Just outside of Witney and approximately 12 miles west of Oxford. The club are currently members of the Southern Football League. Home fixtures are played at the Eynsham Hall Park Sports Ground, situated in the grounds of the Eynsham Hall Estate.

Season 2022/23 is finally here and the Millers cannot wait to kick off this historic debut season of Step 3 football at Eynsham Park. **"TO BE THE BEST THAT WE CAN
BE..... BY MAKING BRILLIANT
THINGS HAPPEN ON AND OFF
THE PITCH AND CREATING A
REWARDING AND EXCITING
FOOTBALL ENVIRONMENT.
WE WILL BRING PASSIONATE
PEOPLE TOGETHER, AND
STRENGTHEN OUR CLUB, AND
THE LOCAL COMMUNITY."**

Our vision is to see North Leigh Football Club participating successfully in the Southern Football League and the wider nation league system. In addition to expanding our footballing reputation within the surrounding west oxfordshire community.

The future we envisage is of an inclusive, successful and commercially sustainable football club. Being run by

fans, for fans. Operating as a centre of football excellence. Used and frequented by all sections of our local community.

We seek to operate as an integral part of the local area, helping to meet societal needs in terms of social inclusion, health and well-being and education. We will have close links with other community and sporting organisations, with the profile and brand image of the club benefitting our locality and catchment areas as well as the club itself.

Our strategic objectives, therefore, are:
A) Promoting sustainability; to build a sustainable, income generating club, run as a business, improving football-related and non-football commercial income to sustain our sporting core success.

B) Promoting excellence through building a competitive senior First team. In support, the club will enhance and improve its youth football provision through increased accessibility and academy programme.

C) Promoting football for all through increased opportunities for all young people, those with disabilities and whom are less advantaged. To promote 'grassroots' football within the community and under-represented groups to grow the 'MILLERS FAMILY'.

D) Social inclusion: to cement the place of North Leigh FC as a central club at the heart of community, a focal point to the local area, its people and families.

HISTORY

NORTH LEIGH WAS FORMED WAY BACK IN 1908, BUT IT WAS ONLY FOLLOWING THE SECOND WORLD WAR THAT THE CLUB BEGAN TO MAKE ITS MARK IN LOCAL FOOTBALL AND THE WITNEY AND DISTRICT LEAGUE. HOWEVER, IT WAS NOT UNTIL THE EARLY 90'S THAT THE CLUB TOOK THE STEP UP FROM VILLAGE FOOTBALL AS IT SECURED A PLACE IN THE HELLENIC LEAGUE DIVISION 1 AND STEP 6 FOOTBALL.

The club established itself quickly within the Hellenic League and found itself competing at the top of Division 1 immediately. Promotion was secured in its third season after finishing runners up to Tuffley Rovers and securing a place in the Hellenic League Premier Division.

Come the Millennium and the club had become an established Step 5 side. Season 2001/02 was without doubt one of the most successful in the club's history, the club succeeding in winning the Premier Division title for the very first time. 2002/03 season saw the club retain the title once more, but with the Eynsham Park ground at this stage still not up to required standard, the club remained at Step 5.

THE CLUB ENJOYED A POSITIVE DEBUT SEASON IN THE HELLENIC LEAGUE, FINISHING IN 4TH POSITION AND BEING THE DIVISION'S HIGHEST GOAL SCORERS

HISTORY

Everything came together for the club's centenary year though and in a truly magnificent finish to the season, the team overhauled the long-term leaders of the division, Almondsbury Town in the very last league game. Winning the league title and promotion to Step 4 on goal differences.

So the club climbed to its highest ever position in the non-league pyramid by

joining the Southern League in 2008 and during its membership over the past fourteen years it has cemented its position at that level of non-league football.

Season 2021/22 was a historic season for the Millers; Manager Eddie Odhiambo, in his first season of football management, lead his side to promotion via the play-offs and brought Step 3 football to Eynsham

Park for the first time in the club's history. Semi-Final victory on the road at Berkhamsted and victory at Ware in the final thanks to two injury time goals from journeyman striker Jefferson Louis. The club now looks forward to its debut Step 3 season.

I HAVE BEEN CHAIRMAN OF THIS CLUB FOR 2 YEARS NOW AND I AM EXTREMELY EXCITED ABOUT THE CURRENT POSITION IN WHICH THE CLUB FINDS ITSELF!! HAVING SECURED STEP 3 FOOTBALL LAST SEASON FOLLOWING OUR HISTORIC PLAY-OFF SUCCESS; THE WIDER CLUB AND I ARE KEEN TO PROMOTE WHAT THAT CLUB IS ALL ABOUT AND WHAT WE HAVE TO OFFER.

CHAIRWOMAN'S WELCOME

Our prospects on the pitch are looking promising, and off it, well we have high hopes and ambitions for what we can achieve. We look forward to this season in the Southern Premier League, South Division, and look to continue to do well in all cup competitions as well. However, to do that, we need to be successful in attracting people to the club; whether as spectators, participants or investors. Success will breed more success; I have no doubt.

It has and will continue to be a huge challenge to operate within our means, and maintain our long-term vision of being

an inclusive club for all, as well as a football and social centre for the community. We are excited to have added to our range of teams playing at the highest levels possible during the summer, that massively broadens the accessibility of the club. Now is undoubtedly the right time to push on with the club's development, and I am keen to ensure that everyone in the local community is fully aware of what we are doing as a club, and how we can work in partnership to raise our profiles collectively.

We want to put North Leigh Football Club on the map!!

WE'D LIKE TO GIVE THANKS TO OUR SUPPORTERS, WHO CONTINUE TO BE THE LIFEBLOOD OF THE CLUB.

They always set an outstanding example of how football should be enjoyed and we are proud to take them to each and every away game, knowing their encouragement means so much to the First Team group.

Even through the difficult times of COVID-19, when coming together

OUR SUPPORTERS

on Saturday afternoons and Tuesday evenings wasn't an option, we still felt the support of the NLFc followers in other ways. Season 2021/22 saw spectators return to grounds and the first full season completed in a couple of years. The atmosphere created by the Millers fans was fantastic!! Their positivity and excitement at the play-off matches were unprecedented and will live long in everyone's memories!!

We hope that the 2022/23 season will see added benefits for our supporters thanks to the investment being made in the club. Facilities will continue to be improved, we hope to enhance our supporters' club and forge stronger connections with our fan base.

As many will know I've struggled for many years with having a better relationship with exercise and healthy eating. It's never been easy for me and something I've always been so self conscious of.

This is the longest I've stuck at anything to better my health and fitness. It's not been an easy journey for sure and couldn't have done it without the support and motivation from THE BEST PT ever @htoogoodtraining. Thank you for putting up with my moaning and eye rolls every monday and the abuse I shout at you.

It's been a steady journey and I still have a long way to go but this may be the first time I've ever seen a difference in my appearance when losing weight. Let's see what the next year brings.

WE ARE DELIGHTED TO HAVE ADDED A NUMBER OF NEW TEAMS TO OUR CLUB ROSTER OVER THE SUMMER.

That means more players playing football under the North Leigh name, more people involved with the club and moves the club towards being all inclusive and offering opportunities for all those within the local community.

Over the coming seasons, we have plans to expand and increase the

CLUB ROSTER

number of youth teams that play in the local Oxfordshire Youth Football League, Oxfordshire Girls Football League and the local Witney and District Leagues. Each of our coaches are DBS checked and hold FA qualifications which include First Aid Training and Child Welfare Awareness. We see North Leigh becoming one of the largest clubs in the area, with the ability to offer places for girls and boys of all age groups.

Older age groups are extremely well represented with two teams playing in the Oxon over 50's league and we are excited to add an Over 35's team this season as well.

#EqualGame... everyone should be able to enjoy football, regardless of who they are, where they are from or how they play the game!!

U15 Girls winning League Cup

YOUTH FOOTBALL IS ALWAYS A KEY PART TO ANY CLUB, ESPECIALLY ONE WHO IS AT SUCH A HIGH LEVEL IN THE FOOTBALL PYRAMID.

We currently have 5 youth teams in total, 4 mixed genders, Ug, U10, U12, U15 and one girls' team at U15. The Ug & U12 teams are new this season and join 3 other successful teams.

The way they are training they will be fine in their leagues.

Francis signing onto North Leigh Ug team

YOUTH FOOTBALL

The Ug's have done very well getting through to the cup semi finals and entered 4 summer tournaments getting to every single final conceding very few goals, winning 2 of them and losing to penalties in the others. They are in the A league next season.

The U15 girls not only won their league, but won their league cup as well which was an amazing day at Thame Utd, we

are sure they will be as successful this season in the A league.

The U15 made it through to the County Cup final in their age group and played so well through the season only to narrowly miss out. They go again this season in the A league.

Everyone at NLFC wishes our Youth Teams the very best of luck for the coming season!!
