

Pink Day 2022 is coming!

After the break last season, Newbury RFC is holding its **7th Annual charity 'Pink Day'** on **Saturday, 19 February**, when the Blues take on current league leaders, Banbury and the Stags host Banbury IIs.

During the afternoon we'll be raising funds **in aid of Cancer Research UK**; and also this year, for the local charity the **Volunteer Centre West Berkshire**.

There'll be a **Raffle** with an assortment of lots of lovely prizes and the **'Pink Ladies'** will be rattling their **Coin collection buckets** in an effort to part you from your spare change (please bring cash!)

So dust off your **Pink** shirts, jumpers, socks or frocks (Pink Oddballs bobble hats will be on sale on the day) and come along to join in the fun in support of these two great causes,

Please note that on this occasion, the **Blues match** will have an earlier than usual **Kick-off time of 2.00pm**; so the Gates and Bar will be opening from 11.45am, with pre-match Lunch being served at 12.30pm.

There are spaces available for Geoff-the-Chef's special Steak & Ale pie with dauphinoise potatoes and seasonal vegetables; followed by our sensational Cheeseboard: all for just £16pp.

Please book by midday on Wednesday 16 February by calling the office on 01635 230023 or email reception@newburyrfc.org.uk.

Get the date in your diary and watch this space for more details of what's happening in a few days' time.

Thank you,

Christine

Secretary, NRFC
