

Does Robinhood have 24 hour support? [!Contact Help 24/7~]

Yes, [US] 1—(888)—411—3378 [US] Robinhood offers 24/7 customer support through its inapp live chat, allowing users to get help with a wide range of issues at any time of day. However, phone support is more limited [US] 1—(888)—411—3378 [US]. You can request a callback through the app for brokerage-related issues such as stock trading or account problems [US] 1—(888)—411—3378 [US], but this service is only available on weekdays, typically from 7 AM to 9 PM Eastern Time. For crypto or security concerns [US] 1—(888)—411—3378 [US], some users report that phone support may be available 24/7 through specific request flows. While the platform officially [US] 1—(888)—411—3378 [US] promotes round-the-clock support, actual wait times and availability can vary depending on demand.
