THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

It's funny how things fall into place sometimes. As much as we plan The NLP's pages each week, occasionally you stumble into the perfect storm.

Take last week's paper, where three of our FA Cup previews worked perfectly in tandem with a family theme.

In many ways, it shouldn't be a surprise. Non-League football in particular has always had the family feel. In this weekend's FA Cup, that's no different.

But these feel-good stories only served to underline just how many strong links run through the game.

First stop is Nuneaton Borough, where dad and son are making waves in the FA Cup. Carl Baker has had a fine career that took him from Non-League with Prescott Cables and Southport to the Football League where he won promotions with MK Dons and Portsmouth, after spending five seasons with Coventry City.

At 38 he may be on the back nine of his career, but he's still going strong — although son Louis is now grabbing the headlines too.

There can't have been a much better feeling for Carl to be on the same pitch as his 20-year-old son, and Boro team-mate, when he scored an excellent goal against Lichfield City.

"I probably celebrated his goal more than I've ever celebrated any of my own," he said. "The stats on my GPS probably showed I ran quicker then than at any other time in the game as I went to jump on his back. It was a fantastic feeling.

"We were leading 1-0 at the time with about five minutes to go. As he's striding up the pitch I'm on the opposite side thinking he should just go and hold it up in the corner.

"I could see what he was going to do so when he cut in and scored it was probably the best feeling I've ever had on a football pitch - you can see that from my reaction."

There will be a slightly different feel at Brackley Town's game with Coalville Town where Dean twins Gaz and Alex play each other in a competitive game for the first time. At 31, they've had to wait for the chance — although mum Gill isn't thrilled about the showdown!

“Mum’s not happy,” Brackley defender Gaz told us. “I got a text saying, ‘Be nice to your brother’. She says it’s her worse nightmare come true because she’s going to have one disappointed twin.

“But it’s probably my dad’s dream to see us go toe-to-toe with each other – it’s opposite ends of the spectrum between the two parents, I think.”

Alex added: “When we were little we were terrible — we used to fight all the time over any sport in the garden.

“We were blessed with where we lived because we had a good sized garden so we were forever playing football, cricket, badminton – anything like that. I am competitive. But he is ten times worse. He gets ever so grouchy.”

Although Gaz has promised to buy his brother a pint in Brackley’s bar after. And at Sutton Common Rovers it will be a proud day for manager Darren Salmon. The gaffer has been involved with the club for 35 years having played and become manager of the team, then playing in Sunday League, aged 21.

His dad, Alan, founded the club in 1978 and is still chairman while his brother Justin is club secretary.

“I think that’s been a real strength for us keeping that family feel and continuity,” said Salmon, whose in-laws look after the matchday hospitality and stewarding, brother-in-law is youth club secretary and sister operates the tea bar on matchdays.

Family ties will be everywhere in Non-League this weekend. We enjoyed scratching the surface.

Peterborough Sports football club was founded in 1908 and were initially known as Brotherhoods Engineering Works a non-competitive factory side for the company that was founded by Peter Brotherhood in 1867 that was famed for designing and manufacturing the first steam turbine engine in the world. The club honours its heritage to this day with the turbine engine featuring in the club badge and “The Turbines” as the club nickname. We were called Bearings Direct in the 1990’s and then changed to Peterborough Sports all at the same Lincoln Road ground which has undergone a major revamp since 2012 funded by a combination of Parkway Social Club, the Football Foundation and former Manager & Chairman and now Managing Director Tommy Cooper.

The club started competitive life in the Northants League in 1919 (which became the UCL in 1934) winning the title in that first season before joining the Peterborough League in 1923. The club once entertained Tottenham Hotspur at Lincoln Road before the 2nd World War in front of a crowd of 4,000 at a time when a stand went down the whole length of the ground and drew over 3,000 for the visit of local rivals Peterborough & Fletton United (now Peterborough United).

Without doubt the clubs most famous player is Victor Watson (pictured) who played in the Northants League title winning team of 1919/20 before moving onto West Ham United for £50 via Wellingborough in March 1920. He remains the Hammers record goal scorer with 326 goals from 505 appearances. Watson played 5 times for England scoring 4 times between 1923 & 1930 including a brace against Scotland in 1930 and played in the first FA Cup Final at Wembley in front of 200,000 fans v Bolton

Much of the clubs early years were notably unsuccessful. The Northants League win in 1920 was followed 6 years later with a Peterborough League Division 3 title in 1926, with a gap then to the Peterborough Football Association Minor Cup win in 1940. The barren spell of success continued right up until 1976 when the Peterborough Division 3 title was secured again, which was repeated in 1981.

The club enjoyed a brief golden period at the start of the 1990’s with promotion secured back to the Peterborough Premier Division and 2 Northants Lower Junior Cups being landed in 1994 & 1995 under the management of current Managing Director Stephen “Tommy” Cooper

The club again had some barren time before the Turbines suddenly became successful in the 2006/07 season when both the Peterborough Premier Division and Northants Junior Cup were secured for the first time in the clubs history under the management of Al Lenihan & Tommy Flynn.

Unfortunately the club did not follow up on this success and in the ensuing years almost went out of existence. It was only the efforts of current life president Colin Day (who has been at Sports over half a century), Secretary Roger Martin & manager Chris Bartlett that kept the club running.

Tommy Cooper returned to the club in the role of Chairman in January 2011 and in that 2010/11 season the club secured its first PFA trophy since the 2nd world war when lifting the Challenge Cup and were promoted back to the Peterborough League Premier Division for a short 2 season stay.

Bartlett was replaced as manager by Seamus Morgan for the 2012/13 season and the former Peterborough Northern Star reserves manager steered the club into the United Counties League with a 3rd place position in 2012/13 when Netherton turned down their promotion having finished in 2nd.

The Reserves enjoyed 3 successive promotions after reforming at the start of the decade and are now in the Peterborough League Premier Division themselves, which they won in 2016/17.

The clubs 1st season at UCL level started well but ultimately ended in a disappointing 16th placed finish with Morgan replaced as manager by former QPR & England Under 21 manager Chris Plummer in January. The following season 2014/15 saw the side challenging for promotion right to the end of the season, but a run of 7 away games to finish, saw them eventually finish in 5th.

At the end of that season Plummer stood aside and his assistant Jimmy Dean took the reins for the 2015/16 campaign. In his first year the club won the title at a canter by a huge 21 points, helped by winning their first 23 games. The side also picked up the UCL League Cup, becoming the first side from Division 1 to ever do so, after a penalty shoot-out triumph against Premier Division Holbeach United. The side also added the Northants Junior Cup for a 2nd time and the prestigious Hinchingsbrooke Cup for the 1st time and were to be forever dubbed the Fourmidables.

That success was continued into the 2016/17 as the team won the UCL Premier Division with a league record points tally of 112 and were the top scorers in the top 11 levels of English football with 150 in the league and 205 in all competitions. The Hinchingsbrooke Cup was also retained with a 2-1 victory over 2nd placed Deeping Rangers and the side had its best ever run in the FA Vase reaching the 4th round.

The side entered the Northern Premier League for the 2017/18 season and initially found the going tough – indeed the side went into 2018 bottom of the table before a dramatic turnaround saw the Turbines finish a most respectable 12th with that summer seeing the side transfer across to the Southern League.

Meet the Peterborough Sports Boy's

LEWIS MOAT – Imposing young keeper signed in October 2016 from Peterborough League side Whittlesey Athletic – Born 6th July 1993

LEWIS ELSOM- Lewis is a young keeper who served an apprenticeship at Posh, after leaving Posh he had a spell as Kettering number two before moving to Deeping rangers and establishing himself as number 1. He carries himself with great professionalism and with bit of experience will become a top goalkeeper.

MATTY MILES – Matty captained the Leicester city u21 team and comes with great pedigree. He can play in a variety of positions and is very cultured with a football. Manager Jimmy dean holds Matty in a very high regard and since joining last season Matty has been a mainstay in the Peterborough sports team.

Mitch Griffiths – Brings a wealth of experience to the Sports backline having signed from United Counties League side Holbeach United at the start of the 2018/19 season – Born 22nd October 1990

JOHNNY HERD – Jonny is an experienced full back with a fantastic footballing cv, he has played league football for Southend utd, in the national league for Ebbsfleet, in the Conference north for Bishop Stortford and in the Southern central premier for ST NEOTS. He has been very unfortunate with injuries the last 18 months but if he can beat them he will undoubtedly have a big part to play for Sports this season.

RYAN FRYATT – Ryan comes with proven pedigree, having played for Kings Lynn for the best part of a decade and securing 4 promotions with them to the National league Premier. He subsequently left Lynn last summer and then went on to have short but successful spell at Kettering Town. He adds fantastic quality/competition to the Centre Back position and will be a huge part of any success we might have over the next few years.

RICHARD JONES- Centre half Jones made his name at PNS and was in the 2012 side that made the FA Vase Quarter Final before securing a move to Stamford Town & then Boston United. Jones joined Sports in the summer of 2016 – Born 27th January 1988

BRAD MCGOWAN- Brad is an assured defender with a very good pedigree. His previous clubs include Notts county, Grantham, Alfreton town, Boston united & Frickley ath. After a terrible injury and a long lay off Brad has the bit between his teeth and is looking to make a big impact at sports this year.

DAN JARVIS – After serving an apprenticeship at POSH DJ has spent a few years in non league with local clubs Deeping and Yaxley. He can play a variety of positions and from the 1st training session in pre season he has impressed the management and team mates with his ability. He a young local boy and is tipped to have a big impact for sports this year.

PAUL MALONE– Another centre half with a wealth of experience and signed for Sports at the start of the 2018/19 season – Born 27th March 1990

LEWIS HILLIARD– Peterborough based midfielder Hilliard joined Sports on-loan from Southern League prem side St Ives Town in October 2017 and names St Neots Town as a former club – Born 2nd October 1990

DAN LAWLOR– Former Peterborough United graduate Lawlor is a midfielder with a vast array of passing skills and joined Sports in the spring of 2016 from higher grade Spalding United in time to play in the UCL League Cup & Hinchingsbrooke Cup winning sides – Born 10th September 1994

JOSHUA MCCAMMON- Young midfielder McCammon joined Sports in August 2017 from Northampton Town following a trial at Watford – Born 7th July 1999

JORDAN NICHOLSON – Jordan joins sports with a great pedigree and at 26 is a very good age .After gaining league experience at POSH and Barnet he has had a very successful non league career with the likes of Nuneaton borough, Darlington and Hereford. Another local boy with a good personality, he is a versatile attacker and adds a different dimension to the playing squad.

MICHAEL GASH- GASHY is a major signing for us and is living proof of how far the club has come in the last 6 years. Its well documented that he is a fantastic player but its also worth praising his drive and personality which we seen on the pitch and in the changing room. He's a local lad too living In Orton and just comes as a perfect fit for Peterborough Sports.

MARK JONES– Whilst Jones also has PNS and Blackstones in his CV, he really came to prominence as a high level striker at Gainsborough Trinity, Spalding United and in 2015/16 Boston United in the Conference North before joining Sports in the summer of 2016 – Born 27th September 1989

JOSHUA MOREMAN- Quality striker Josh Moreman joined Sports from Step 4 Spalding United in February 2016. He 1st burst onto the scene as a 16 year old at PNS and was part of the UCL Cup winning squad before trying his luck higher at Corby Town & Kettering Town after a spell with Deeping Rangers – Born 4th January 1992

CAMERON GOW - Cam has returned to the club after leaving a few years ago and never really getting close to fulfilling his undoubted potential. An ex posh youth who was tipped for stardom but for whatever reason this has not happened yet, now he has an opportunity kick on and show people what he is about.

DION SEMBIE-FERRIS – Dion joined last season from St neots and had an instant and prolonged impact driving the club to winning a title last season, he is a Peterborough lad who wears his heart on his sleeve whilst still having fantastic technical ability. He has signed a long term contract with the club and we are delighted that he decided to do so. BORN 23RD MAY 1996

ABDURAMANE MAMADU SANO SANI – Maniche (as he is known) joined midway through the last season after moving local from Portugal, despite speaking little English when he joined Sports he still caught manager Jimmy Deans eye with some eye catching performances and some important goals. Jimmy and the club expect play a bigger part this season.

PIERRE ANGE OMOMBE – Pierre played at a very decent level in France and came over with the intent of proving himself in the English game. Now having had time to adapt to English culture and the English game he is ready to show everyone what he is about. A skilful lively attacker who knows where the net is.

JAKE BATTERSBY – Jake was a professional with Cambridge United as recently as last season, unfortunately a bad injury hampered him and he was subsequently released. At 19 still finding his feet in the mens game but even over the short period he has been with us this summer we can see the potential he has.

KYLE ROWELL – Kyle has come through the Peterborough sports youth section and has caught the managers eye with some good performances in training games and pre season. A young boy who is a Left Back and plays the game with a mature head, he is definitely one to watch over the next year or two.

Manager

Jimmy Dean

Dean had a long career as a central midfielder at Yaxley, PNS & St.Ives. He came to Sports at the start of 2015 as Chris Plummer's assistant, taking over the reins at the start of the 2015/16 season and winning the UCL Division 1 title at his 1st attempt as well as the UCL League Cup (becoming the 1st ever Division 1 side to do so) the Northants Junior Cup & Hinchbrooke for an incredible 4-timer. The following year the side became the first to win the UCL Division 1 & Premier Division back-to-back with a league record points tally and 150 league goals – the highest in the country with the Hinchbrooke Cup retained for good measure
