Junior Club Rules

Thongsbridge Cricket Club is fully committed to safeguarding and promoting the well being of all its members. The club believes that it is important that members, coaches, administrators and parents associated with the club should at all times, show respect, be encouraged to be open at all times and to share any concerns or complaints that they may have about any aspect of the club, with the Junior Section Manager/Coach.

As a member of the club you are expected to abide by the general rules of the club, our code of conduct for cricketers and by the following club rules:

- All members must play cricket within the laws and spirit of the game.
- All members must respect colleagues, opponents and officials. Do not make derogatory comments or gestures about your colleagues or opponents. Never try to intimidate the opposition by threats or excessive triumphalism.
- Be polite to umpires and respect their decisions. **Do not show dissent.** Do not throw tantrums or cricket bats. Such behaviour invites sanctions from club officials.
- Members should keep to agreed timings for practice and matches or inform their coach or team manager at the earliest possible opportunity if they cannot play or are going to be late.
- All members must wear appropriate kit, properly. Cricket whites and suitable trainers or cricket shoes should be worn for matches but tracksuits are permitted for practice.
- All players under 18 must wear helmets when batting and when standing up to the stumps when wicketkeeping.

Code of Conduct for Club Officials and Coaches

The essence of good ethical conduct and practice is summarised below. ALL Officials and Coaches must:

- Consider the well-being and safety of participants before the development of performance.
- Develop an appropriate working relationship with performers, based on mutual trust and respect.
- Ensure all activities are appropriate to the age, ability and experience of those taking part.
- Promote the positive aspects of the sport (e.g. fair play).
- Display consistently high standards of behaviour and appearance.
- Follow all guidelines laid down by the national governing body and the club.
- Never exert undue influence over performers to obtain personal benefit or reward.
- Never condone rule violations, rough play or the use of prohibitive substances.

Code of Conduct for Parents/Guardians

- Encourage your child to learn the laws of the game and to play within those laws.
- Discourage unfair play and disputes with officials/coaches.
- Help your child to recognise good performance, not just results.
- Never force your child to take part in any sport
- Set a good example by recognising fair play and by applauding the good performances of all.
- Never punish or belittle a child for losing or making mistakes.
- Publicly accept the judgement of officials without argument or comment.
- Support your child's involvement and help them to enjoy cricket and to develop within it.
- Use correct and proper language at all times.
- Do not forget that children are involved in organised sport for **their** enjoyment and **not yours**.
