Dear Volunteers

We wanted to address you directly and say a huge thank you. Without volunteers we would not have so many of the things we take for granted at the club. The commitment of time and skills is awe inspiring and makes us want to put in more ourselves.

It is often the unsung volunteers who keep so much of a club ticking. So whether you have cooked food for an age grade, picked up a brush to sweep the hall or the patio, or been on a litter pick around the grounds, or so many other tasks that have to be done, you have our thanks and respect.

The club belongs to us all and we firmly believe the more you put in to it the more you will get out of it, yes a little cliched but definitely true. This past season it has been a pleasure to see so many more people do so many tasks and come forward to ask what they can do.

Whilst we offer our thanks I am sure we speak for all of the players, in all of our teams, who enjoy such great commitment.

Yours in rugby
