SHOOTERS

Voodoo  £4
Rum is the star of the voodoo and it's another floater. The bottom layer is Tia Maria, the middle is a rum cream, and the top is an overproof rum.

Apple Pie  £4
This apple pie shot made with vodka, apple cider, whipped cream, and cinnamon tastes just like Mom's apple pie! Put the entire shot in your mouth and swish back and forth a few times before swallowing.

Peanut Butter & Jelly  £4
Two liqueurs combine to create a rather delicious peanut butter and jelly shot. The nutty flavoUr comes from Frangelico and the raspberry jelly from Chambord.

Cherry Cheesecake  £4
The sweetness from the Grenadine and Cranberry juice overpowers the Vodka but not so much as you lose the light vanilla taste.

Snickers  £4
Baileys - Irish cream brings the creaminess of nougat to this shot, in the middle Frangelico - This hazelnut liqueur replicates the nut flavor of a snickers bar, Kahlua - The chocolate notes of Kahlua.
