

## **PLAYER REGISTRATION 2021**

### **YORKSHIRE JUNIOR LEAGUE YORKSHIRE MENS LEAGUE**

All players must be registered with the RFL on LeagueNet (SportsTG) for the 2021 season.

For most of you this will be a straightforward re-registration, taking a couple of minutes.

**Do not create a new player record** if you/your child has previously been registered on LeagueNet (SportsTG) as this will delay your registration.

Please find the Player Registration links below for both the Yorkshire Junior League and the Yorkshire Mens League, as well as a link to the RFL registration tutorials and help guide.

#### **RE-REGISTERING PLAYERS**

- Players under the age of 18 that were previously registered with Keighley Albion will require their parent/guardian to re-register them for the 2021 season.
- The same e-mail address used to create the 2020 player record must be used.
- If your email address has changed, please do not try to create a new player record with your new e-mail address, this could result in a duplicate player record and will delay registration
- The player record and RFL ID no. should be shown highlighted in a grey box (you may need to scroll down to see this). Please click on the box, update the online registration form with any information that has changed, ensuring all mandatory fields are completed.
- New player photos are not mandatory but can be updated if required.
- Please remember to click on 'CONFIRM' to update your registration.

#### **NEW PLAYERS**

- All new players will be required to register an account on LeagueNet (SportsTG).
- Players under the age of 18 will require their parent/guardian to register them.
- Complete all mandatory fields and upload proof of ID and a player photo.
- The RFL will approve all new player registrations – this is a system requirement and allows confirmation of a players age.

#### **PLAYERS TRANSFERRING TO KEIGHLEY ALBION**

- If you have previously been registered with another rugby league club on LeagueNet (SportsTG), then Keighley Albion will initiate the transfer process.
- You will receive an e-mail notification with a link. You must click on the link & update the information required to complete the transfer.

If you have any questions or problems during the registration process, please contact your Team Manager in the first instance.
