

CASH PRIZES

The prize money will be 50% of all money received.

There will be 3 bonus draws, one in December, one in April and the Super prize draw in July.

How does the Monthly Draw work?

When you join the Monthly Draw, you'll be given a unique number.

Each month - as long as you have paid your subscription - your number will be entered into the draw.

If your number is drawn, congratulations - you're a winner! It's as simple as that!

The monthly draw will take place before the last day of each month, at the nearest home game before each month ends or at a Board meeting.

How much does it cost?

To be a member of the Monthly Draw, it costs just £10 per month per ticket. There is a limit of ten numbers per person per month.
