Preserve Your Wealth For Future Generations

(with Tony Peckham of TP Consultancy)

Find out how to keep assets in the family protected against key threats such as:- Inheritance Tax; Divorce in the family; Financial difficulties such as bankruptcy; Wealth being lost following death and remarriage; and look at issues surrounding passing on farming assets where there are some difficult aspects that probably only affect the farming community. Also find out more about Lasting Powers of Attorney and why everyone needs them.

Why Use Cloud Accounting Software? *(with Thorne Widgery)*

Find out how your business could benefit from using a Cloud (Online) Accounting package and be ready for Making VAT Digital – it's coming next April

Have a look at the Xero Accounting package and discuss how it would be of benefit to your finance management.
