DRY LEAS REDEVELOPMENT PROJECT

PROVIDING 1ST CLASS FACILITIES

THE PROJECT

FULLY SERVICED CLUBHOUSE

Henley Rugby Club is about to embark on its most ambitious redevelopment programme ever to provide the first class facilities which will support its various activities throughout the community. This redevelopment will enhance all its rugby endeavours, from Mini and Juniors through to the Hawks in National League 1, making it one of the top 40 sides in the country, along with providing an outstanding venue for all of its community social activities. To do this Henley Rugby Club is embarking on a £600K building and redevelopment programme.

The project is in two parts. Firstly it includes a complete refurbishment of the existing clubhouse with a reconfigured interior, updated and extended bar, a fully equipped modern kitchen facility and new WC provisions. The intention is to create an attractive, fully serviced clubhouse that can meet the needs of members, guests and third party hirers at a variety of occasions, including “formal” dining of 200, available not only for club use but also the wider Henley Community. We have made a start on this by reconfiguring some of the interior, with funds provided by members and a grant from the RFU.

Secondly the scheme includes building a substantial extension to the clubhouse to provide 4 new changing rooms, which will comply with current RFU standards and criteria, complete with officials’ changing areas, treatment room, showers and WCs for both males and females. The plans can be seen on the wall in the dining area of the clubhouse. Planning consent has been granted and it is intended to carry out the work in 2 phases

Starting April 2016 Clubhouse refurbishment
Starting April 2017 New Changing Rooms

Funding is being sought from 2 major sources, firstly from third party funders including the RFU, Sport England, Landfill grants and Local Authority grants from SODC and the Town Council. Secondly we are asking members to contribute a significant amount. Traditionally 3rd party funders would expect the members of a club, those who will benefit most from the enhanced facility, to contribute around 30% of the total investment, so our target is to raise £200K from our members. It’s a lot, but other local clubs in our area, Redingensians, Banbury and Stourbridge have done just that and Chinnor and Dorking are close behind. We know it’s a big ask but the goal of having a facility that matches our ambitions on the field is a very worthwhile and achievable one, so please dig deep. There are 4 ways you can participate in the fundraising...

2. PAVING STONES

The Supporters' Walkway

To help us reach our fundraising target we are creating a walkway of clay paving bricks dedicated to our supporters. This walkway will provide a standout feature as a part of the paved area outside the new facility and will be a great way to commemorate your support for the club. Many of you will have seen how attractive schemes like this can be at venues such as Twickenham and the Millenium Stadium.

We are inviting you to contribute to our clubhouse redevelopment by purchasing one or more limited edition, engraved paving stone for the Supporters Walkway. Each one will be professionally engraved with your name(s) and/or a message of your choice and will become a permanent legacy of your support.

There are two sizes of paver available. These high quality pavers will have black or gold coloured lettering and you can choose up to two lines of text for a single paver and four lines for a double paver. Each line can have a maximum of 16 characters. Your inscription could be your name, your family or company name and a suitable message.

The colour of the pavers themselves will be selected to provide the best match with the overall paving scheme.

To order a Paver go to the Order Form on page 9

3. GRANDSTAND SEATING

As part of HRFC fundraising for our clubhouse redevelopment, we are offering you the chance to sponsor one of the 149 seats in our Grandstand for a minimum of 10 years at Henley Rugby Club. This is a fantastic way to create a legacy for you, your child or another family member at the club. As part of the sponsorship we will replace the existing chairs with brand new state of the art seating from 'The Box Seat'. Seen in all major stadiums across the world including the new World Cup Stadium currently being built in Qatar for the Football World Cup 2022.

The seats will be decorated with a personalized plaque underneath the seat, which will be visible when the chair is vacant, commemorating the donation from each sponsor.

The plaque will read, "Donated by" (line 1) followed by the donors name (line 2). There is a maximum of 40 characters for your name.

There are 149 seats to be installed all of which are available for sponsorship and have been broken down into the following price categories:

Category A – Grandstand Seating £350 each for Rows 1-2
Category B – Grandstand Seating £300 each for Rows 3-4

Please note sponsorship of a seat does not include reservation of your seat or your entrance ticket on Match Days.

4. STAND ALONE DONATION

Every donation, no matter how small is of course worthwhile and most welcome and will be publicly acknowledged in the legacy book, see below.

To make a donation please go to the Payment Form on page 10

EIS

Sponsorships and donations of £500 and above will qualify for tax relief of 30% under the EIS scheme. Check details of how the scheme works by contacting the Club Secretary John Louth. johnl@habana.demon.co.uk

HONOURS BOARD

We would obviously want to acknowledge the generosity of members donating to this redevelopment fund and all donations will be recorded in a specially produced LEGACY BOOK and in addition those of a significantly high value on a board on permanent display in the clubhouse

	Amount of donation
Platinum	£20k
Gold	£10K
Silver	£5k
Bronze	£2500

Donations already made to the earlier legacy project will count towards these totals.
