Mauritius Island Cap Malheureux

Nestled in the heart of the Indian Ocean, Mauritius is a true tropical paradise. In addition to its tourist appeal, the island is also an important business destination owing to its economic development and attractive tax system.

SECRET is located in the heart of Cap Malheureux. This village on the north coast of the island is highly popular for its cultural diversity, white sand beaches and turquoise waters.

Staying in one of Secret's villas is a unique experience with the opportunity to enjoy the tranquility of Cap Malheureux.

The Design

From its unique architecture to its interior decoration conceived in the finest detail, excellence is ensured by our expert teams. Every Secret villa is a jewel of sophistication that perfectly combines luxury and refinement.

With their harmonious combination of quality materials with seamless lines and technological innovations, Secret's villas form part of an unparalleled prestige concept and exclusive luxury hotel.

Elegantly Sophisticated

Careful selection of materials, colours and textures forms the very essence of sophistication that enables each space to provide you with an unforgettable living experience. Paying attention to the smallest details, our architects and engineers have come up with remarkable layout solutions to create a perfect combination of luxury and comfort.

Tailor-made creations and know-how combine warm colours and superior materials to complete the touch of elegance characteristics of each villa. The lighting is subtly positioned to create an intimate and subdued atmosphere for a stylish and elegant interior.

With their large openings and ideally oriented living areas, the villas enjoy natural daylight throughout the day. Innovative and refined, the Secret villa conveys you to a sensual and luxurious universe.

Perfection at Your doorstep

Every detail is carefully conceived, making for quality services and accessories.

The faucet and finishing in wood and smoked glass speak of high quality: a spacious bedroom with dressing room and private bathroom; a spacious walk-in shower and jacuzzi tub opening onto the private pool.

The exterior is equipped with a sauna with a view on the heated, natural-stone pool.

Perfectly equipped, offering state-of-the art finishing and care, the Secret villa is a true masterpiece of design – a harmonious blend of modernity combined with the charm of superior materials.

The background image shows a modern, luxurious villa interior. In the foreground, there is a swimming pool with blue tiles and a wooden deck. The pool is illuminated with blue lights. In the background, there is a large, open-plan living area with a white sofa, a coffee table, and a large window. The villa is illuminated with warm, golden lights. On the left side of the image, there is a large, semi-transparent clock face overlay. The clock face is white with black numbers and hands. The text "An «intelligent» Villa" is written in a golden, serif font across the middle of the image. Below the title, there is a horizontal line. The text "Traditional know-how teams up with the latest technologies. You are in control of experiencing a unique style of living. Through automated features on an Apple touch pad, you can activate the system by remote control to adjust lighting, sound, air conditioning, curtains and blinds, pool heating, electric roofing and more, not to mention communicating with room and concierge services." is written in a small, white, sans-serif font below the line.

An «intelligent» Villa

Traditional know-how teams up with the latest technologies. You are in control of experiencing a unique style of living. Through automated features on an Apple touch pad, you can activate the system by remote control to adjust lighting, sound, air conditioning, curtains and blinds, pool heating, electric roofing and more, not to mention communicating with room and concierge services.

Communal Areas

The Secret villas blend in with an intimate and private environment. All the corridors are equipped with glass roofs that provide protection from rain. With particular care taken of the finishing of the communal areas, the hotel residence ensures tranquility and serenity to all residents.

Reception

A prestigious reception desk welcomes you to a world that combines luxury with the latest technology. Equipped with innovative communication tools, the reception desk responds instantly to requests from residents and ensures prompt and professional follow-up with complete discretion.
