Make life easy.

Scan the code
for a 360°
exterior view.

The Ford KA+ is one of life's easier choices. Packed with remarkable technologies, our new compact car looks and feels much larger than it really is.

**Easy to take your
friends.**

Visit the Ford YouTube channel to
see the Ford KA+ in action.

The Ford KA+ is surprisingly spacious
for a compact car. Offering generous
shoulder width across the back seat
and ample legroom, three passengers
can sit in the back comfortably.

Easy to stand out.

Black and white or white and black? Whichever you prefer, you'll stand out with this stunning combination in Shadow Black and Oxford White. The new KA+ Zetec Colour Editions with Black & White eye-catching details include contrasting door mirror caps and special 15" 5x2-spoke alloy wheels.

› Rear parking distance
sensors
***Easy to reverse into
a parking spot.***

With the Ford KA+, you won't have to pass by those more challenging parking spaces. An audible warning helps you safely judge the distance between your car and obstacles at the back, for easier parking and manoeuvring. (Optional via the City Pack)

› Ford SYNC
Easy to keep both hands on the wheel.

Ford SYNC lets you play music and make and receive hands-free calls – all with simple voice commands. With SYNC AppLink you can even control apps* on your smartphone using voice commands. (Standard on Zetec & Zetec Colour Editions)

*Compatible mobile phone required. SYNC AppLink is not supported by all European languages.

SYNC is designed to compliment the in car experience. You must always pay due care and consideration whilst driving.

› MyFord Dock
Easy to store and charge your phone.

MyFord Dock is designed to hold your smartphone, MP3 player or navigation device within easy reach. The lidded compartment provides covered storage and you can stream your music through the car's speakers via Bluetooth® or a USB cable. (Standard on Studio)

> MyKey®

***Easy to lend your
KA+.***

MyKey® lets you tailor your car settings to suit individual users. These settings allow you to specify vehicle speed and audio volume limits, and prevent important driver assistance features from being switched-off. MyKey® settings are automatically activated each time MyKey® is used. (Standard on Zetec & Zetec Colour Editions)

All drivers must be properly insured to drive the vehicle and have the correct license

➤ Electronic Automatic
Temperature Control
(EATC)

**Easy to stay cool
(or cosy).**

No need to keep fiddling with the controls. EATC maintains the precise temperature you select for air-conditioned or heated comfort.

Zetec Colour Editions

- Standard exterior features in addition to Zetec

- White Edition: Oxford White body with Black contrast roof and door mirror caps
- Black Edition: Shadow Black body with White contrast roof and door mirror caps
- 15" 5x2-spoke Black alloy wheels (with white inserts on the Black Edition)
- Rear privacy glass

- Engine

- 1.2l Ti-VCT (85 PS)

Heated front seats

For those cold days, nothing is better than the luxury of heated front seats.

Power-foldable heated door mirrors

Ideal for quickly clearing frost and squeezing into tight parking spaces.

hill Start Assist

After releasing the brake pedal when stationary, the system is designed to keep the wheels braked, giving you enough time to move your foot from the brake pedal to the accelerator without the car rolling backwards.

Standard Optional, at extra cost

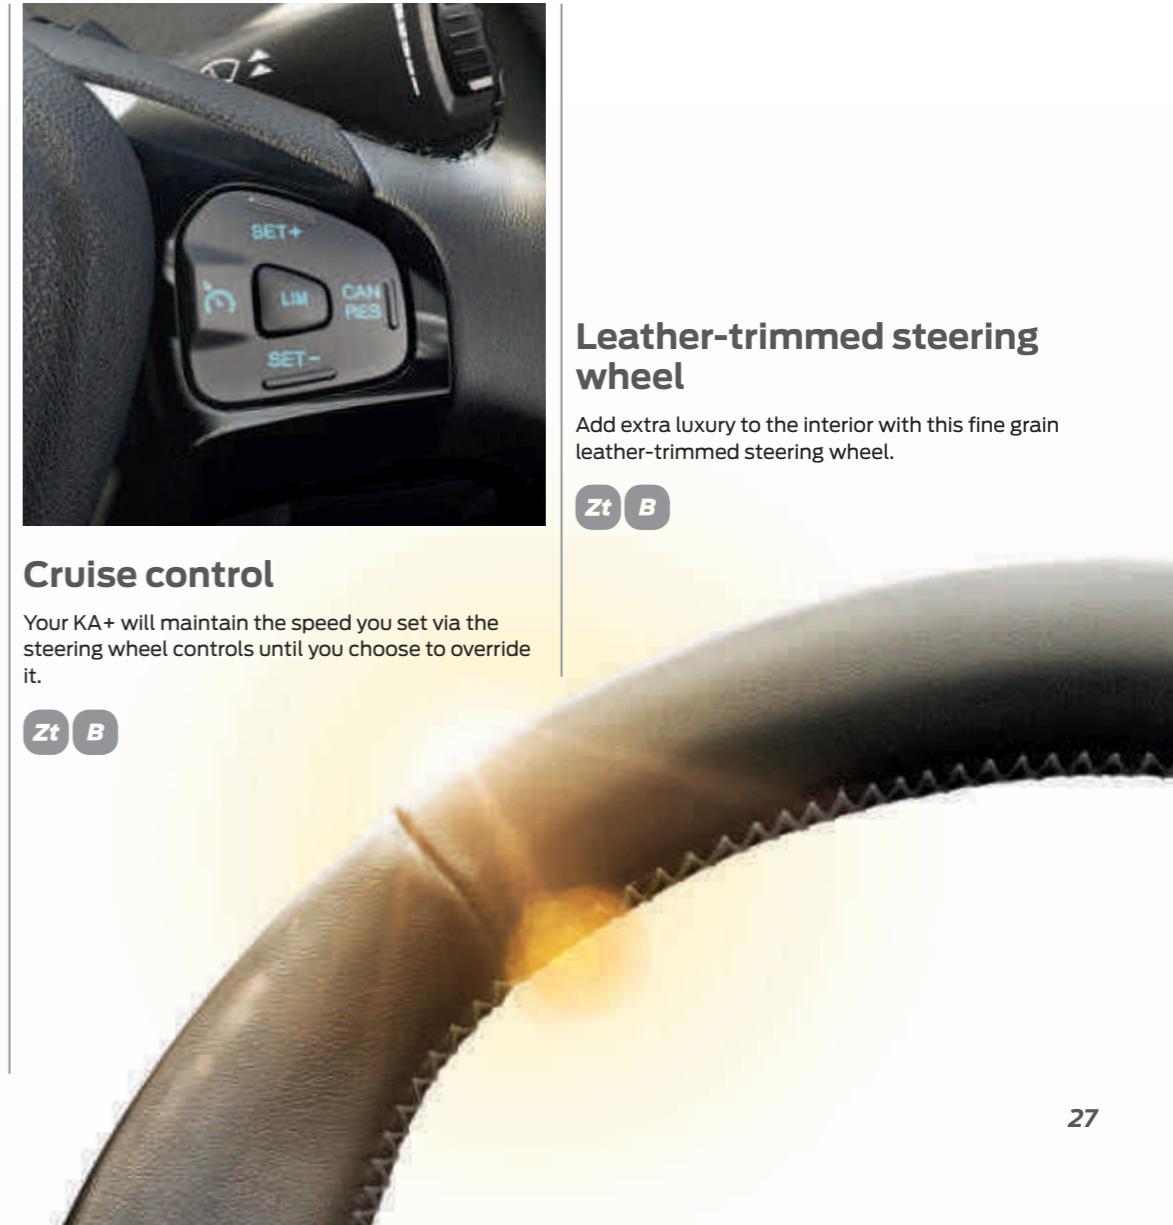

Privacy glass

Not only does privacy glass make it difficult for prying eyes to see into your KA+, but the tinted glass also helps keep the interior cooler on hot days.

Cruise control

Your KA+ will maintain the speed you set via the steering wheel controls until you choose to override it.

We chose
Deep Impact Blue.
What will you
choose?

The Ford KA+ owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your KA+ will retain its good looks for many years to come.

Zt B Electronic Automatic Temperature Control

How it works

- Once set, the system continually monitors interior temperature
- Filtered air is emitted to ensure the set temperature is precisely maintained

How it helps you

- Simply set and go
- System remembers your last set temperature
- No need to keep fiddling with controls to maintain your ideal interior temperature

<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Zt B Rear parking distance sensors

How it works

- Selecting reverse gear activates sensors in the rear bumper
- These sensors detect solid and non-solid objects in proximity to the rear of the car
- The sensors are linked to a small speaker that emits audible beeps as the car moves towards objects
- The beeps become more frequent as the car comes closer to the objects
- A continuous beep indicates the rear of the car is extremely close to the object

How it helps you

- Makes you aware of obstacles and their proximity when you reverse
- Enables you to easily park within 30 cm of an object
- Reduces the risk of dents, scrapes and minor damage, and resultant insurance claims and repair costs
- Preserves your car's residual value

Xvision® park distance control

Make parking easier each and every day with an audible warning that helps you to safely judge parking distances. Available for front and rear, or just rear. (Accessory)

Roadside assistance

Be prepared for the unexpected with safety equipment from Ford (warning triangle, safety vest, gloves, first aid kit). Also available are a fire extinguisher, towing rope and jump leads. (Accessory)

Britax Römer® child seat

The safest way for a child to travel is on the rear seat, in a specially-designed child safety seat. Various models, also with ISOFIX for additional safety, available for all weights (for babies and toddlers up to 35 kg). (Accessory)

ClimAir® wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain. (Accessory)

Boot liner

Durable tray, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Mud flaps

Contoured mud flaps protect the bodywork from stone chips and help to keep your KA+ clean by reducing road spray. Available as a set for front and rear. (Accessory)

Rubber floor mats

The tray-style rubber floor mats with KA+ nameplate are tailor-made to fit perfectly and protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the rubberised mat cannot slip and interfere with the pedals. (Accessory)

For a comprehensive list of accessories, view the Ford KA+ Choose brochure or the Online Accessory Guide at www.ford-accessories.co.uk

®Item covered by third party supplier's warranty, please see back cover for details.

Trip computer

Provides important information about your mileage, fuel consumption, average speed and outside air temperature. It also includes 'distance to empty': approximately how far you can go on the fuel left in the tank.

Use the configurator to build
your perfect Ford KA+

FORD KA+ Audio features

AM/FM radio with MyFord Dock

- USB and Bluetooth® connectivity
- AUX jack
- Four speakers

DAB radio/CD with Ford SYNC

- 4.2" colour screen
- iPod® and Bluetooth® connectivity
- SYNC AppLink
- Voice Control System
- MyKey®
- Emergency Assistance†
- Four speakers

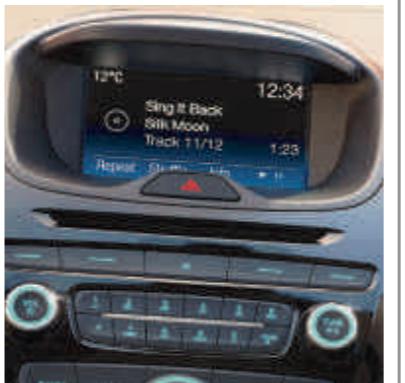

Audio and communication systems

Ford AM/FM Radio with MyFord Dock, Bluetooth® and USB connectivity, Aux in and four speakers

Ford Radio/CD with DAB, 4.2" TFT screen, Ford SYNC – Includes Emergency Assistance*, Bluetooth® handsfree phone and Voice Control, USB connectivity, Aux in and four speakers

Ford SYNC

How it works

- Ford's enhanced in-car connectivity system lets you play music and make and receive hands-free calls – all with simple voice commands
- With SYNC AppLink you can also control apps* on your smartphone using voice commands
- Ford Emergency Assistance† is a feature developed as part of SYNC. In the event of an accident it is designed to supply the emergency services with vehicle location information in their own language

Voice activated entertainment

Pair your mobile phone with SYNC and you can use voice commands to select music. Press the VOICE button on your steering wheel and you can say, for example, "Play artist Adele", or choose a particular track.

Voice activated phone calls

To make a call with SYNC, press the VOICE button and, when prompted, speak the name of your contact as it's written in your phone. You can also speak a number and SYNC will call it for you. SYNC will also alert you when a text message arrives. You can get SYNC to read it out by pressing the LISTEN button.

Standard Option Part of an option pack at extra cost

AppLink

Certain apps, such as Spotify, are enabled to work with SYNC. You can use several commands to control the apps*. In Spotify, for example, say "Choose playlist," followed by the name of the playlist, and Spotify starts playing while displaying the name of the track on the SYNC display.

How it helps you

- Using just your voice for all these functions enables you to keep both hands on the wheel, and to concentrate on a safer driving experience
- SYNC can alert you when you receive a text message, and you can even ask the system to read it aloud to you
- Ford Emergency Assistance† can enable the emergency services to reach you faster, which can be critical in some situations

SYNC is designed to compliment the in car experience.

You must always pay due care and consideration whilst driving.

FORD KA+ Interior features

	Studio	Zetec	Zetec Colour	Edition
Seats	Front seat – 4-way manual driver seat (fore/aft/up/down) Front seat – 2-way manual passenger seat (fore/aft/recline) Rear seats – 60/40 split rear seat			
Climate control	Air conditioning – Manual Electronic Air Temperature Control (EATC) Air conditioning			
Loadspace	Load compartment light			

MyFord Dock

How it works

- Securely holds smartphones, satnavs and MP3 players
- Connects these electronic devices with the car's entertainment system
- Streams music through the car's speakers via Bluetooth® or a USB cable

How it helps you

- Mounted on your dashboard
- One simple solution to store, secure and charge your smartphone, satnav or MP3 player
- Provides covered storage when not in use

FORD KA+ Mechanical features

	Studio	Zetec	Zetec Colour	Edition
1.2L Ti-VCT (70 PS) 5-speed manual	1E	2E	5E	
1.2L Ti-VCT (85 PS) 5-speed manual		5E	5E	

E = Exceeds security requirement for model concerned and group rating has been reduced. Insurance ratings are issued by the Association of British Insurers and are shown above on the 1-50 rating scales.

Hill Start Assist

How it works

- The system senses when the KA+ is stationary on a gradient and you have your foot on the brake
- When you take your foot off the brake, braking pressure is maintained for 2.5 seconds
- When you press the accelerator, the brakes automatically release

How it helps you

- Makes pulling away on a hill easier
- Gives you enough time to move your foot from the brake pedal to the accelerator without the car rolling backwards
- Also works in reverse gear

Standard Option Part of an option pack at extra cost

Zt B MyKey®

How it works

MyKey® is a Ford industry-first technology allowing parents to programme a key for younger drivers. The technology works by recognising different keys for the same car and then adjusting the vehicle settings according to the owner's requirements. It enables owners to set the system so that it:

- Limits top speed
- Reduces maximum radio volume
- Disables the audio system until seat belts are fastened
- Prevents deactivation of driver assistance and safety technologies
- Delivers an earlier low-fuel warning
- Issues visual and audible alerts when the speed exceeds a limit you have preprogrammed

How it helps you

MyKey® offers extra peace of mind when lending your KA+ to younger drivers. It assists safer driving by:

- Encouraging drivers to wear seat belts
- Helping to address some of the main factors that lead to accidents, including excessive speed

All drivers must be properly insured to drive the vehicle and have the correct license.

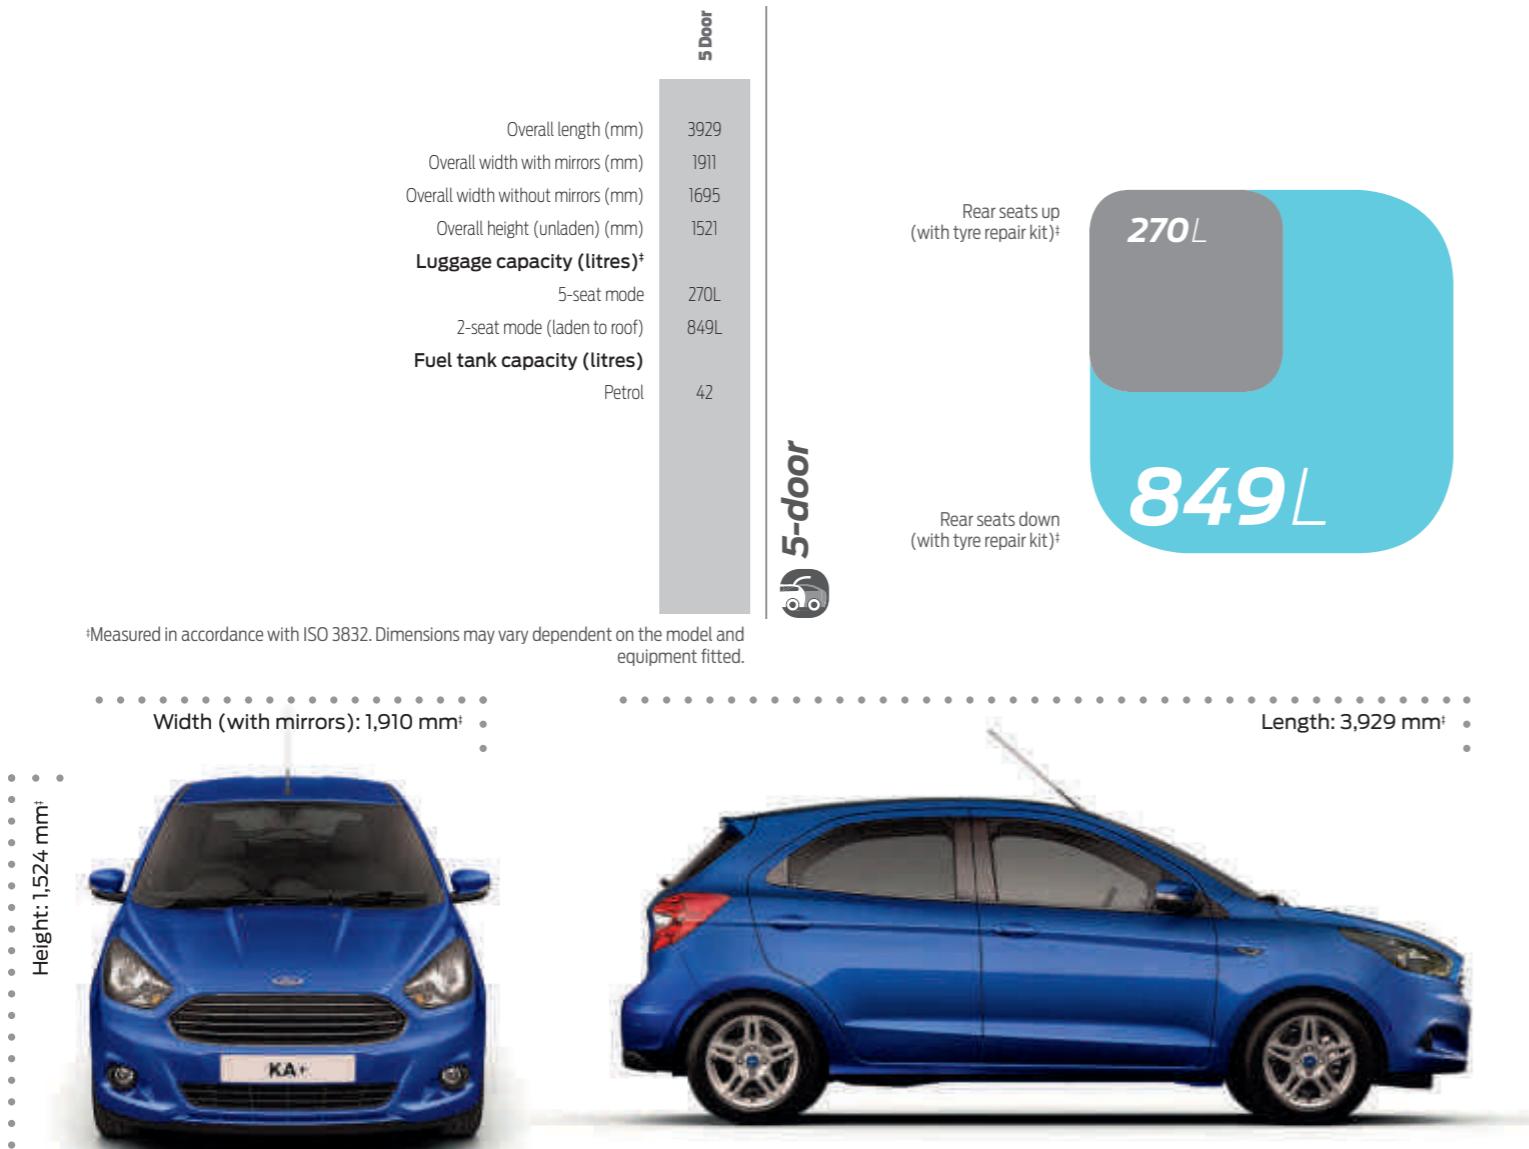

Standard

Option

FORD KA+ Dimensions and capacity

FORD KA+ Engines, fuel consumption and performance

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

	1.2L Ti-VCT (70 PS)	1.2L Ti-VCT (85 PS)	1.2L Ti-VCT (70 PS)
Euro Stage	Euro Stage VI	Euro Stage VI	
Transmission	M5	M5	
Maximum Power PS (kW)	70 (51)	85 (63)	
Torque Nm	105	112	
CO₂ emissions (g/km)[§]	114	114	
Fuel consumption in L/100 km[¶]			
Urban	6.6 (42.8)	6.6 (42.8)	
Extra Urban	4.0 (70.6)	4.0 (70.6)	
Combined	5.0 (56.5)	5.0 (56.5)

Gross Vehicle Mass (kg)	1500	1510	
Gross Train Mass (kg)	N/A	2010	
Max. Towlable Mass (braked) (120%*) (kg)	N/A	500	
Max. Towlable Mass (unbraked) (kg)	N/A	500	

[†]Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted.
[‡]Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its **Gross Vehicle Mass** to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 50 kg on all models. **Gross Train Mass** includes trailer weight.

[§]Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted.

^{*}In 4th gear. [¶]Ford test figures. [¶]The declared Fuel/Energy Consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

Optional, at extra cost

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. [#]The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitable differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
