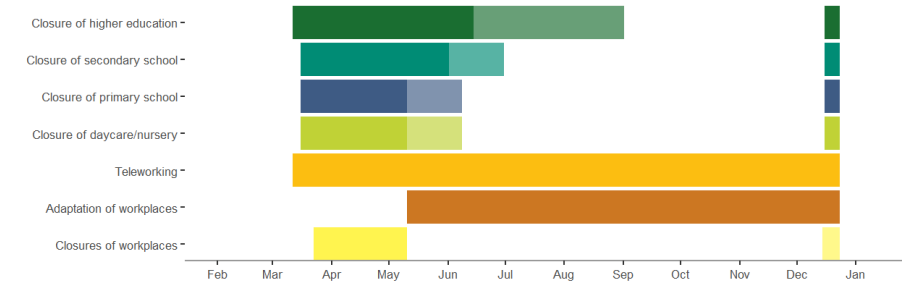

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Netherlands: Schools and workplaces

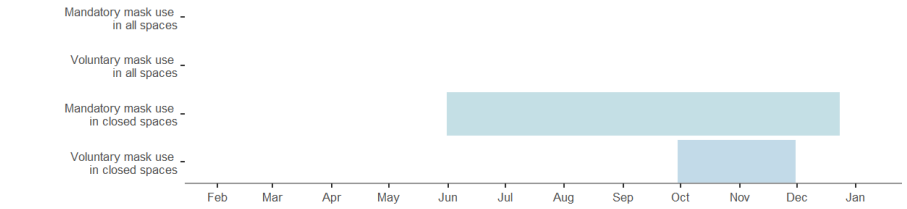

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Netherlands: Protective face mask use

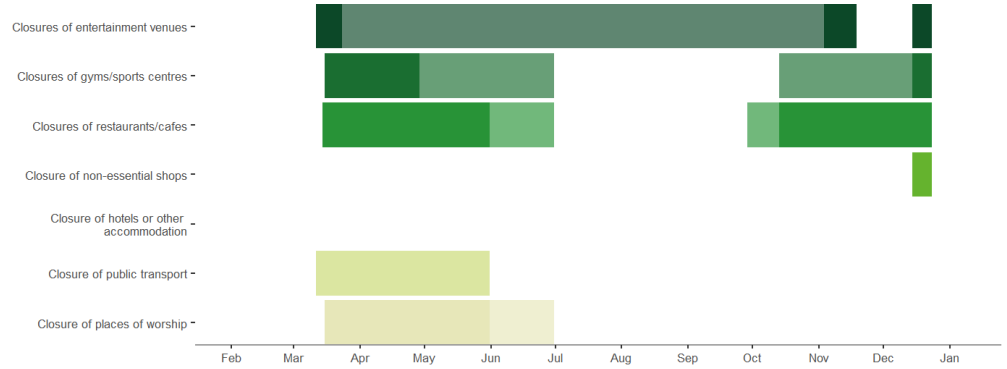

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Netherlands: Closures of public spaces

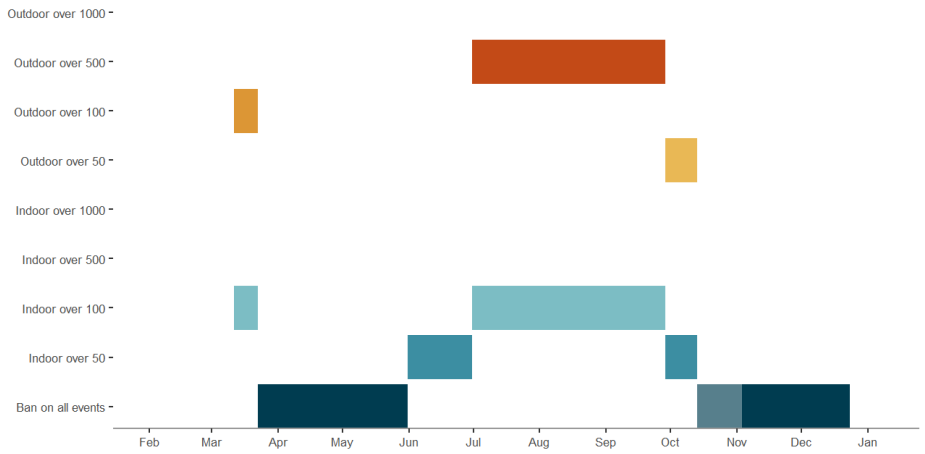

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Netherlands: Mass/public gathering restrictions

As of 15 December 2020. Lighter shade: partially implemented measure

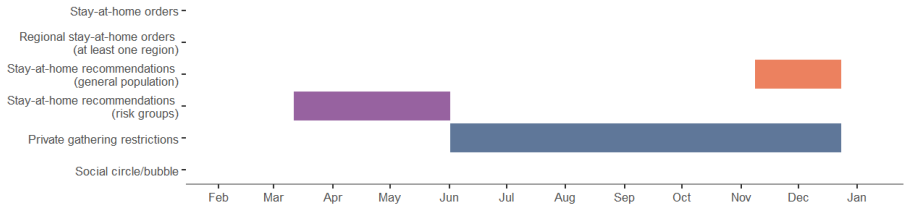

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

NORWAY

Norway: Stay-at-home order, recommendations and social circles

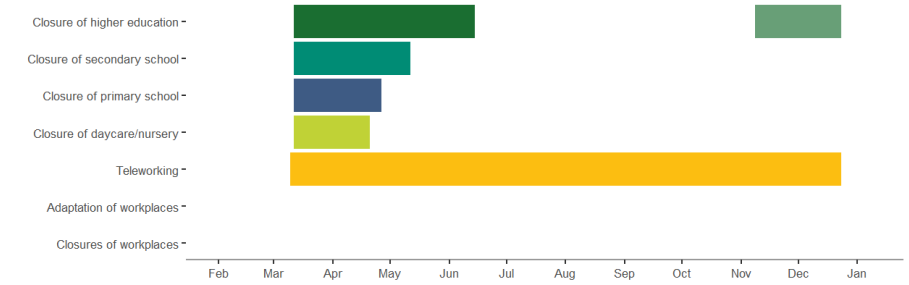

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Norway: Schools and workplaces

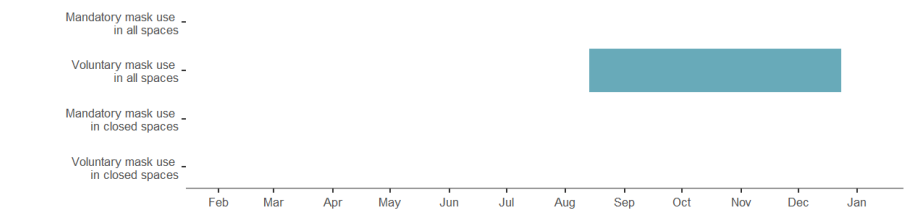

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Norway: Protective face mask use

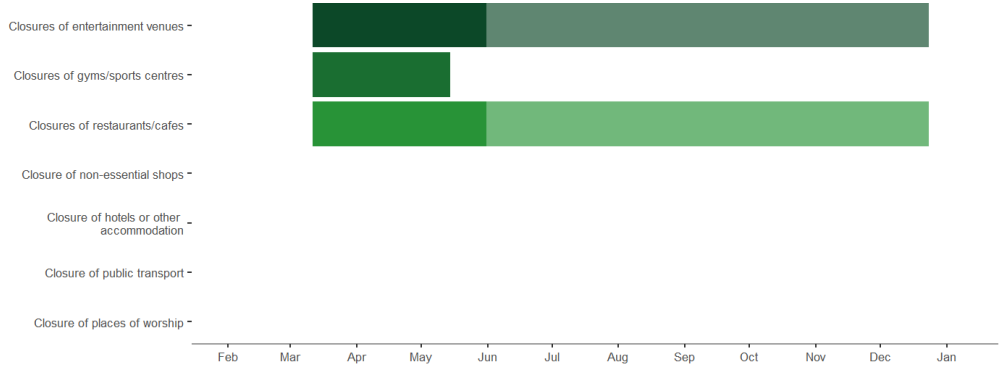

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Norway: Closures of public spaces

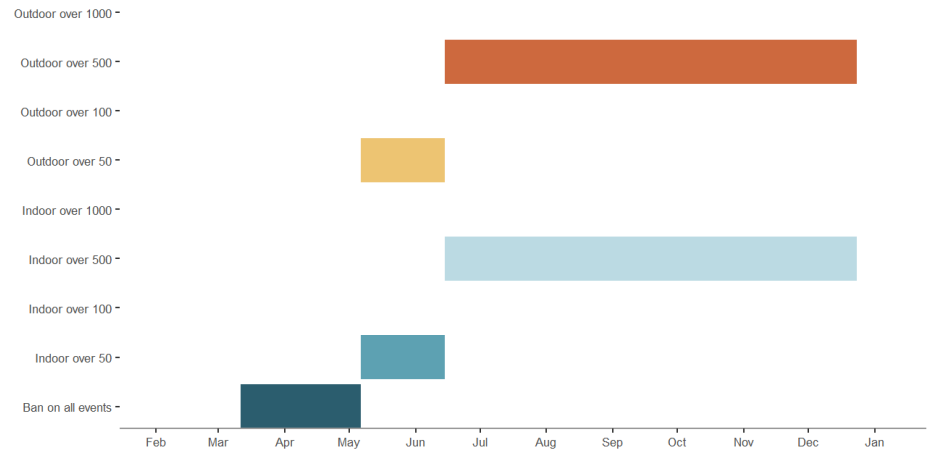

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Norway: Mass/public gathering restrictions

As of 15 December 2020. Lighter shade: partially implemented measure

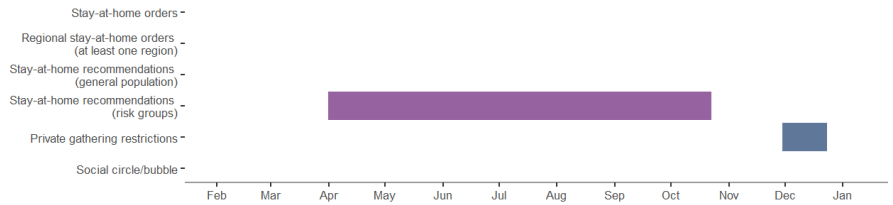

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

SWEDEN

Sweden: Stay-at-home order, recommendations and social circles

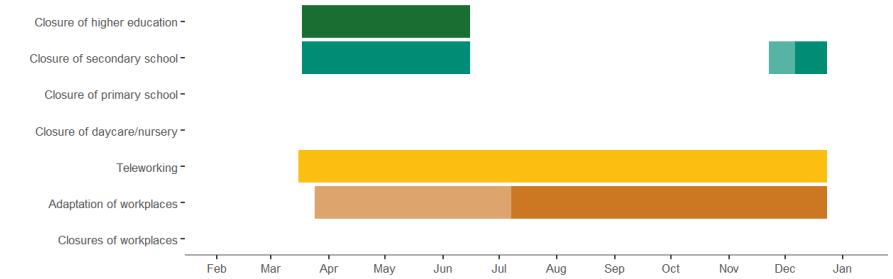

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Sweden: Schools and workplaces

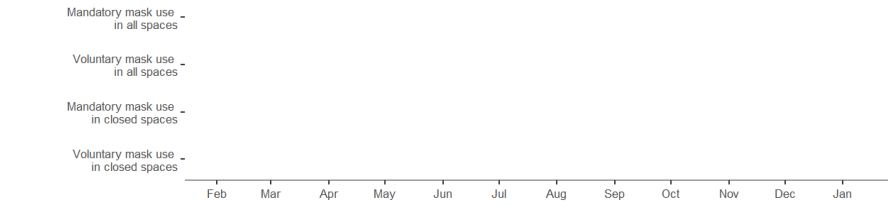

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Sweden: Protective face mask use

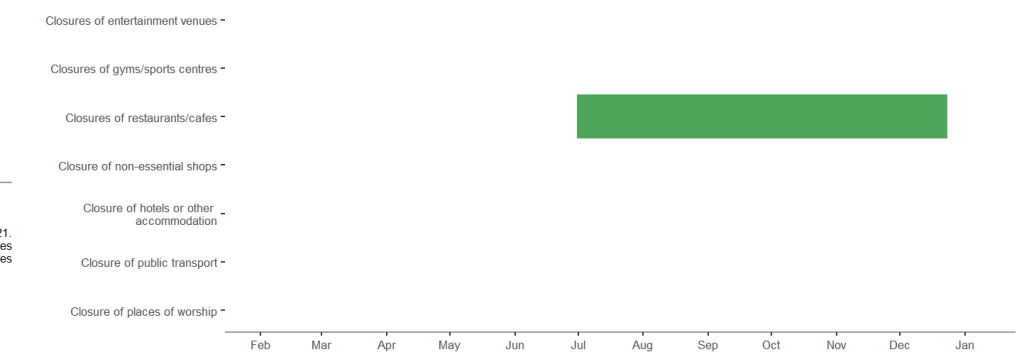

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Sweden: Closures of public spaces

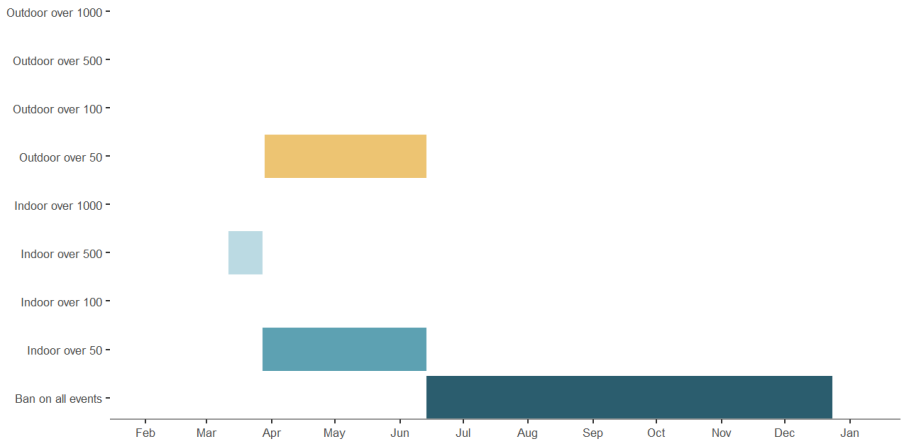

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
Source: ECDC database compiled from public online sources
Inaccuracies may be present due to regional and local implementation of several measures

Sweden: Mass/public gathering restrictions

As of 15 December 2020. Lighter shade: partially implemented measure

ECDC. Figure produced 7 January 2021.
