+ PARTIES & CELEBRATIONS

You may be planning a big birthday party, a wedding reception, an anniversary, a christening or perhaps celebrating the life of a departed loved one? Whatever your occasion, we can work with you to make your event successful.

+ HOSPITALITY

The Clubhouse has a fully licensed bar serving real ales and draught lagers as well as a fine selection of wines and spirits. Additionally, our award-winning in-house caterers Dougherty and Allen can produce the highest quality food and service for every occasion - from a buffet to a three-course wedding breakfast, from hog roasts to outdoor BBQs. Menu prices start from £9.95 but each event is priced accordingly.

+ BUSINESS MEETINGS

The clubhouse offers an ideal location for business meetings, training days and seminars. We have several meeting spaces from smaller rooms to large function areas in order to accommodate every type of meeting. We have WiFi facilities and a 52" television for presentation or displaying images.

+ CLUBS AND SOCIETIES

We currently host a wide range of local organisations including clubs, societies, choirs, dancing sessions and would welcome any other local groups that require a suitable indoor space in which to operate. For local sports teams, we have a number of grass pitches for hire including floodlit areas as well as changing rooms, showers and the clubhouse bar.
