Last Weeks Round Up In The Bostik North

North Division

Bowers & Pitsea have lost only one league match this season, and yesterday they picked up their thirteenth victory when walloping four goals past Great Wakering Rovers. Three came before the break, David Knight, Martyn Stokes and Ben Sartain making the second half a thankless task for Great Wakering Rovers-although the promoted side would point out that they drew the last forty five minutes, Brian Moses grabbing their goal after Brad Warner had made it four-nil.

Maldon & Tiptree remain second, but they failed to keep pace with the leaders, and are now seven points behind Bowers after becoming the latest side to fall victim to the Witham Town resurgence. Sam Ashford scored the only goal of the game as Town, who are now unbeaten in six, recorded their fourth victory of that period; a run which has seen them climb to sixteenth.

The clash between the bottom two went the way of Soham Town Rangers, a Callum Russell goal immediately after the interval sending Rangers two points and three places above the Magpies, who haven't managed a victory since 3rd November.

Our other two matches ended in draws. At the Arena Tilbury must have thought they had the points wrapped up against Brentwood Town, Oliver Spooney and Mitchell Gilbey giving the Dockers a two goal lead which they still held as the game entered its last three minutes. But Harry Doyle then delivered a thirty yard strike, and deep into added time Quba Gordon got the equaliser.

Mildenhall Town were twice ahead against Felixstowe and Walton United, but the game ended 3-3 at Recreation Way. Miles Powell put the

Seasiders ahead after just six minutes, but that lead lasted for only three more as Thomas Debenham equalised, and then five minutes before the break Abouhadje Kouassi put the home side in front. Their lead didn't last until the interval, however, as Rhys Barber found the net, but four minutes after the restart Jarid Robson struck to make it 3-2 Town. Joseph Bloomfield was able to equalise once more for Felixstowe, and the points were shared.

New Years Day

The North Division had four fixtures, two of which were finished before the other two started.

Romford hadn't recorded a victory since September, but they got back to winning ways when Ayo Olukoga scored the only goal in their match with Grays Athletic. The other early kick off had five goals, and three of them went to AFC Sudbury, who were 3-0 up and coasting at Bury Town only for the home side to pull two back in the dying embers of the match. In front of a crowd of 703 at Ram Meadow, Joe Whight, Paul Hayes and Tom Dettmar had seemingly put the game out of sight before Emmanuel Machaya and Kyran Clements got their late consolations and made Sudbury sweat for just a moment. Sudbury climbed to sixth place, leapfrogging their hosts.

Basildon United and Canvey Island have both struggled for form of late, but when Jose Figura put the Gulls ahead their supporters must have been hoping for a change of fortune. The lead lasted only ten minutes before Callum Taylor equalised for the Bees, but Josh Hutchinson restored the Canvey lead twelve minutes after the break, and when Figura made it three for the visitors with twenty two minutes remaining it was game over for the home side. Canvey got a fourth nine minutes from time through Adam Vyse, and move up to tenth.

The big match of the day saw Coggeshall Town, in third place, host Heybridge Swifts in fifth. In front of 358 the game remained goalless until fourteen minutes from the end, when Elliott Ronto scored with an overhead kick to give Swifts the lead. That turned out to be the only goal, a result which saw Julian Dicks men go second, six points behind leaders Bowers and Pitsea.

Maldon & Tiptree

A Breif History

The re-establishment of nor-mal life after the war saw the formation of Maldon Town FC in 1946, with their HQ at the Rose and Crown in the High Street and home venue was at Sadd's Ground on the cause-way.

The Mid-Essex League Div 2 gave them their first league trophy in that season, when they gained the runners-up spot. Now transferring their home ground to the Promenade Park and joining the North-Essex League, they once again achieved runners-up spot in this league and were also runners-up in the Essex Junior Cup. Returning to the Mid-Essex Premier Division saw them lift the league title in consecutive seasons, as well as the league cup in 1949/50 Season. Success now followed them to their newly acquired Wallace Binder ground in Fambridge Road, joining the Essex and Suffolk Border League, that season the runners up spot was gained but the major trophy that year was lifting the Essex Intermediate Cup, beating a strong Leytonstone Reserve team 2-1. Ex-Liverpool hero Kevin Baron took over the management reins continuing the success of the past when his teams gained the runners up position in the Essex Intermediate Cup in 1964/65, 1965/66. The league winning team of 1965/66 gained them senior status, and they joined the Eastern Counties League in 1966. After six years in this league they joined the Essex Senior League, picking up the league title in 1984/85 and almost

completing the double when beaten in the final of the league cup by Chelmsford City Reserves. Moving to the new ground in Park Drive in 1994, and crossing the pyramid structure to return to the Eastern Counties League in 1996 under the continued management of Ben Embery and his assistant Steve Jackson, the pair were very unfortunate not to obtain promotion in their first season in the Jewson League (ECL). Our second year in the League proved to be a different story, with the team gaining promotion to the Premier Division, ending the 1997/98 season in the runners-up position.

In our first year in the Premier League we finished a creditable 13th position and improved that to eighth in the second year. We now entered a new era with a new manager Colin Wallington, in our third year in the Premier League we finished fourth and now looked good to progress further. In season 2002/03 we reached the semi final of the FA Vase losing to local rivals AFC Sudbury.

After 14 years as chairman Bob Large decided to stand down has he felt he had taken the Club as far as he can. The new chairman Mike Kirkham stated that he hoped to take the Club to the next step up the ladder in a few years. Season 2005/06 after two promotion seasons we found ourselves in the Ryman Premier. This found us fighting relegation for the whole season,

with our fate still being in our own hands right up to the last 3 games of the season. We did reach the final of the Thames Side Trophy losing 3-1 to Canvey Island and also the final of the Eastern Floodlit Competition losing on penalties 5-3 to Billericay Town. Season 2006/07 saw us play in the Ryman North Division, where we finished fourth, and due to the Club not applying for promotion, the club were excluded from the play offs. The 2007/08 season started with a new Manager Russell Tanner, after Colin Wallington left the club to join Tiptree Utd Russell brought in Dean Parrott as his assistant. The club made several major signings during the close season but these players moved on when Clubs from a higher level came in for them, this left Russell and Dean to bring in some fresh faces from Russell Tanner's former Club Witham Town plus some of the talented youngsters on the books who went on to win the Clubs Best Young Player Award that season, although the club never got to the play offs. It was felt that the team had a good season. In September 2008 former Tottenham and Millwall player Stuart Nethercott was promoted from his position of Assistant Manager to Caretaker Manager (and ultimately to permanent Manager) following the departure of Russell Tanner. Stuart's reign lasted a year, as he was replaced by former Manager Colin Wallington who hoped to bring back some of the good times to Maldon Town. Season 2009/10 saw mixed fortunes on the pitch, due in part to the large turnover of players during the period it took the new management to put together their own team. Away from the pitch new Chairman, Alan Brockhouse and his Committee entered into a groundshare arrangement with local Club Tiptree United, which, as the season progressed, saw the relationship between the two Clubs grow stronger giving obvious signs that further, more formal, amalgamation of

the two Clubs seemed on the cards. Following the retirement of Manager, Colin Wallington, assistants, Brad King and Glen Knight were promoted to Joint Managers and put in charge of the Club which as a sign of the likely future amalgamation started the season under the new name of Maldon & Tiptree Football Club. Season 2010/2011 saw the new club placed in or around the play-off positions for the majority of the season. Despite another high turnover of players, the good standard of football was maintained and it was frustrating for the club to fall away in the later stages of the season when suspensions and injuries eventually took their toll to leave the club frustratingly short of the play-off positions at the end of April.

Following King and Knight's departure during that season Mike Flanagan came in and took on the caretaker role and steered the club to a respectable mid-table position. At the start of the 2012-13 campaign, Ex- Stansted & Redbridge boss Terry Spillane was appointed as Manager. After a fantastic start to the season, the club found themselves at the top of the table but an incredible run by eventual Champions Grays Athletic meant Maldon had to settle for a place in the play-offs. Disappointment came in the Final when they lost a two goal lead to draw with Thamesmead Town, who then won through on penalties. Kevin Horlock was the team manager from 2016 & 2017 seasons but unfortunately promotion did not come about through all his hard work. Wayne Brown has been appointed the manager for season 2018 - 2019 and will hope to have a better season and secure that Premier Division place with his very young side.

THE SQUAD 2018/2019

MANAGEMENT TEAM

WAYNE BROWN

The former Ipswich Town, Colchester United, Hull City and Leicester City defender arrives at Park Drive with a wealth of playing and coaching experience and takes over from Kevin Horlock. A no nonsense, uncompromising leader on the pitch, Wayne played over 350 professional matches in a successful career spanning over 14 years and earned promotion to the Championship with the U's before going on to play in the Premier League with Hull. Wayne has also had a caretaker spell in charge of Colchester's first team.

PAUL ABRAHAM

About to start his 2nd season with Maldon and Tiptree, now as Assistant Manager. Former Brentford and Colchester United player, where he has 3 Wembley finals against his name and over 200 games. After 10 years as a professional he continued to enjoyed spells at Kettering, Canvey Island, Sudbury, Heybridge Swifts amongst others, before moving in to coaching in recent years.

TOM COLE

As the First Team physio, Tom's responsible is arguably the most critical. At this level most clubs operate on a relatively small squad, so the fitness levels of the boys and keeping them on the pitch is paramount. Tom is now beginning his fourth season with the club

PLAYING SQUAD

BEN MCNAMARA

An experienced Goal Keeper who signed in the summer. Australian born Ben has been close to a full international call up on several occasions. After joining Dagenham he spent time at Braintree Town and Concord Rangers, also Bostik Premier Harlow Town, Thurrock, Northampton Town, Nuneaton Town and Hendon, for whom he gave a match-winning performance against Grays in the League Cup final at Whyteleafe in April 2015. A real presence in the penalty box and a born leader, Ben has only played at higher levels and is a real asset to the squad.

JAMES SHEPHERD

Joined M&T in January 2018 from Harlow Town and soon made the RB position his own. Shep made his football league debut in 2016-17 for Dagenham and spent loan spells at Billericay, Whitehawk, East Thurrock whilst at the Daggers.

JACK CAWLEY

A non-nonsense central defender who joined the Jammers in the summer from local rivals Heybridge Swifts, where he was an integral part of the most successful season for many years. After spending much of preseason in the US playing for Ann Arbor and narrowly missing out on the national finals, Jack returned to blighty and was soon integrated in to the squad in time for the big KO.

ROB GIRDLESTONE

Football educated in the West Ham Academy before moving in to senior football with Chelmsford City. Rob signed a contract with the Jammers in the summer, making the step across the Essex waters from Concord Rangers where he won Players Player and Supporters player of the year. Still only 22, Rob has over 150 appearances in the Conference South and is a top signing and set to be a true fans favorite here as well.

OLLIE KENSDALE

A 6 ft 3 defender registered to Colchester United where he has been a regular in their first team during preseason. Ollie first featured for the Jammers last season in a tough encounter at Bostik North promotion outfit Haringey and did exceptionally well for his young years. Now a year older and wiser Ollie will be looking to continue his development with the Jammers in competitive senior football

SETH OWENS

A physically imposing defender who can play LB or CH and is a real asset to the squad. Seth began his career with Wingate & Finchley before joining Brentford on a scholarship. He then moved on to AFC Wimbledon where he signed his first pro contract and made his football league debut in a 5-1 win against Bury in the 2016-17 season. Most recently Seth turned out for Whitehawk before joining M&T for the coming season.

MATTHEW BRIGGS

A real coup for new Manager Wayne Brown during the summer. Matt still holds the record as the youngest ever premier league player at 16 and 65 days, whilst at Fulham, just pipping Wayne Rooney previous record. His career thus far saw loan spells at Bristol City, Orient and Watford and after leaving Fulham he went on play for Millwall then Colchester United where he spent three years.

CHRISTOPHER MILLAR

Now is his second season with M&T after joining from Charlton. Chris is a midfielder who is very easy on the eye when in possession of the ball and has left many an opposition perplex with his ball mastery. Chris will be hoping for a run of games this season after an unfortunate stop start season due to fitness. Officially has the best hair in the squad (after the assistant manager).

HARVEY BROWN

A product of the Dagenham Academy, before joining Maldon and Tiptree at the beginning of the 2017-18 season. Born in to a truly legendary football family, Harvs is an extremely intelligent holding midfield player, with great passing range. As a young man he still has years ahead of him to follow on in Dad's and Grandads steps, the latter playing close to 400 games for West Ham.

SAMMIE MCLEOD

At only 18 years young Sammie carries huge potential and M&T are excited to have gained his signature. He is an athlete who plays centrally but covers every

blade. Sammie spent the last two years in the Leicester City academy during their most successful period in their history. Under the Jammers coaching team he will be keen to impress, develop and get back in to the professional environment.

LEE BARNARD

As good a finisher as you'll see at this level and a level or two above. Barney made his premier league debut for Spurs against Manchester United back in 2006 and was unfortunately suffered as one of ten Spurs players struck down by a virus on the evening before their crucial final game of the season against West Ham. Unable to postpone, they went on to lose and slipped to 5th missed out on the Champions League spot. Barney went on to play for Bournemouth, Crewe, Stevenage to name a few, seeing his most prolific goal scoring years at Southampton and Southend. Lee signed in the summer from Chelmsford City following a loan spell with the Jammers.

OLA AKINWANDE

An attacking player who can play anywhere in a front three. His work ethic is infectious, driven by his focus to always improve. Ola plays and trains with a smile on his face and runs fitness programs for footballers in his spare time. He joined the Jammers earlier in the year from Ashford Town.

DECAREY SHERRIFF

A long-term loan from Colchester United after being a regular goal scorer in their U23 last season and part of the squad that reached the Premier League Cup semi-final. Decarey was with West Ham before joining

Colchester as a scholar and is a razor-sharp striker who will be looking to be in the goals this season for the Jammers.

LUKE HOLNESS

Another impressive young scalp for M&T, Luke joins from Walton Casuals where he played over 50 games and became their youngest ever FA Cup scorer. His performances during the season attracted much attention and as a result he was invited in to both Millwall and Stoke City. He also impressed against the Jammers in our FA Cup victory against Anthony Gales team earlier in the season and we are excited to see what he can achieve with M&T.

SHANE COJOCERAL

A dynamic attacking player who has represented Romania at young level. After finally making his football league debut at Barnet, Shane was extremely unfortunate to have suffered an injury in only his third outing for the first team that saw him miss the rest of the season. Last year saw managers come and go and little opportunity to shine. He joins the Jammers looking to get his career back on track.

Vincent Peter Jones

Vincent Peter Jones

(born 5 January 1965)
is a former professional
footballer who played as a
midfielder from 1984 to 1999,
notably for Wimbledon, Leeds
United, Sheffield United, Chelsea
and Wales.

Born in Watford, Hertfordshire, England, Jones represented and captained the Welsh national football team, having qualified via a Welsh grandparent. As a member of the “Crazy Gang”, he won the 1988 FA Cup Final with Wimbledon, a club for which he played well over 200 games during two spells between 1986 and 1998. He also played for Chelsea, Leeds United, Sheffield United and Queens Park Rangers. Jones was a defensive midfielder who was especially noted for his very aggressive style of play, earning him a “hard man” image on the field.

Jones was known for his “hard man” image. He was sent off 12 times in his career, as well as holding the record for the quickest ever booking in a football match, being booked after just three seconds for a foul on the opposition player Dane Whitehouse in a FA Cup tie between Chelsea and Sheffield United in 1992. In his autobiography, he recalls: “I must have been too high, too wild, too strong or too early, because, after three seconds, I could hardly have been too bloody late!

In an incident in October 1987, Jones was photographed grabbing Paul Gascoigne by his testicles during a league game for Wimbledon against Newcastle United.

Diego Tristán Herrera

(born 5 January 1976) is a Spanish retired professional footballer who played as a striker.

At his peak, he was considered amongst the best players in his position in Europe, displaying a vast array of skills: dribble, shot accuracy, aerial ability and off-the-ball movements. He is best known for his Deportivo de La Coruña spell, where he spent six years, often overshadowed by physical and personal problems.

Over the course of eight La Liga seasons, Tristán amassed totals of 227 games and 95 goals. He appeared with the Spanish national team at the 2002 World Cup.

Krisztián Németh

(born 5 January 1989) is a Hungarian international football player who plays as a striker for Sporting Kansas City in Major League Soccer.

He signed a three-year contract with Liverpool, alongside András Simon in the summer of 2007. He was regarded by the club as an upcoming talent and had been tipped for a bright future at the Merseyside club, who stated on their official site that “big things are expected of Németh. Though he is mostly used as a striker, he often drops into a

deeper position during games, where he is able to take advantage of the additional space to make his trademark backheel passes.

NORMAL VISION

COLOUR-BLIND SIMULATION (PROTANOPIA)

Approximately **one in 12 men** inherit colour blindness. It's carried on the X-chromosome, so only **one in 200 women** inherit the condition.

It can be a real issue in football, whether you're watching, playing, managing or officiating. Imagine not being able to tell the difference between kit colours and how that would affect you, your teammate or your child.

There are three types of colour blindness – and myriad colour combinations which cause problems. The common perception that colour-blind people only confuse reds and greens is a myth.

The FA has been working closely with UEFA and specialist organisation Colour Blind Awareness to highlight the issue. The intention is to positively influence decision-makers at every level of the game and improve the experience of colour-blind people – whatever their involvement in football.

This work has seen the production of a comprehensive guidance booklet. You can read and download it at www.TheFA.com/colourblindness

And please visit the Colour Blind Awareness website: colourblindawareness.org for ways you can help maximise awareness.

Together, let's make sure football's future is FOR ALL.
