

The background of the entire image is a dark, deep blue gradient. A bright, horizontal band of light, transitioning from a pale yellow-green on the left to a vibrant blue on the right, cuts across the middle. From this band, numerous thin, vertical lines of light radiate outwards, creating a starburst or lens flare effect. The overall texture is ethereal and high-tech.

This detailed architectural floor plan illustrates the first floor of the National Theatre. The layout is complex, featuring a central auditorium with tiered seating and a large stage area. Surrounding the auditorium are numerous rooms, including a large kitchen, a bar, a lounge, and several offices. The plan also shows a series of dressing rooms and a storage area. The architecture is characterized by its modern design, with a mix of open-plan spaces and enclosed rooms. The plan is oriented with the stage at the top, and the entrance is located on the right side. The overall design is functional and efficient, providing a clear view of the theatre's internal structure and layout.
