Welcome to Bootle Football Club

The original Bootle F.C. were formed in 1880 and played at Hawthorne Road. In 1889-90 Bootle became founder members of the Football Alliance. That season was the most successful as we finished league runners-up, reached the quarter-finals of the FA Cup,

where we lost to Blackburn Rovers (0-7). When the Alliance merged with the Football League in 1892, Bootle became founder members of the new Second Division. However, despite a respectable 8th place final position, the club dropped out after one season (and were replaced by neighbours Liverpool) and seemingly disappeared due to financial problems. Football returned to Hawthorne Road when a new club, Bootle Athletic, was later formed with the new team initially playing in the Liverpool Leagues. In 1948 when the club were elected to the Lancashire Combination 2, which was won at the first attempt. However, Bootle struggled in the top-flight and after several tough seasons withdrew and folded during the 1953-54 campaign.

In 1953, the current club was formed as Langton and played in the local leagues. After a very successful spell in the Liverpool County Combination (which we won on numerous occasions) the club reverted back to it's

It's better known identity of Bootle F.C. in 1973; and a year later joined the Lancashire Combination, which we won in 1976 and 1977. Bootle then joined the Second Division of the Cheshire County League, which was won in our first season, and we were promoted to the First Division. In 1982 the Cheshire County League was one of the leagues that merged to form the North West Counties League, which Bootle duly joined, becoming a member of the First Division. The club spent most of their time in the First Division until 2000 when we unfortunately dropped into the Second Division. However, despite finishing 6th in 2002, the club dropped into the Liverpool County Combination. In 2006 the club, with a new ground, were elected back into Division 2 of the North West Counties League. In 2009 Bootle won promotion to the NWCL Premier Division and also won the Championship. In 2009/10, our first season back in the Vodkat Premier League Bootle finished a NWCL highest placing of 3rd. In 2010/11 despite a shaky start Bootle finished a respectable 6th place.

With the club continuing to grow off the field, all eyes are on what can be produced on the field this season, with the NWCL Premier Division a firm goal in what could be another success for this fast growing club looking to progress again.

the gaffer

Chris O'Brien

May we offer a warm welcome to today's opponents Silsden, from everyone here at the Delta Taxis Stadium.

Silsden are historically known as a good footballing side, and by looking at their recent results they seem to be well placed mid-table. Unfortunately, I haven't had the chance to watch them this season as it's a fair old distance to their place.

We are on a really good run at the moment, unbeaten in eleven, winning nine and drawing 2; and in all honesty we have played some teams right off the park as well as scoring goals for fun.

This brings added pressure now though, as when you are top of the league teams always want to raise there game more, and you become the team everyone wants to beat. I do believe that we have the ability and mentality to cope with this pressure.

With playing Saturday games only now until into the new year we have the opportunity to work on fitness each Tuesday and Thursday. We try to mix it up a little and lately we have introduced Zumba on a Tuesday night which has gone down great!

In fact we had nineteen at training on Tuesday which shows how much they're enjoying it; and there is obvious benefits from doing this type of workout.

We'll continue to mix it up and after a month or so we'll move onto something different.

December is a big month for us with us doing fantastically well in October and November we will be hoping to continue our run into the new year. We have some massive games too - including Barlick next week and then AFC Liverpool on Boxing Day - there's certainly plenty to look forward to...

Up the Bucks!!

news from the official website of the Northwest Counties Football League

Bits And Pieces

St Helens Town....While the club still await news on their return to the town from their 'exile' at Ashton Town, they have now found out the new name of the stadium that will become their home. St Helens Rugby League club announced last week that the stadium will be known as Langtree Park, as part of a sponsorship deal with the developers

Alsager Town....The Bullets are staging a club day this coming Saturday 3rd December, when Barnoldswick Town are the visitors to Wood Park. Members of the club's junior sides will be attending the game, providing mascots, and also participating in a five-a-side game at half time.

Winsford United....There have been a few comings and goings as far as playing personnel is concerned at the Barton Stadium over the past couple of weeks. Signings include ex-Southport central defender Chris Rimmer and ex-Skelmersdale United striker Jon Bathurst from Ashton United, and Daryl Weston from Curzon Ashton who also had spells with Mossley and Stalybridge Celtic. Going in the opposite direction were Adam Bayley, who signed for Newcastle Town and Tony Gandy, who returned to play in the Welsh League.

Wigan Robin Park....The Robins' quarter final tie in the Lancashire FA Co-Operative Challenge Cup will be played at Ashton Athletic's Brocstedes Park next Wednesday evening, 7th December, with a 7.45pm kick off, as the Robin Park Arena is unavailable on that date.

A Memorable Day For Atherton Collieries

Five years ago, Atherton Collieries recorded an eye catching victory in what was one of the most notable games in their long history.

On the 29th November 2006, Colls went to Gigg Lane to face FC United of Manchester, and came away with a stunning 3-0 win. Anthony Pilkington, now starring in the Premiership with Norwich City, grabbed all three goals in what turned out to be his last appearance in a Colls shirt.

Bucks achieve Charter Standard Status

All of us here at Bootle Football Club are delighted to be awarded the Charter Standard mark from the Football Association and the Liverpool County FA. This confirms how far the club as a whole has come in the last two years and is testament to the hard work of all the volunteer coaches and those around the club.

Club Secretary Joe Doran explains: "Senior County Development Officer Jack Walton from the Liverpool County FA has been guiding us through the process for the last couple of months.

"At the start of the season we had decided it was something we wanted to achieve. We held a "1st For Sport" level one coaching badge through the Liverpool County FA at our ground recently, to obtain the remaining level one badges for the team managers who didn't have the award.

"Once this was completed, we just needed to send our application with the usual documents, and we received news almost straight away that we had received the award. As yet, we haven't received our plaque or certificate, but we expect that there will be an award ceremony in the not too distant future".

As a club, we do not want to stop here either, and we hope to expand on our youth set up, in conjunction with positive skills coaching on a Monday night for children; as well as aiming for promotion with the first team to the Evostik league.

Tales From The Northwest Counties

Lost (and won) in the snow at Bootle

By Tony Onslow

The year was 1886 and Merseyside had been affected by a heavy snowfall when Everton arrived at Hawthorne Road to play Bootle. The visiting players, along with their Bootle counterparts, rolled up their sleeves and helped to clear the snow from the playing surface. The gates of the ground were thrown open the moment the pitch was deemed "playable" and around 4,000 people paid for admission. Everton won the game with a single goal that was scored by their recent signing from Wrexham, "Job Wilding". A sports reporter, from The Football Field, witnessed the events of the day...

"What means this eager anxious throng? Thus said a clerical-looking individual in Hawthorne Road. Why its Bootle and Everton to-day, man". And with a look of supreme contempt the weight passed on. How meaningless to the one, of what to the moment of another, the information so pithily expressed. Yes, it is in Liverpool as elsewhere. Notts and Forest are loving brethren; Rovers and Olympic hold sweet communion, Wanderers and Great Lever would die for each other and Everton love Bootle. 'Tis the same old story. No doubt each of the numerous readers of the Field could supply this pair of neighbourly rivals, for there is scarcely a district where our noble game has penetrated, where the followers of the game, are not broken up in to two rival camps. "So was our field last Saturday. Once more the elements were unkind. The field of battle was covered in snow, and a drizzling rain kept threatening. Still the real enthusiasts are not easily wet and some four thousand of these idiots (?) braved the terrors of the tic and rheumatic to indulge in a very healthy form of excitement. All sorts and conditions of men where here, City and town councilors, M. Ps in prospect and fair sprinkling of the fair sex. Side by side on stand were to be seen. But while we are taking in the situation, the champions have entered the arena. And that burly figure is the celebrated Sam Ormerod. There will be no fighting today, for here is a referee who understands his business. And now the spin of the coin, the men are in their places. "Like greyhounds of the leash, they await the signal. They are off, the nimble Evertonians take a quick spurt to their opponent's goal. A mere spasm; for now the Bootle men begin their clever combined play, and a few brilliant efforts cause the hearts to beat high with hope and apprehension. But no, Dobson is in form today. He is not to be beaten and soon gives his own men a chance. Eagerly seizing the opportunity, with great speed they rush to the other end. A quick pass and the goal is at the mercy of Wilding "Goal" Well played and a grand piece of play be Bootle custodian averts imminent disaster.

And now the pace grows furious. Here is training. The Tories are like cats in their movements. Bang again at the Bootle goal, and the discordant cries of the throng as the ball is fisted out and again returned a moment later, betoken no ordinary excitement. "Everton will win" mentally ejaculate the onlookers. Elation on one hand and gloom on the other. But what is this? The solely pressed home team is away. This is combination, look you, and the game veers completely round. How the home players swarm to the assault? But the Everton backs are impassable. Gibson the Bootle back forges his way through the opposing ranks and shots just as Dobson tackles him "Through"! But no, Marriott, floundering from a heavy charge touches the ball, which just rolls around the post. Up to half time, from this point the game was very even, and a splendid save from Galbraith immediately preceded the interval. There was a slackening of the pace to commence this half but when Wilding with a beautiful shot scored, the excitement was at fever heat. And now the leaders execute "a strategic move" to the rear, whilst Bootle crowd to the attack. With strengthened defence Everton are determined to keep ahead. 'Tis legitimate – that's all. Many narrow escapes had the Everton goal, but Dobson played with the power of three men, and when the final whistle blew, Everton bounded off to the pavilion amidst the enthusiastic plaudits of their loving followers, whilst Bootle more quietly wended their way, beaten but not disgraced." SILSDEN

WHO?

Our Visitors today: Silsden AFC

WHERE?

Silsden is a town and civil parish situated in West Yorkshire, England. It lies on the northern slope of the Aire Valley between Keighley and Skipton. Along the lower edge of the town is the Leeds and Liverpool Canal.

WHEN?

The History of our guests:

The club was formed in 1904. In 2004-05, they reached the second round of the FA Vase. They are currently members of the North West Counties Football League. During their earlier years in the North West CFL they played their home games at Cougar Park, home of Keighley RLFC.

However, in early 2010 plans were put in place to upgrade their former ground in Silsden. With the help of the Football Foundation, Asda Foundation, committee of the club, players and the generosity of sponsors and local businesses, their dream came true when they returned in time for the start of the 2010-11 season.

Floodlights, a stand, new dugouts, coffee hut, pay-hut, walkway, perimeter fencing and barriers were all put in place to create a truly magnificent stadium to complement the newly erected £1.2m Sports Club which houses 6 changing rooms, two referees' rooms, a physiotherapy room and a spacious function room.

PUBLIC SAFETY

In the interests of the safety and welfare of ALL spectators, supporters are reminded that NO glasses or glass bottles are allowed onto the concourse either within or outside of the Clubhouse area.

BOOTLE * FOOTBALL * CLUB, *

FIRST TEAM—Winners of the Liverpool and District Challenge Cup, 1888-89.

W. HASTINGS, D. JARDINE, R. ANDERSON (CAPTAIN), J. WOODS, F. WOODS, J. JACKSON, R. McFARLANE, W. CAMPBELL, A. ALLSOP, H. HEARD (SECRETARY), T. MORRIS, H. GALBRAITH, R. JAMIESON (WING), J. JONES, J. KILNER, J. PRESCOTT (GOALKEEPER).

R. JAMIESON.

the captain, has already appeared in our columns, but to-day we give a newer and better picture of his familiar features. Jamieson is a well-made, cheerful young fellow of twenty-two, and stands 5 ft. 10 in. in his stocking feet. His weight, 12st 2 lbs., is a very useful one for his own stability and awkward for his opponent in case of an aggressive charge.

JACKIE JONES

comes next upon the scene, and as his name might imply, he first did kick and scream in the Principality, where he honoured the Vale of Rhyddian twenty years ago by his infantile presence. Jones is not exactly infantile now, as he stands 5 ft. 10½ in. high, and weighs 11 st. 7 lbs. For a dozen summers had passed over his as yet unfurrowed brow, Jackie came to Liverpool, and in 1884 he joined the Queen's-road Athletic, subsequently transferring himself and his shin guards to the now defunct Linacre Club. In 1886 he played for Bootle Reserve, and his merit soon got him a place in the first team, and although he still plays in that team it is a fact that he has been left outside ever since. See? ha! ha!

JAMES WOOD

is another of Sootia's sons, Moffat being his birth-place, and 1870 the year of his nativity. He played football first with the Moffat Swifts, and then in the town club, of which he was a member when they won the Churchill and Southern Counties (Scotland) Charity Cup. In 1887, on account of his friends' representations, Wood came to Bootle and played as a wing forward. He has also represented the District on several occasions, and as an amateur he has won several pedestrian events. Weight, 11 stone 3 lbs.; height, 5 feet 9½ inches.

JOHN KILNER

commenced playing football when only fifteen years of age with Preston Wanderers, when that club was in a promising position. Two years later, however, the club disbanded, and he threw in his lot with the second string of Preston North End, for whom he did good service. Some little difference, however, arose with the North End Executive, and Kilner, along with several other players, who have since done good service in the football field, Bob Sandley, of Everton, for instance, left that club and joined the Preston Ramblers. Eventually, however, we find this promising young player located at Haydock, with the colliery club. His brilliant play last year for Haydock in the Lancashire Cup Tie against Accrington, at Bootle, took the fancy of some of the Bootle committee, and Kilner being approached accumbent to the importations of these gentlemen and came to Bootle—a hard working and very judicious player, can play in any position in the field: born at Preston height 5ft. 5½ in., weight 10st. 6lb., aged twenty-one years.

W. R. HASTINGS.

another Caledonian child, began his football life in his native village Plains, where he frolicked at right wing for the Plains Bluebells, afterwards joining the Glasgow club, playing two seasons as inside right. The following year the Aldronsians raked him in, and he was in the team which won the Aldrie Charity Cup. The year after that they won the Lanark County Cup, and maintained their right to the charity trophy also. For the following three years they held both cups, and Hastings sports a few gold and silver medals in consequence, adding further prizes on the running-path. In 1887 he joined Bootle, and for the club he has played outside left, inside left, and centre forward. In 1888 Hastings was one of the Queen's Park team which beat Aston Villa on their own ground.

WALTER CAMPBELL

is twenty-one years of age, 5 ft. 8½ in. high, weighs 11 st. 10 lbs., and was born in Moffat, where a few years later he captained the Moffat Swifts. His next team was the Moffat club, with whom he played from 1885-7 inclusive, coming to Liverpool towards the end of 1887. He played with Everton Reserve, and joined the Bootle soon after, having several friends in the team. This is, therefore, Wattle's third season with the Bootle club, for whom he has done right goodman service.

D. JARDINE

began playing football when a schoolboy in Scotland, and had also much valuable practice in attending sports where five-a-side football contests were organised. In 1885 he joined the Mid-Annandale club, played as goalkeeper till 1888, when he crossed the Cheviots for salubrious Bootle, where his play is too well known to need comment. During the last few years he has won many medals and badges for sidecompetitions and place-kicking. Jardine is twenty-one years of age, weighs 10 st. 5 lbs., and is 5 ft. 8 in. high.

HUGHIE GALBRAITH.

ye ken, wis brocht on in t' Land o' Cakes, but his affther being born in Glasgow he was, in county Waverford, during the auspicious year of 1863. But he only stopped there till he was three months old, and the people were just beginning to like him. It was in Dundee he first played, for the Taybank, a capital junior club, and, after aiding them for three seasons, he joined the Dundee East End, one of the best clubs in Forfarshire, with whom he played a couple of seasons at half. He was elected captain, but had to leave for Edinburgh on business engagements. Returning to Dundee he joined the Our Boys, and remained with them till requisitioned by Bootle for the post of inside right, which he has held ever since. Galbraith has represented the Liverpool District team on several occasions.

THOMAS MORRIS.

Twenty-four years ago the Welsh town of Denbigh saw an important event, Thomas Morris being then ushered into this vale of tears and woe, or perhaps wears and too would better fit the occasion. Tommy has grown a good deal since then, and now weighs 10 stone prompt, his height being 5 feet 5 in. The Denbigh Church choristers was his first football club, and soon afterwards he played in the second team of the town club in 1879, and was promoted to the first team the following season. At the end of 1881 Morris came to Liverpool, and threw in his lot with the Stanley Rovers, as right outside, and later on he joined the Cheshire. At the end of 1882 he played several games with the Bootle, and next year he joined the club, playing for the district team in 1883. His general position is right wing, which he prefers to any other, and says, "Please write I'm all right at outside right." He has played longer than any other member of the team for Bootle, and at the end of this season his services are to be rewarded with a benefit match. Good old Tom. May I be there to see.

ALBERT ALLSOP.

Ha! ha! Albert Allsop is a genuine native boy, having been born in Beauteous Bootle during the year 1865. His first football experience was gained with the Linacre Club, and the Bootle was his next field of fame. In 1885, when sixteen years of age, Allsop played for the District team, which he has frequently done since. He got the sack several times—that is to say, he got into the sack and won a few sack-mosses during his time. At the post puts it, "Sack set vita," or so Albert thought it was for he went in for it strongly. His height is 5 feet 6 inches, and he weighs 11½ stone. In spite of all temptations to belong to associations of other towns, Allsop prefers to stay at home, and do battle for his native heath, so to speak, as it were, in a manner.
