Sussex
"The Caravan & Motorhome Centre"

About us

Sussex Caravan Centre is a family run business, trading for 35 years. Based at two sites in East and West Sussex, we pride ourselves on offering customers across the county and its surrounding areas with top quality caravans and motorhomes for sale

The company was founded in 1989 by previous director Brian Langridge and current director Martin O'Neill, who between them have over 60 years' experience in the industry. Since its inception, they have drawn on this extensive experience to create a very successful and multi-award-winning dealership, earning an excellent reputation.

In our pressure-free sales environment, we ensure we provide each and every customer with an exceptional level of service - with a smile. Our team are on hand to answer any questions you may have, to ensure you're able to purchase the caravan or motorhome that best suits your needs and budget.

Sussex Caravan Centre West (Ashington)

Sussex Caravan Centre East (Colestock Cross East Grinstead)

GUARANTEEING GREAT THERMAL EFFICIENCY

BALANCED ALUMINIUM WALL CONSTRUCTION

Our wall construction consists of an outer aluminium sheet with an Eco Prim insulation core and an inner aluminium sheet to create a super strong, balanced panel.

The inner aluminium wall also works as a heat distribution plate ensuring no loss of heat. The inner wall is then wrapped with a unique ventilated wall covering to assist with ventilation and sound proofing.

ALL YEAR ROUND COMFORT

GUARANTEED COMFORT THROUGH ANY TERRAIN

Through continuous development we have engineered a motorhome that can perform in the most challenging of environments, from warm and dry summer days to arctic winters, you're guaranteed to be comfortable whatever the weather.

Alde's wet central heating system has been meticulously planned and installed to ensure you always enjoy the optimum temperature throughout your motorhome.

The radiant, hydronic central heating offers many benefits:

- It heats every part of the motorhome creating a warm and inviting environment
- The glycol heating fluid circulates quietly around your motorhome ensuring the least amount of disturbance
- It works off both gas and electric power sources which can be combined when required
- Radiators are mounted around the motorhome
- Waterborne underfloor heating

The construction methods utilised and air circulation properties also combine to help keep the motorhome cool when the temperature rises. In addition to this, we also fit the Dometic FreshJet 2200 air conditioning unit as standard.

THE PERFECT LUXURY VEHICLE

The Mercedes-Benz Sprinter has a class leading reputation and is the obvious foundation on which to build a luxury leisure vehicle. Packed with cutting edge technology it has been engineered to provide a driving experience which is focussed on comfort and safety.

MERCEDES-BENZ

ENGINE

Mercedes-Benz 170 HP Sprinter engine, 2L with 9 speed automatic transmission as standard, these combined with features such Crosswind Assist, Cruise Control & Electronic Stability Programme (ESP) ensure that journey becomes part of the adventure.

TOUCHSCREEN PANEL

10.25" MBUX Infotainment system with touchscreen featuring Apple CarPlay, Android Auto, DAB Radio and Satellite Navigation.

WARRANTY

2 Years Mercedes warranty and 24/7 breakdown assistance in the first 2 years

THE SMOOTHEST DRIVE YET

The Mercedes-Benz engine has been combined with the class-leading AL-KO chassis to deliver a drive that is smooth yet responsive. Indulge in a ride that's guaranteed to give better comfort and handling throughout your travels.

SPECIFICATION

HIGHLIGHTS

- Mercedes-Benz 170 HP Sprinter engine
- 9-speed automatic gearbox
- Cab air conditioning
- 4500kg AL-KO chassis
- 140 W solar panel including intelligent battery sensor (IBS)
- Electrically operated drop down bed above front lounge
- Unique 'Nordic Oak' Wood colour scheme
- Luxurious deep pile stain resistant loose lay carpets
- Luxurious Domestic style square shower cubicle with chrome waste

AUDIO & ENTERTAINMENT

- DAB radio
- Premium sound system
- Dedicated TV station with 230v, 12v, satellite and aerial sockets
- Status 570 TV aerial with integrated AM/FM/DAB reception capability including diplexer

BATHROOM FEATURES

- Luxurious Domestic style square shower cubicle with chrome waste
- LED downlight
- Shower mixer tap
- Chrome finish bathroom fittings
- Thetford swivel toilet with electric flush and wheeled waste container
- Modern vanity worktop design

- Mirrored vanity unit

ELECTRICAL

- Smart D touchscreen control panel with remote connection capabilities
- 130 amp AGM battery
- 12 volt system with battery charger and mains transformer
- Indirect dimmable LED lighting
- Cargo space lighting
- LED reading spot lights
- Mains connection lead (25m)
- USB charging point
- Wireless mobile phone charging station

EXTERIOR FEATURES

- Balanced aluminium sidewall construction with Ecoprim insulation core
- Balanced aluminium roof construction with Ecoprim insulation core
- Sandwich construction floor with internal bracing for added strength and Ecoprim insulation core
- ABS rear panel featuring bespoke flush-fitting LED light clusters and high level brake light
- Pre installed rear bike rack mounting points
- Hartal 'Evolution' habitation door with integrated step
- Remote controlled central locking system to habitation door
- Rear garage storage with double access doors (545 & 565)
- 12 volt / 230 volt outlet in rear garage (545 & 565)
- Exterior 230 volt / 12 volt with TV outlet/inlet

- 140 watt solar panel including intelligent battery sensor (IBS)
- Front Skyview window to cab
- Full length exterior graphics

INTERIOR FEATURES

- Aluminium internal walls enhancing heat distribution
- Ventilated wall covering to eliminate condensation and provide an enhanced sound proofing effect
- Ventilated overhead cabinets to increase air flow
- Angled ventilation boards and cable trays optimise air circulation and provide an even distribution of heat
- Thermal heating wall between cab and habitation area
- Heating convectors inside door step
- Energy efficient windows with polyurethane frame including built in ventilation
- Engineered swivelling travel seat base
- Integrated blinds to cab windows
- Smooth action blinds with flyscreens to all windows
- Flyscreen to habitation door
- Centre console above cab with additional storage and spotlights
- Sound insulating soft ceiling
- Electrically operated drop down bed above front lounge
- Padded imitation suede headboard with lighting
- Superior sprung upholstery with co-ordinating scatter cushions, higher and more supportive

- Unique 'Nordic Oak' Wood colour scheme
- Contemporary two toned locker doors to the lounge and bedroom with soft close hinges and positive travel catches
- Stylish polished chrome finish furniture handles
- Domestic style floor covering
- Luxurious deep pile stain resistant loose lay carpets
- Colour co-ordinated sockets and switches with brushed silver surrounds
- Lightweight free standing table with dedicated storage area
- Easy access aluminium lift up bed frames, gas strut supported with sprung beech slats
- Luxurious mattress on the fixed bed
- Luxury voile panel to the bedroom window/s
- Concertina room divider between the kitchen & bedroom area

KITCHEN FEATURES

- Acrylic glass kitchen locker doors with domestic soft close hinges
- High gloss kitchen worktops in "Latte" design
- Acrylic kitchen splashback
- Drawer storage with travel lock mechanism
- Undercounter pull out storage trays
- Integrated waste bins
- Round stainless steel underslung sink with worktop bowl infill
- Chrome kitchen tap
- Under locker integrated extractor fan
- Thetford dual fuel hob, electronic ignition, glass lid and flame failure device

- LED touch sensitive dimmable under surface and locker ambience enhancing lighting
- Positive catches to main kitchen drawers
- Dometic 10.5T series 171 litre deeper electronic fridge freezer with universal handed door mechanism

PLUMBING & HEATING

- Alde wet central heating and hot water system with 5 year Glycol heating fluid
- 12v circulation pumps
- AGS II waterborne underfloor heating
- Roof mounted Dometic Freshjet air conditioning
- Heating elements to fresh and waste water tanks
- 87 litre fresh water tank
- 90 litre waste water tank
- Fully winterised system for all year round use

SAFETY & SECURITY

- Optical smoke alarm
- Carbon monoxide detector
- Gas leak indicator
- Ground fault circuit breaker
- Collision sensor for gas system
- European Whole Vehicle Type Approved (EWVTA)
- EN1645 Grade 3 classification for heating and Insulation – cold chamber tested

CAB & CHASSIS FEATURES

- Mercedes-Benz 170 HP Sprinter engine
- 9-speed automatic gearbox
- 65 litre fuel tank

- Auto braking
- Attention assist
- Crosswind assist
- Cruise control
- Rain sensor
- Driver and passenger air bag
- Daytime running lights
- Headlight assist
- Manual parking break
- 16" Alloy wheels
- Reinforced tyres
- Integrated entrance side steps
- Cab air conditioning
- 10.25" MBUX Infotainment system with touchscreen featuring Apple CarPlay, Android Auto, DAB Radio and Satellite Navigation

This brochure has been designed to provide you with basic information prior to making a purchase decision. Please refer to Sussex Caravan Centre for additional information before you buy.

Coachman Caravan Company Limited reserves the right to, and does from time to time, alter technical specifications, prices and model ranges as materials, model improvements and conditions demand, therefore can accept no responsibility for discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. fruit and personal effects) have been used to enhance photography and are not supplied with the caravan. Limitations in the printing process may mean colours are not truly represented.

It should be noted that distributors and dealers are not the agents of Coachman Caravan Company Limited and therefore are not authorised to bind the Company by any specific or implied undertaking or representation.

All Coachman models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice, specifically relating to health and safety issues.

The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions to gas, electrics and ventilation.

Please note: Motorhomes are designated by the model year. The model year runs from the 1st September to the 31st August.
