WHO IS FEST INTENTIONS?

We are **Fest Intentions**; your greatest tool when it comes to bringing everything festival related into one easy to use website. We are the UK's first festival One-Stop-Shop; including travel packages with tickets to your chosen festival, and an easy and safe travel experience between your local pickup points. Here's a load of other reasons...

YOUR FESTIVAL FRIEND... HERE WHEN YOU NEED US!

Whether you have attended tons of festivals in your life, or you're still a festival virgin, rely on **Fest Intentions** to make attending festivals simple and exciting. We're by your side 24/7, online, and at most of the major festivals, ensuring you have all the tools you need, and all the information, to get the most out of your chosen festival.

MAKING FESTIVAL ATTENDANCE EASY

We're proud to be the UK's first One-Stop-Shop for festivals, keeping you up-to-date on everything festival related; from music news, through to tips and trends, you can be sure of a mecca of information, all in one easy to navigate website.

EXPAND YOUR SOCIAL CIRCLES

Whilst you cruise to your chosen festival with ease, **Fest Intentions** gives you and your mates the opportunity to meet like minded music fans, who could, become mates for life. Using our network of coaches is a great way to make new friends before you arrive.

HELP US ERADICATE 'BULLYING'

It's always been a hot topic being discussed in society. You can't go a day without hearing something about bullying online or in the news, and that is wrong! We want to be at the forefront of the support for those who experience bullying or discrimination.

Whether it's being singled out for your sexual orientation, picked on because of body image, or simply being bullied online, when you purchase festival packages with **Fest Intentions**, we donate to our partner charity '**Ditch The Label**'; an international bullying charity at the forefront of helping people who experience bullying through their digital support programs.
