

LUXE DOMES

Handmade in Northumberland these luxury domes are the UK's ultimate dining / event dome.

The perfectly panoramic private dining Luxe Dome.

Luxe Domes are hand made in Northumberland and can be purchased or hired. They can seat up to 8 guests for an eating experience and can be dropped off in any location with vehicle access. If there is no access, they can also be disassembled and rebuilt onsite.

With perfect panoramic views our Luxe Domes are the ideal addition to any garden or restaurant setting that has beautiful views. LuxeDomes are also ideal for glamping or hotel locations that offer the domes as a unique star gazing opportunity.

Our expert joiners make each one with love and attention to detail. Standard is 3.5m diameter but we can bespoke these to your required size
