

## **CHILD WELFARE DECLARATION**

Devizes Town Football Club Youth is fully committed to adopting and following the Football Association and NSPCC's Child Protection and Policy.

All managers and coaches will attend a Child Protection Course, and a Child Protection Officer will be appointed by the Club and sit as an official on the committee.

All adults in contact with the players as part of Club activities (e.g. training, matches, tournaments, or other club organised activities) will provide a self disclosure to the Football Association for Police and Social Services vetting.

Please contact the club Child Welfare Officer (details available from Contact Pages on website) if you have any issues relating to a child or just need information on Child Welfare.
