

# Woodley United Girls need you!!

**We are looking for girls  
from Years 1-5 who love to  
have fun and want to make  
new friends whilst learning  
some new football skills 🏆**

We offer a fun and friendly weekly session to introduce the girls to the game and boost confidence.

The aim of our Saturday sessions is to have fun, build the girls up, equipping them with confidence and decision making ability. Giving them the skills needed to begin playing as a team in tournaments or matches.

For more information on how your daughter can get started or to come along for a taster session please contact Amy by email:
