

Session 4

Planning Actions #1

Following today's session, think about what you should start, stop and continue in your city!

(START)

What will you start doing? What useful/necessary aspect is still missing? What would add value to the project?

< STOP >

What will you stop doing?
What isn't working?

/ CONTINUE /

What will you continue doing?
What is working well?

What are the main difficulties you imagine to encounter trying to build a shared vision with your ULG?
