At home on holiday.

**ERIBA**

# THE CARAVAN FOR INDIVIDUALISTS.

ERIBA – the caravan specialist of the Erwin Hymer Group.

For over 60 years ERIBA has been setting new standards in the world of caravanning. One model stands out in particular: the iconic ERIBA Touring – the first vehicle created by Erwin Hymer and Erich Bachem, and the start of an unprecedented success story. But as much as this evergreen design still delights its fans after six decades, the other three model ranges also have much to offer in terms of quality, design, technology and comfort. The variety of colour and furnishing options offers room for individuality and makes your caravan as unique as the trips you take with it. Look forward to new adventures in which nothing is left to chance in terms of comfort.

TOURING

# DESIGN LANGUAGE THAT SPEAKS FOR ITSELF. THE ERIBA TOURING.

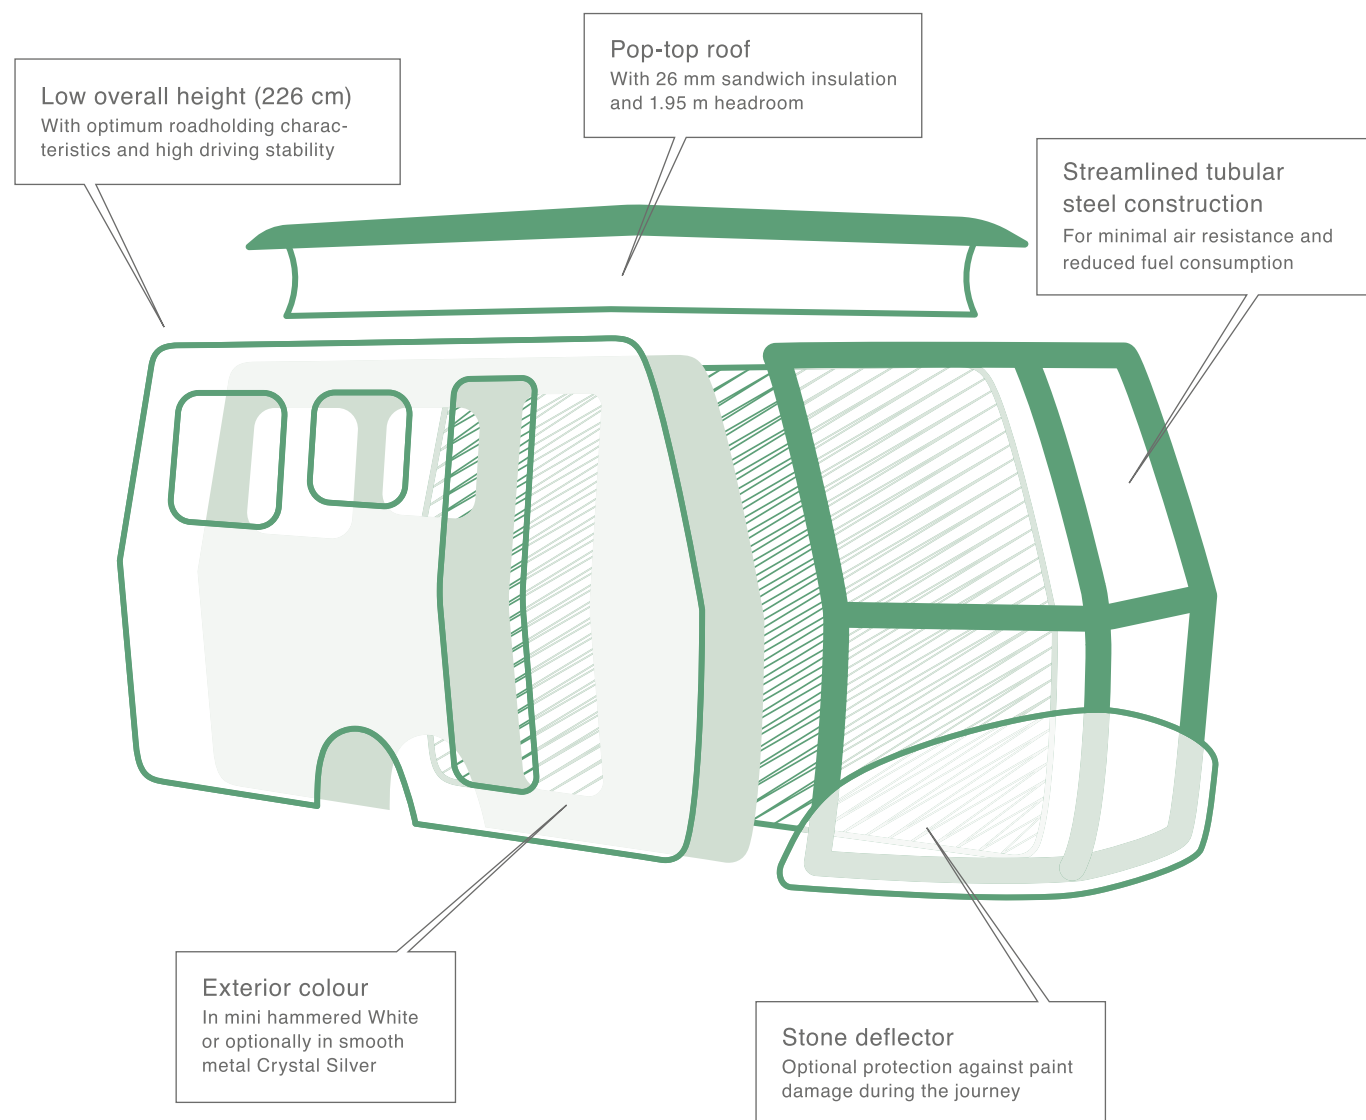

up to 4 people | max. weight 1.4 t | max. length 5.79 m

You don't need much space for great adventures. Its compact external dimensions and low overall weight make the ERIBA Touring the perfect companion over hill and dale. This special design improves the vehicle's aerodynamics, ensuring optimum roadholding characteristics. The aerodynamically designed aluminium skin has its origins in the aviation industry and was perfected by an aeronautical engineer over 60 years ago. Even long journeys will simply fly by!

# EVERYTHING. AT A GLANCE.

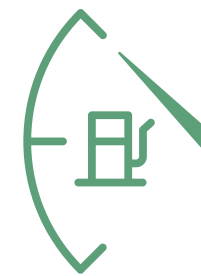

## THE AERO DESIGN

ERIBA caravans are models of efficiency – thanks to the aerodynamically shaped front with its rounded edges. The body shape – unique in caravan construction – boasts a timeless elegance and comes with numerous benefits: lower air resistance for better fuel economy, much improved driving safety and optimal roadholding characteristics. With this compact touring pro, you can now holiday with greater safety, economy and – not least – style.

## SMALL TOWING VEHICLES

Thanks to its compact dimensions and low total weight, it is also ideal for small towing vehicles and category B licence holders (passenger cars).

## LOW FUEL CONSUMPTION

The aerodynamic front, consisting of the streamlined tubular steel construction, ensures low air resistance and thus reduced fuel consumption.

## INTERIOR CLIMATE

The pop-top roof provides fresh air in the caravan and thus creates the perfect room climate thanks to the pop-top roof window, which is made of canvas material.

## INDIVIDUALITY

Five exterior colours, four different interior designs, fixed bed or large seating area and a large selection of original accessories – make your choice and configure your dream vehicle.

## DRIVING SAFETY

The unique design principle derived from aircraft construction, consisting of a robust steel tube cage with aluminium sheathing, and the compact vehicle dimensions offer perfect roadholding characteristics and thus outstanding driving safety.

## STORAGE SPACE

Despite its compact dimensions, the Touring offers plenty of storage space thanks to all-round overhead lockers and intelligent space solutions.

Note: some of the equipment shown is optional and depends on the model range/layout.

# LOW PROFILE, HIGH STANDARDS.

When on the road, the world changes with every kilometre and often leaves you in a permanent state of wonder. When it comes to change, the ERIBA Touring is the perfect companion. Thanks to the practical pop-top roof, it can be transformed in no time at all. Although much has changed on the inside since 1957, it has always remained true to its original design with its aerodynamic front and unique body shape.

## Holiday greetings from the kitchen.

Despite its compact dimensions, the kitchen offers a generous work surface. This space can be further extended via the glass lid of the cooker and an optional sink cover. Crockery, pans and food can be tidily stored away in the cabinet underneath the kitchen worktop. The 2-burner hob, which features flame protection and a glass cover plate as standard, leaves nothing to be desired in terms of culinary delights. And you can keep your ingredients nice and fresh inside the practical, integrated refrigerator.

Touring 530

## Everything has its place. Including you.

The front seating area in the living area is not only extremely comfortable, but also offers plenty of storage space for all your essentials.

Touring 530 | GRAZIA

## Space to dream of.

The bed is the most welcoming place of all. And if it also offers storage space – all the better! Concealed under the fixed rear bed in the sleeping area of the ERIBA Touring Familia 310, ERIBA Touring Triton 418 and 430 and the ERIBA Touring Troll 530, 535, 542 and 550 layouts is a huge storage space which can also be loaded from the outside via the optionally available locker door. This ensures easy access to everything you need whenever you head out.

For the Land of Nod (and 193 other countries).

Fall asleep blissfully and wake up totally refreshed – all over the world. The cold foam mattresses with soft drill covers provide maximum sleeping comfort. The practical arrangement of the beds not only helps you relax, but also makes life easier if you want to stow something underneath them.

Touring 530

Beauty. By design.

The bathroom is your perfect time-out zone and is equipped with a shelf with tensioning straps to store utensils, a towel rail and a bench toilet. The height-adjustable mirror moves up and down with the pop-top roof and the washbasin underneath offers plenty of storage space.

# FREEDOM BEGINS WITH OPTIONS.

The feel-good factor also depends on the right appearance. Choose between the MARALDI, LEANO or FAYON fabric combinations. All other textiles are carefully chosen to ensure they perfectly complement the interior design – down to the last detail. Also included: the comfortable cushions with high backrest and lumbar support for the front seating area, including additional cushion for the bed conversion. It catches the eye wherever you go.

# EQUIPPED FOR GREAT ADVENTURES.

## GT PACKAGE

Equipment that makes extraordinary journeys even more impressive – the GT Package enhances your ERIBA Touring not only functionally, but also visually. On the one hand, thanks to alloy rims and a smooth metal Crystal Silver finish for the side walls, front and rear, and a stone deflector. On the other hand, there are also three additional reading lights in the rear, an exterior locker door on the right, a rubbish bin integrated into the door, a mosquito net roller door, a chopping board sink cover and two utensil bags. Overall: a strong appearance and a personal statement that speaks to your individuality.

## BICYCLE RACK

For fans of cycling: the ERIBA Touring drawbar bicycle rack was developed especially for this model range. All features of the ERIBA Touring can also be used when the bicycle rack is mounted and it fits all ERIBA Touring models from 2011 onwards.

## WINTER CANVAS

The new protective winter canvas, specially designed for the ERIBA Touring, is light, breathable and tear-proof. It is also a perfect fit and can be attached in just a few minutes. The three-piece set consists of left and right side walls and a roof piece that overlaps the side walls and is then harnessed in position. | Available as an ERIBA Original Part.

## AWNING OR CANOPY

Design highlight: the new awning – developed exclusively for the ERIBA Touring model range – blends in harmoniously with the vehicle's appearance. The adapter comes as standard with LED lighting that can be controlled by a separate switch.

Alternative to the awning:  
With a depth of 300 cm, the ERIBA Touring canopy offers more shade and, when used with the side and front walls, also creates more living space. The shape of the roof creates a pleasant feeling of space and enables water to run off perfectly. | Available as an ERIBA Original Part.

## STAINLESS STEEL HUBCAPS

Turn back time with wheels that evoke the past with every passing kilometre. The retro look of the stainless steel hubcaps rounds off the unique style of the ERIBA Touring down to the last detail. | Available as an ERIBA Original Part.

# TRUE FANS OF THE 1950S. THE ERIBA ROCKABILLY AND OCEAN DRIVE.

These two ERIBA models move not only their occupants, but also passers-by, spectators and other drivers. Little wonder! Their cult design language is a tribute to the joie de vivre of the 1950s and brings music to the streets. All over the world.

Based on the combination of red and white, the Troll 530 Rockabilly picks up the typical vehicle design and colour language from a glorious era, while the ERIBA Troll 530 Ocean Drive brings a breath of fresh air to the beaches of the world. Make the world more colourful and plan your future inside the glamorous past.

## ERIBA Rockabilly. Brings music to the streets.

Miami Beach, Route 66 or Sunset Boulevard? No matter where you go with the ERIBA Troll 530 Rockabilly – it will take you on a journey through time that oozes American diner charm. A retro chic design brimming with intelligent and technically sophisticated details evokes the 1950's American lifestyle and leaves nothing to be desired. With its unusual red and white paint finish, the Rockabilly brings the typical vehicle design and colours of a glorious era to life.

## ERIBA Ocean Drive. Brings a breath of fresh air to your memories.

Looking back was never more enjoyable! With the ERIBA Troll 530 Ocean Drive every look in the rearview mirror becomes a journey into the past. The interior of the ERIBA Troll 530 Ocean Drive continues what the outer shape and colour scheme visibly announce: retro charm, done to perfection. In terms of appearance, the ERIBA caravan is extremely inviting, just like the Rockabilly, and the exclusive interior in the sleeping area, kitchen and bathroom satisfies the most discerning requirements where comfort and functionality are concerned.

TOURING 60 EDITION

# MADE OF STEEL, ALUMINIUM AND TRADITION. THE ERIBA TOURING 60 EDITION.

Welcome to a success story that was started over 60 years ago by Erwin Hymer and Erich Bachem, and has made ERIBA what it is today – one of the most popular and successful brands for discerning caravanners. To mark our anniversary, there is now another reason to celebrate thanks to a very special model: the ERIBA Touring with many new features and highlights at a highly attractive price. Write your own chapter of this success story!

## Easy to maintain, hard to beat.

Looks good, feels good: the surfaces of the worktop and tabletop are modern and yet easy to clean thanks to an anti-finger-print coating.

## High comfort, deep sleep.

Travelling doesn't have to mean compromising on sleeping comfort. In the ERIBA Touring, restful slumbers are guaranteed thanks to cold foam mattresses with soft drill covers. Simply dreamy!

## Space for comfort, room for adventure.

Incredibly inviting: the bright, modern GRAND OAK furniture style collection has been beautifully combined with white, high-gloss locker doors and chrome handles. It is the perfect match for the plain-coloured fabrics, which are particularly striking on account of their sophisticated, modern button design. Unparalleled seating comfort is ensured by the comfortable cushions, which feature a high backrest and lumbar support.

# GO TO EXTRA LENGTHS TO RELAX. THE ERIBA TOURING 820.

up to 4 people | max. weight 2.8 t | length 8.48 m

The ERIBA Touring 820 leaves nothing to be desired – and offers room for big dreams and even greater expectations. Do without nothing – especially not the freedom to take everything with you wherever you go. The ERIBA Touring 820 impresses with its extraordinary size and modern appearance with its roots in the design philosophy of 1957. The proven steel cage construction with smooth metal in Crystal Silver has been extended to incorporate two large panoramic windows. Enjoy the view – during your holiday and on your next journey.

# EVERYTHING. EXCEPT NORMAL.

## THE AERO DESIGN

The ERIBA Touring 820 is also based on the proven AERO design with its typical aerodynamic shape and rounded edges. The body shape – unique in caravan construction – boasts a timeless elegance and comes with numerous benefits: lower air resistance for better fuel economy, much improved driving safety and optimal roadholding characteristics.

## SMART HOME

Control via Bluetooth or remotely with the ERIBA Smart Home App – turn on the heater while on the ski slopes or activate the air conditioning while enjoying a sundowner on the beach. You can also call up information on fluid levels, battery status and temperatures easily and conveniently

## STORAGE SPACE

Perfect use of space: there is plenty of easily accessible storage space under the generous V-shaped bed. For example, we have even put a lot of thought into the coffee machine – the coffee machine pull-out tray and capsule holder are neatly stowed yet always close to hand.

## HEATER

Plan your trips regardless of the weather. Camping is in season all year round in the Touring 820 – thanks to the hot-water heater and hot-water floor heating you can also travel comfortably in winter.

## SUPPORT JACK SYSTEM

The hydraulic support jack system with automatic levelling makes levelling the caravan a breeze. So convenient, so easy.

## DESIGN

Perfectly designed inside and out – the generous front and rear windows provide a fantastic 180° panoramic view and a comfortable feeling of freedom. But don't take our word for it – the ERIBA Touring 820 has been awarded international design prizes such as the Red Dot Design Award. Still not convinced? Then see for yourself!

## LIGHTING CONCEPT

The lighting concept with dimmable light zones and variable accent lighting helps to create a cosy ambience.

Note: some of the equipment shown is optional and depends on the model range/layout.

# EXTEND YOUR HOLIDAY. BY 8.48 METRES.

If you find yourself walking on air when you arrive at your holiday destination, there is a good reason for this. The ERIBA Touring 820 combines absolute freedom with a pleasant feeling of safety and comfort. A pleasure to drive: the special design improves the vehicle's aerodynamics, ensuring optimum roadholding characteristics. On every road.

### Extraordinary kitchen design: kitchen window in porthole style.

An eye-catching feature with a great view – directly above the kitchen worktop there is a practical and attractive kitchen window in a new, rounded design. In the kitchen you will discover a particularly well thought-out floor plan with numerous practical storage compartments, high-quality drawers and plenty of room to conjure up culinary delights.

### Perfect for every mood: the lighting concept.

The ERIBA Touring 820 features an innovative lighting concept with dimmable light zones and variable accent lighting. The flexible spotlights in the front and rear not only create the right lighting mood, but also offer practical functionality thanks to integrated USB charging ports.

## Count stars instead of sheep – in the sleeping oasis with panoramic windows.

Big days follow a restful night's sleep. This is ensured by the particularly large bed surface, which offers more than enough room for two. The wide, tinted panoramic windows blur the lines between indoors and outdoors and create a profound sense of freedom. Enjoy the view!

## Pure luxury: the comfort bathroom with separate shower room.

Privacy as standard – to ensure you can enjoy optimum comfort in private, the caravan includes a spacious bathroom with separate shower room.

## Room aplenty – with lots of practical storage space.

Leave nothing behind – the practical storage space concept ensure you will always have everything you need, wherever you go. And so well stowed you will forget it's even there!

# DON'T FORGET TO MAKE IT PERSONAL.

## SMART BATTERY SYSTEM

Always stay connected: thanks to the Smart Battery System (135 Ah lithium), the third AGM living area battery (95 Ah) and the 12 V to 230 V inverter, you will be self-sufficient for longer while enjoying additional comfort.

## ON-BOARD ENTERTAINMENT

Perfect for rainy days – enjoy a good film, just like at home. This is guaranteed by the multimedia package with 32" LED TV, the DSP box, a DAB+ radio and digital satellite antenna.

## MOVER WITH REMOTE CONTROL

Everything in the palm of your hand – the handy Mover permits electric engagement and disengagement to the vehicle – easily via remote control.

# IT'S THE INNER QUALITIES THAT COUNT!

# ROOM FOR YOUR PERSONALITY.

FEELING | NOVA LIGHT

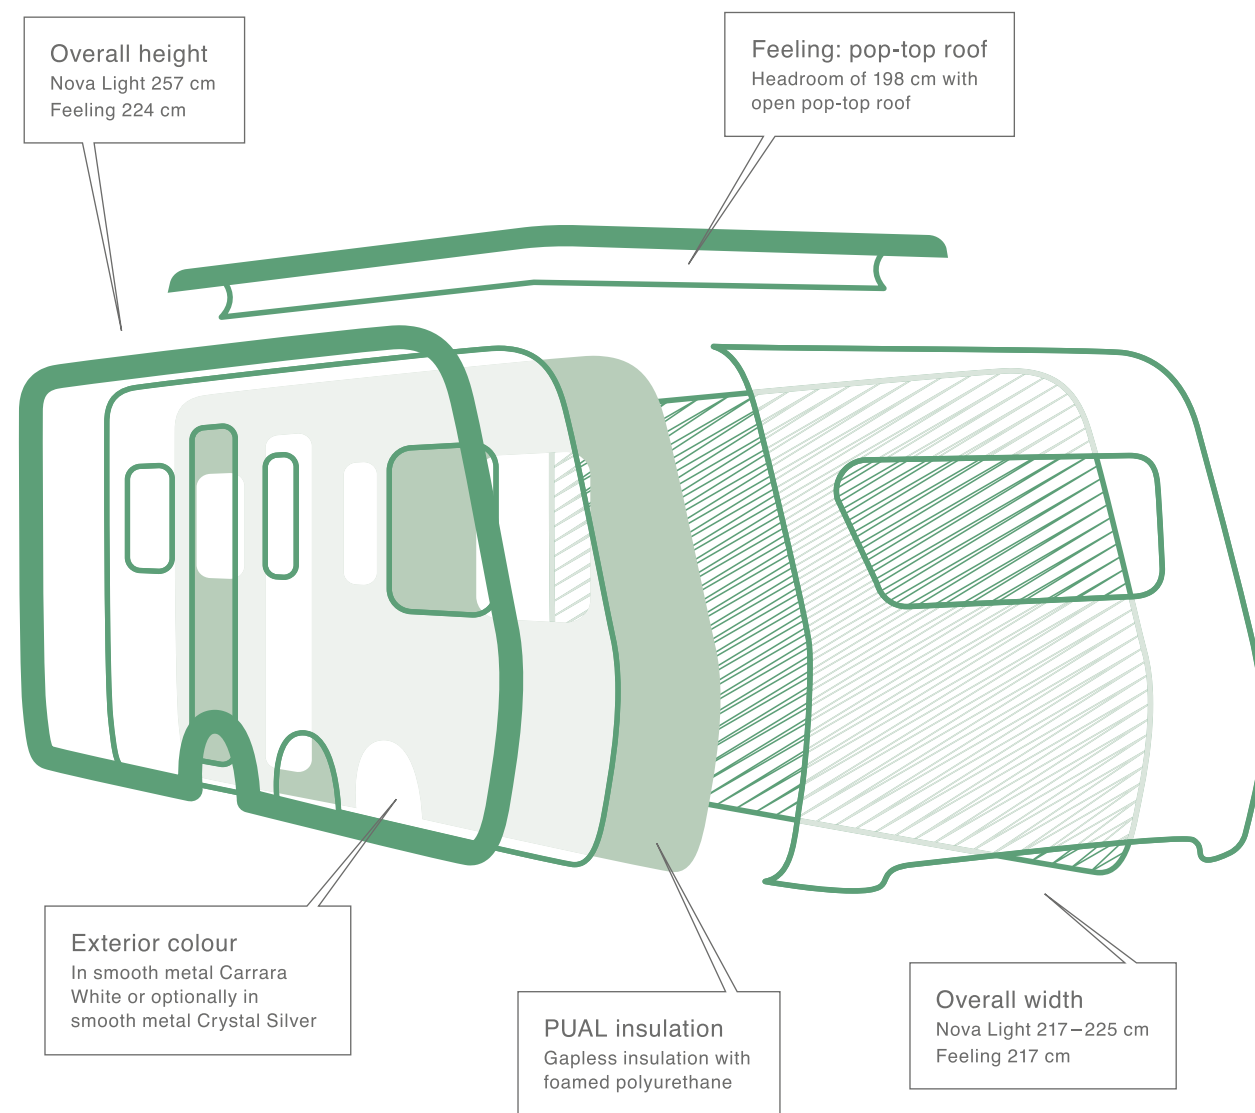

# GIVE YOUR SENSE OF ADVENTURE A HOME.

up to 5 people | max. weight 1.5 t | max. length 6.67 m

Ready for a holiday feeling that starts before you even hit the road? The light and manoeuvrable ERIBA Feeling and Nova Light models ensure the excitement starts building while you are still packing. Thanks to the storage space, headroom and low dead weight, there is plenty of room for luggage – and for individual wishes. You hardly need guess how comfortable the journey will be, because the seating and sleeping areas speak for themselves. Get ready for amazing adventures and new memories that will last forever!

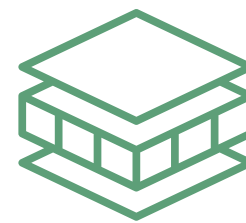

# HIGHLIGHTS AS STANDARD.

## THE PUAL BODY SHELL

Developed back in 1987, the excellent insulation provided by the closed-cell PU foam still guarantees a comfortable temperature in summer and cosy warmth during the colder months. The PUAL side walls consist of an aluminium outer skin, a foam core and a high-quality plywood interior wall.

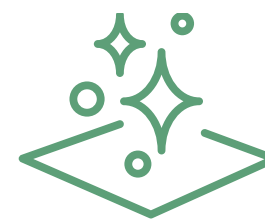

## INSULATION

Warmer? Cooler? No, it's just right! The PUAL design ensures an optimum temperature and comfort thanks to gapless insulation.

## LARGE PAYLOAD RESERVES

The caravan benefits from the largest possible payload thanks to its all-round lightweight construction. Payloads of up to 490 kg are possible depending on the model and equipment level. So you can enjoy a holiday without compromise.

## EASY TO CLEAN

Cleaning up while on the move is child's play. Thanks to upholstery stain protection and anti-fingerprint surfaces on the worktop and table, the ERIBA Feeling and Nova Light models are particularly easy to clean and very family-friendly.

## POP-TOP ROOF

The optional pop-top roof offers enough space for two additional occupants and is therefore ideal for families. The canvas pop-top roof also creates a pleasant climate inside the caravan. Cosiness begins in bed.

## SMALL TOWING VEHICLES

More room for your big plans – thanks to their compact dimensions and low total weight, the ERIBA Feeling and Nova Light are also ideal for small towing vehicles and category B licence holders (passenger cars).

## STORAGE SPACE

Compact dimensions, perfectly thought-out: the all-round overhead lockers and intelligent space solutions ensure you always have everything you need with you – and space for even more.

Note: some of the equipment shown is optional and depends on the model range/layout.

# TRUE GREATNESS COMES FROM WITHIN.

Wherever your journey takes you – these two ERIBA models always ensure comfortable well-being and freedom of movement. The compact ERIBA Feeling is notable for its low chassis and convinces with a spacious interior as well as a pleasant climate thanks to the pop-top roof. The ERIBA Nova Light impresses with its generous headroom. And its extremely low dead weight means it can carry a seemingly limitless amount of luggage. The comfortable seating and sleeping area help you to enjoy relaxing dreams. Even with your eyes open.

## SINK COVER

The clever sink cover provides additional storage space and features an integrated chopping board for extra convenience. It is therefore perfectly tailored to your kitchen requirements.

## ANTI-SKID SYSTEM

Safer on the road: the anti-skid system ensures that your ERIBA Caravan rights itself by braking gently and does not swerve out of lane.

## AWNING

The extremely lightweight articulated awning fits to the curve of the roof in a compact manner without making the caravan any wider. It is not only extremely practical, but also looks great.

## POP-TOP ROOF

The pop-top roof not only gives you two additional berths, but is always a breath of fresh air for the ERIBA feeling. Easily turn your compact caravan into a family holiday home.

# STANDS FOR TRADITION. TRAVELS IN STYLE. THE ERIBA NOVA.

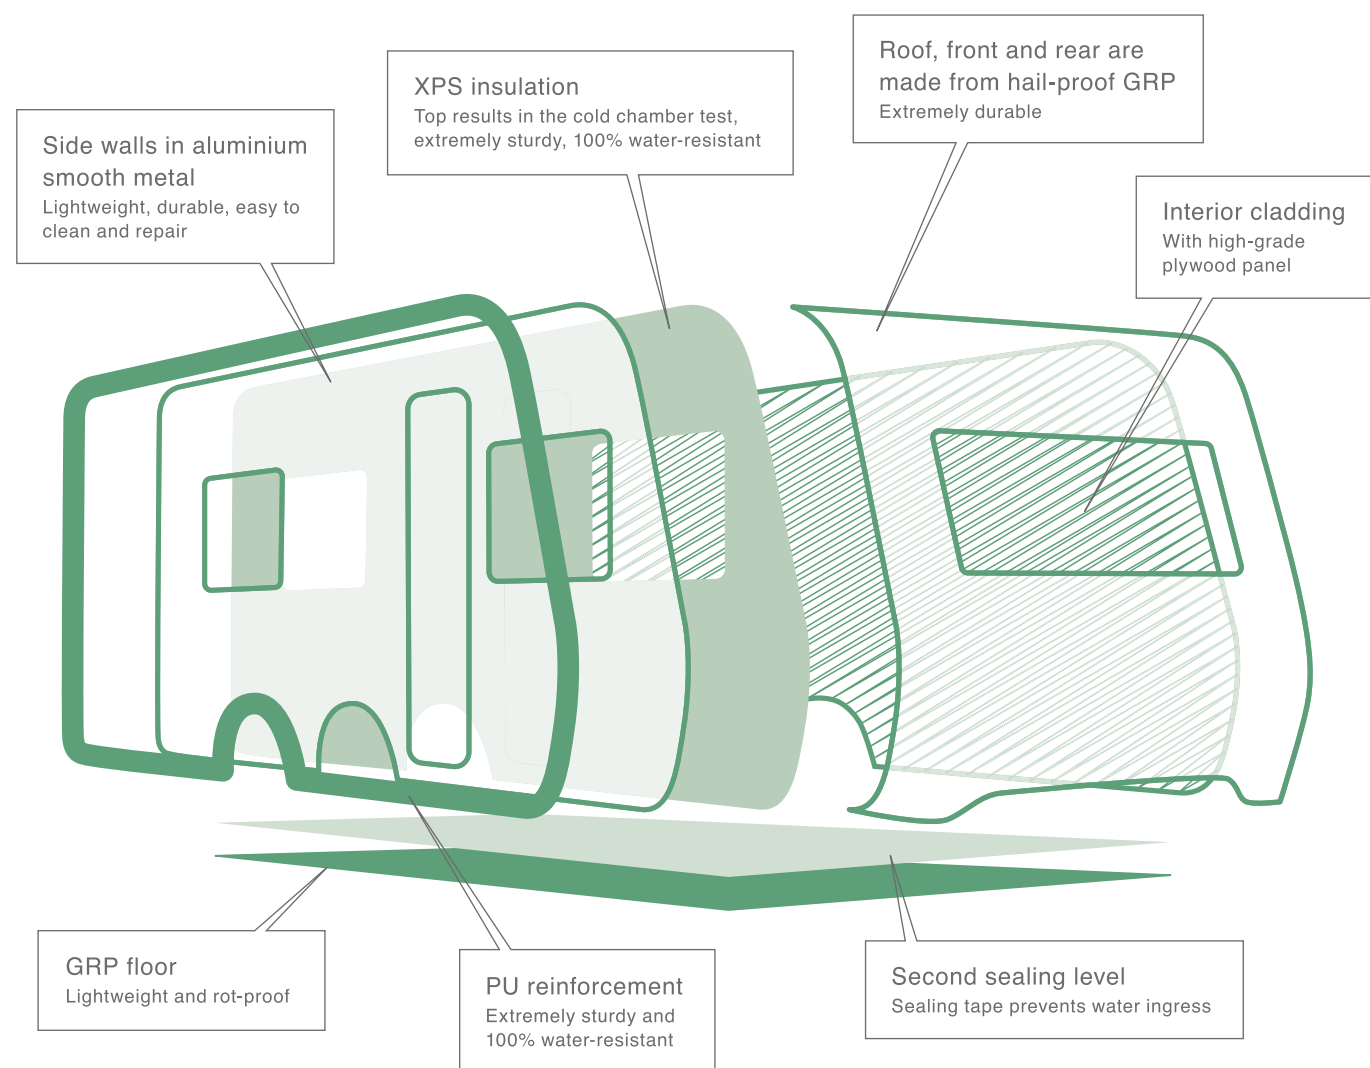

up to 8 people | max. weight 2.5 t | max. length 8.35 m

Mountains, ocean or both in one trip? Wherever the road takes you, with the ERIBA Nova the journey is the destination. Our popular Premium model range has been completely revised from the ground up and ensures maximum comfort even before your adventure begins. Thanks to two different equipment options – TREND and AMBIENCE – as well as numerous customisation options, you can make your caravan feel as individual as your holiday.

# THE HIGHLIGHTS IN THE SPOTLIGHT.

## THE ERIBA CLIMADUR BODYWORK

The ERIBA Nova models achieve the best insulation values in the cold chamber test thanks to their innovative CLIMADUR design. This includes water-resistant and extremely durable PU reinforcements as well as the XPS insulation. The lightweight and rot-proof GRP floor, as well as the GRP roof, front and rear, provide reliable protection against hailstones and also contribute towards the durability and stability of the bodywork. Integrated expanded metal inserts guarantee a secure fit for the screw connections.

The lowered awning rail and side walls made of aluminium smooth metal also underpin the premium design of the caravan.

## STORAGE SPACE

The ERIBA gives you even more comfort and space within the same dimensions. Clear storage spaces, large overhead lockers and the cellar space below the beds and seating ensure a huge amount of additional storage as standard.

## LIGHTING CONCEPT

The lighting concept with dimmable light zones and variable accent lighting helps to create a cosy ambience.

## SMART HOME

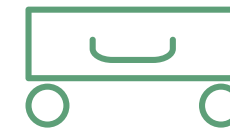

The ERIBA Smart Home system leaves nothing to be desired where functionality and comfort are concerned. All of the caravan's main functions can be easily controlled via the modern TFT display above the entrance door.

## ENTERTAINMENT

The optional ERIBA multimedia package includes a 32" LED TV in the living area as well as a two-speaker radio entertainment system and a digital satellite antenna.

Note: some of the equipment shown is optional and depends on the model range/layout.

## SOFT-CLOSE

All kitchen drawers are roller-mounted for an ultra-smooth action. They feature high-quality Servo soft-touch closing mechanisms and one-hand easy-locks, which prevent the drawers from opening and rattling while the vehicle is in motion.

## HEATER

The optional hot-water central heating system for the ERIBA Nova guarantees a warm and cosy interior for an unrivalled level of comfort without any draughts. Thanks to the convector heaters integrated in the furniture, air can circulate freely and imperceptibly, ensuring a uniform temperature distribution. Combined with the hot-water floor heating, you couldn't be more snug.

- Can be controlled via the ERIBA Smart Home app
- Two 230 V electric heaters for quick heating
- Top score in the cold chamber test
- Concealed installation
- Integrated hot-water boiler (also makes efficient use of the heating energy)

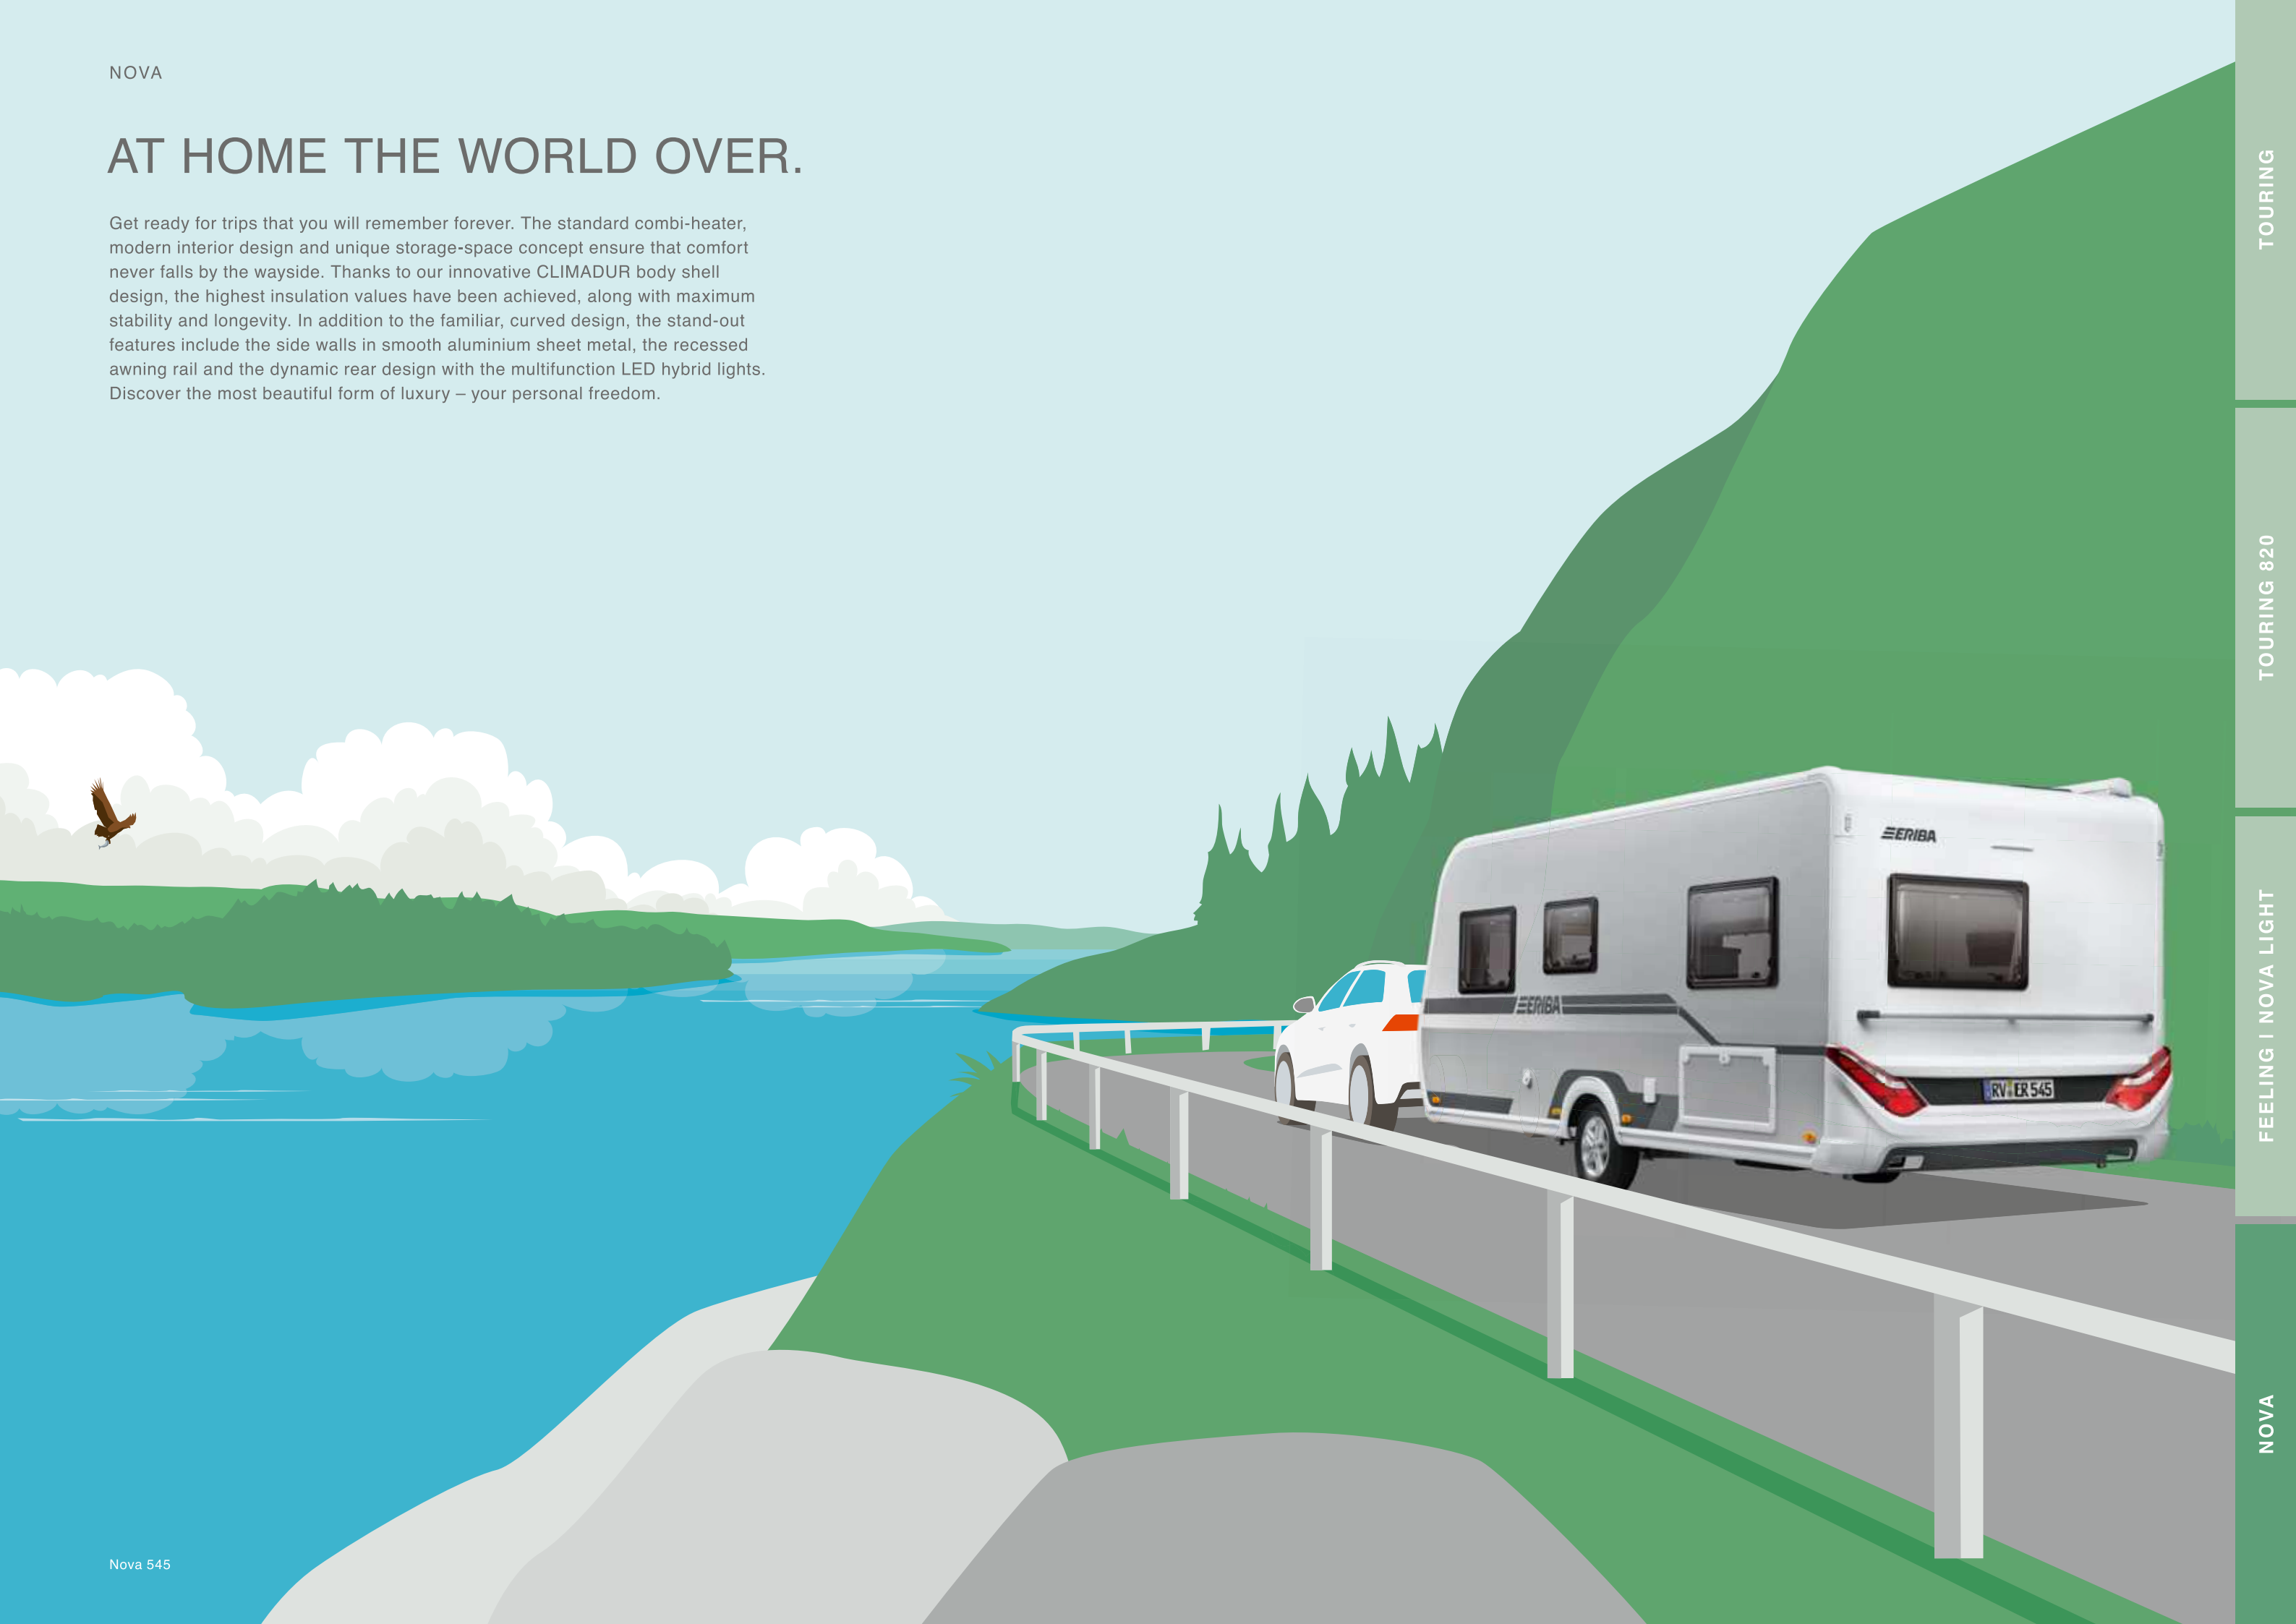

## COMFORT SLEEPING SYSTEM

Multi-zone cold foam mattresses offer many advantages when it comes to ensuring a comfortable night's sleep. The ERIBA comfort sleeping system includes a high-quality EvoPore mattress to ensure precise counter-pressure for every part of your body, helping to ensure a pleasant and restful sleep.

# AT HOME THE WORLD OVER.

Get ready for trips that you will remember forever. The standard combi-heater, modern interior design and unique storage-space concept ensure that comfort never falls by the wayside. Thanks to our innovative CLIMADUR body shell design, the highest insulation values have been achieved, along with maximum stability and longevity. In addition to the familiar, curved design, the stand-out features include the side walls in smooth aluminium sheet metal, the recessed awning rail and the dynamic rear design with the multifunction LED hybrid lights. Discover the most beautiful form of luxury – your personal freedom.

Our recipe for the perfect kitchen.

The large kitchen with plenty of storage space ensures you will always think twice before dining out. After all, thanks to the plentiful storage options, you have everything you need to show off your cooking skills – anywhere, any time.

We reserve the right to modify the equipment or make product improvements during the course of the model year. Before signing a sales contract, please ask one of our authorised ERIBA dealers about the current product and series status. Some vehicles include optional extras which are quoted in the current price list and are available at extra cost. The pictured decorations are not included in the ERIBA scope of delivery. The details of scope of delivery, appearance, performance, dimensions and weights are valid at the time of going to press (deviations within the factory tolerance limits (max +/- 5 %) are possible and permissible). This data complies with European homologation regulations, which may change up to the time of vehicle purchase or delivery. Your ERIBA dealer will gladly provide you with information on any changes and the standard scope of delivery.
