PRIVATE HIRE

BROCHURE

A wide-angle photograph of a concert at Gorilla. The foreground is filled with the backs of many audience members' heads. In the center, a band is performing on a stage under bright stage lights. The ceiling is dark with visible structural beams and several large, reflective disco balls. The overall atmosphere is energetic and crowded.

Gorilla is a 550-capacity live music venue and restaurant/bar underneath the arches of Whitworth Street West. This multipurpose venue has been home to the likes of Kylie, The 1975, Foals, Doja Cat and hundreds more artists.

Gorilla is a multipurpose space with various areas to host events in and is perfect for parties, wedding receptions, conferences, exhibitions, market place events and training days.

SOME OF OUR CLIENTS INCLUDE:

HAVAS Lynx / JD Sports / BooHooMAN / Manchester City / Pinnacle / University of Manchester.

MUSIC HALL

Our largest space is the Music Hall and is one of the few remaining intimate music venues in Manchester, over the years we have welcomed such a vast variety of artists and held some incredible club nights such as La Discoteque, Horse Meat Disco and Skream. Gorilla has a very rich musical history which makes it a hot spot for up and coming bands as well as huge underplays. We make magic happen under this archway.

The Music Hall has had a lot of love over the years with an upgraded state of the art sound system, lighting and a huge stage! It is a perfect blank canvas space that can accommodate a multitude of events.
