

Mercury 350 Drive Away Campervan Awning:

Stock Code: LWA35

Each

This Mercury 350 driveaway awning is a pole awning that is easy-to-assemble. This driveaway awning has two sections; the inner section that is separated by a large zip door which provides privacy and storage space, and the outer section which lets in plenty of sunlight through its large windows.

It has a large front door and two side doors. The two side doors have zippable fly screens providing ample ventilation and for keeping unwanted insects at bay.

This driveaway awning easily attaches to your campervan. It also acts as a standalone awning, which gives you the option to leave your site with your campervan to go exploring during the day.

- * Supported by easy-to-see hi-vis guy lines that can be adjusted by hi-vis guy lines.
- * Made from a waterproof fabric with 3000HH rating.
- * Each window comes with blinds.
- * Taped seams for extra strength.
- * Foldable mud wall.
- * Two inner sections.
