This allows parents and players to update their details and affiliate with their own club each year. If you have already been registered on the RFU GMS database, you will have login details. If our club has previously registered you on GMS we will be able to provide you with login details or send you an email confirmation via the system.

Important: GMS Player Registration will not complete until you validate your email address.

Detail & Link to GMS can be found on our club Website. Membership of our Website is not ERFC/GMS Membership.
