

# RUGBY FOOTBALL UNION PRESENT THEIR FIRST RUGBY TEAM PHYSICIAN COURSE

**ARE YOU A DOCTOR WORKING AT ALL LEVELS OF RUGBY, OR WHO WOULD LIKE TO START WORKING IN RUGBY?**

## **TWO DAY COURSE**

- Develop/enhance the practical skills you need to be a rugby team physician.
- Learn management of common rugby injuries after any pitch-side immediate care has been delivered.
- Engage with elite level England Rugby team practitioners and external specialists. Hear their experiences through interactive sessions based around plenary lectures and case based discussions.
- 75 delegates sharing new knowledge, challenging each other in open discussions.

## **INFO**

- **12-13th October** at Twickenham Stadium
- £300 - Includes a course dinner at the end of the first day. (Excludes accommodation.)

**IF YOU HAVE ANY QUESTIONS ABOUT THE COURSE PLEASE CONTACT [KATYHORNBY@RFU.COM](mailto:KATYHORNBY@RFU.COM)**
