

# Swindon Hockey Club

**We are a friendly and welcoming club  
offering hockey for all ages and abilities!**

## **JUNIOR TEAMS**

Swindon Hockey Club has a thriving junior section, for all ages from Yr3 and above. With qualified coaches, your child can learn and progress in a safe and encouraging environment.

## **BACK TO HOCKEY**

Back to Hockey sessions are fun, social and informal and aimed at people who either have not played for a number of years or are looking to play for the first time. A great way to try the sport in a relaxed and friendly atmosphere.

## **SENIOR TEAMS**

We have 3 Men's teams and 2 Ladies teams, offering training and matches to players of all levels. Coupled with our friendly socials, the club is a great place to make new friends.

## **WALKING HOCKEY**

Walking Hockey is exactly as the name suggests - you play Hockey, walking. It's open to all regardless of age, health and ability, as well as getting those back into hockey who had to stop due to injuries or other reasons.

**New members welcome - free taster sessions  
available at our fantastic new facilities at  
The Deanery CE Academy, Wichelstowe.**

**No experience necessary, just come along and join in!**

**Contact us for more information and training times.**

**LOTTERY FUNDED**
