Risk Assessments:

Where it is suggested that an assessment should be carried out best practice is set out in the Regulation 15 Guidance. The key points to consider are:

- The ultimate consideration must be for the welfare and safety of the player and those with whom the player will be playing.
- 1. There has and will be clear communication with all those involved in and affected by the decision including the opposition team.
- 2. The following aspects must be taken into consideration when making the decision:
 - i. The physical development of the individual and the player's playing colleagues
 - ii. The skill level and experience of the individual
 - iii. The individual's playing position in the team
 - iv. The competitive standard of the particular match and playing conditions.
