

WYLAM BREWERY

CORPORATE & PRIVATE EVENTS

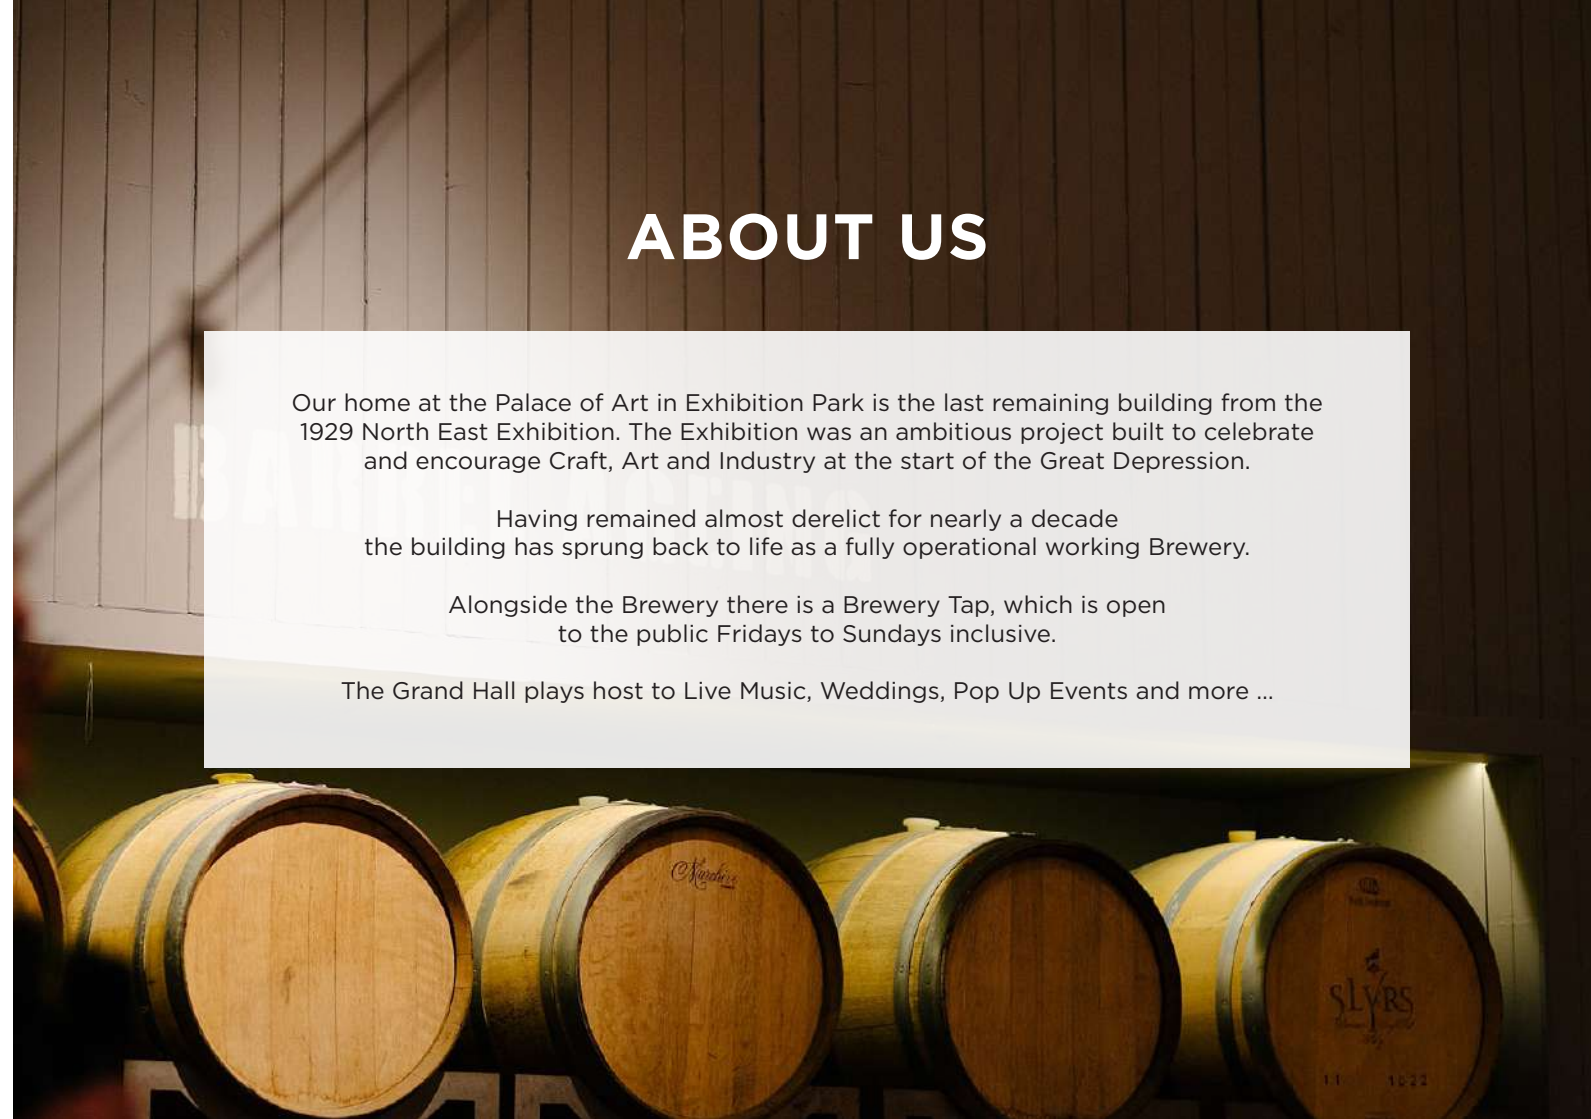

ABOUT US

Our home at the Palace of Art in Exhibition Park is the last remaining building from the 1929 North East Exhibition. The Exhibition was an ambitious project built to celebrate and encourage Craft, Art and Industry at the start of the Great Depression.

Having remained almost derelict for nearly a decade the building has sprung back to life as a fully operational working Brewery.

Alongside the Brewery there is a Brewery Tap, which is open to the public Fridays to Sundays inclusive.

The Grand Hall plays host to Live Music, Weddings, Pop Up Events and more ...
