MEN'S & WOMEN'S PLAYER SPONSORSHIP OPPORTUNITY

2022/2023 SEASON

Our Player Sponsor Programme offers you a great opportunity to directly support players in the senior men's & women's squads, and to help us to attract, retain and develop players of all abilities and ages to reach their full potential and truly enjoy playing rugby.

Our vision is to be a club where members and guests can make lifelong friendships through the playing and enjoyment of rugby and our 1st XV's are seen as the 'senior' playing squads throughout the club and provide inspiration to other players across all ages and abilities.

For many seasons, the player sponsorship and support programme has contributed to fielding competitive and social senior teams (few clubs in Hertfordshire can do this). It has helped the club to compete successfully in the RFU leagues, to challenge in cup competitions as well as funding a high-quality player experience and performance analysis platform.

As we move into the 2022/2023 season your continued support will be essential in maintaining the environment and standards that we currently offer and support the progress of all our players on and off the pitch.
