

Ontario 390 Air Awning (Box Qty: 1):

Stock Code: LWA15

Each

The Ontario 390 air awning is a practical air awning that provides plenty of extra space for caravan holiday makers. This air awning comes with inflatable integrated standing poles and support beams to provide ample stability and support.

The awning is easy to set up. Just thread the beading through the caravan's railing and inflate the integrated standing poles and the support beams. Then position the support beams inside the awning, then peg the awning and the guy lines into place.

****IMPORTANT - Please Read:** The rear pad poles you see in the video do not come supplied with this awning. These will need to be purchased separately. ******
