WELCOME TO PARKSIDE

CRAIG JOHNSON

Good evening, and a warm welcome to Parkside for tonight's , Velocity Cup Group 2 match. Tonight, I am pleased to welcome the Officials, Management and Players of Waltham Abbey Football Club, for a game that was originally scheduled to be played at Capershotts, however with the leagues permission the game was switched here at the request of our opponents tonight. Also, a warm welcome to our Match Officials, who we hope to have a good game, enjoy our hospitality, and have a safe journey home.

On Saturday we experienced the highs and lows in 90 minutes of football in our excellent result against last season's North Champions Bowers & Pitsea. Off to a great start with an Alex Akofri finish, pouncing a rebound to fire us in front on 5 minutes. Jason Raad then floated over an innocuous free kick from wide on 20 minutes, only for the usually reliable Callum Chafer in the Bowers goal to carry the ball backwards and over the line. 2 up and looking in control.

No, it's never that simple at Parkside. James Goode who saw yellow after 10 minutes, then doubled up and it was 10 men for 68 minutes. Not letting that affect us, George Allen was denied at point blank range by the Bowers custodian, and then on the stroke of half time a Raad corner was pin balled around the 6 yard box, before ricocheting off a Bowers defender and over the line to give us a commanding interval lead.

The second period was fairly even, with both teams cancelling each other out, and then with seconds left George Allen fell awkwardly on his elbow, and ouch it looked painful, stretcher and the Referee blew for full time. Taking the gloss off what was a very accomplished performance against higher league opposition.

As the emergency services (aptly named) indicated an ambulance would not be available for 5 hours, a big shout out to the supporter who came forward and took George to hospital in his campervan.

News from the hospital on Saturday evening, was George has dislocated by both in his arm, was sedated and they have repositioned them, and he is in a cast. We wish George a speedy return to action, although the initial diagnosis at the moment is it's likely he will be side-lined until around Christmas.

Let us hope for far less drama tonight in what is Waltham Abbey's last game in the group. Should we be successful this evening then it potentially set up a group decider here v Barking in 3 weeks for a place in the last 32.

Today's draw has paired us with a long trip to the winners of the drawn tie Saturday, Taunton Town or Wimborne Town. The match is Saturday week, the 9th November. We will be running a coach to this game with details to follow. I would suggest you get your name down quickly as we are expecting quite a bit of interest. This means that our league game at Canvey Island has been re-arranged, with Saturday 21st December as the new date.

Saturday, we see the return of Heybridge Swifts, after their play-off semi - final win here last season and subsequent winning of the play off final, but no promotion. I am sure that will bring back a few memories, and hopefully a score to settle!

Friday, our 18's travel to Croydon Arena, for there FA Youth Cup 1st Round tie. The draw for the second round was made on Friday and has paired the winners with a home tie against either Bath City or Andover. Not the best given the amount of league clubs in the competition, however, the victorious club that comes out on top will be in the hat with the likes of Liverpool, West Ham and Newcastle.

Back to tonight, enjoy the game, and hope to see you Saturday , for the revenge of 'The Swifts'.

Come on you Millers!

Craig

CLUB HISTORY WALTHAM ABBEY

Waltham Abbey Youth Club, based in Waltham Abbey, Essex, first played football at "Capershotts" during the Second World War and in later years the club became known as firstly Waltham Abbey, then Abbey Sports. Both clubs gained numerous honours in the Northern Suburban League.

The club was founded in 1944 with a mix of players from Waltham Abbey Youth Club and former juniors from Tottenham Hotspur under the leadership of the trainer and manager Wally Hickman. The secretary was Mo (Maurice) Ward. The President was Capt. Larkin.

In their early years they played to a high standard and reached the final of the Herts Junior Cup in three years out of four but lost on each occasion – including a loss to Redbourn Rovers of 4–5 after they had been leading 4–1. Some of the leading players in the early years included left winger Dave Cook who was killed in a road crash, centre-half Robbo Robinson and inside forward Frank Blower. Frank later became a dedicated treasurer of the club with Ray Buck as a similarly dedicated club secretary.

Waltham Abbey United emerged in the late sixties and a new clubhouse was built. In 1974 the club amalgamated with the successful Beechfield Sports and joined the Metropolitan League, which later became the London Spartan League.

In 1976, the club won the Essex Junior Cup and later that summer dropped the Beechfield Sports tag on the advice of The FA. Two years later the club reached the final of the Essex Intermediate Cup and won the league's Division One title, and, having gained Senior Status, were promoted. In their first season they won the title without losing a game and were again promoted this time to the Premier Division where they remained until season 2000–01.

Recent seasons have seen a lot of changes on and off the pitch with floodlights being installed in 1990 and the ground levelled. A great amount of work has been done around the clubhouse and a 200-seater stand built. A number of seats were purchased from Manchester City's old Maine Road and these were installed during the summer of 2005 as the club strived to improve facilities on and off the field and move up the non-league pyramid.

On 2 May 2009, the Abbott's capped off a successful 2008–09 season by beating Concord Rangers 5–4 on penalties after a 1–1 draw to win the Isthmian League Division 1 North Play-offs. They played in the Isthmian League Premier Division for the first time in their history in 2009–10. However, despite winning the last two games of their season, they finished 21st and were relegated back to Isthmian League Division 1 North for the 2010–11 season on goal difference.

In 2011 John Martin was elected Chairman and in subsequent years has transformed the ground and facilities. A new pitch with professional irrigation system has been laid 3 times with the surface now the envy of many a grass pitch in the league. A new car park has been laid, replacing the old shingle, a long overdue addition. In 2019 it is expecting new changing rooms will be completed with a new clubhouse pitch side the next project.

LAST TIME WE MET AVELEY 1-3 WALTHAM ABBEY

MONDAY 2ND OCTOBER 2017 | ISTHMIAN NORTH LEAGUE

The last time we met Waltham Abbey doesn't bring back any fond memories after this loss, The Millers were left in the bottom three after 5 losses from the first nine games of the season under former Manager Terry Spillane in our first season at Parkside.

We started the game poorly and now Miller shad Ngandu opened the scoring after he latched onto a flick on by Chris Assombalonga and passed the ball under Rhys Madden in our goal. Aveley 0-1 Waltham Abbey.

The Abbey doubled their lead five minutes after their first and it was Chris Assombalonga who pounced on a loose ball in the Aveley area and smashed the ball into the top left hand corner. Aveley 0-2 Waltham Abbey.

Half Time | Aveley 0-2 Waltham Abbey.

The game was ended as a contest ten minutes from time as Rimmel Daniel fired past Madden from the edge of the area after a cross wasn't cleared. Aveley 0-3 Waltham Abbey.

We did however have one thing to cheer about as Billy Coyne scored from the penalty spot three minutes from time.

Full Time | Aveley 1-3 Waltham Abbey.
