NORTHERN PREMIER League chairman Mark Harris has a good way of explaining the value of volunteers.

If you offer a club £10,000 or ten volunteers, he poses, then the majority will take the volunteers without a second thought. Volunteers are so vital.

They are the heartbeat that keep Non-League clubs going. Turn up at a random Non-League ground during the week, and the chances are pretty high someone will be there, be it cutting the grass, adding a lick of paint to the fences – all done for the love of the game and their club.

We've seen the value of volunteers through the covid pandemic. The fact so many clubs were able to withstand the gates being shut for so long is, in the majority of cases, down to the selfless work of so many.

It's a reminder that Non-League clubs will only thrive if they are able to find people to give up some of their spare time.

People probably underestimate how they can help. It's not only about weeding the terraces, there are so many different skills that are invaluable to clubs and transfer across from the world business, social media or many other different walks of life. And sometimes even just distributing a few fliers advertising games around the town can make a big difference.

We're really excited to have the return of the annual National Game Awards this season. If you've grabbed a copy of the paper recently, you would have seen all about it.

Among the individual and team awards for achievements on the pitch, there is a very special gong that never fails to raise a smile.

Our title sponsors Buildbase are also putting their name to this year's Unsung Hero award.

Every club has that special person who goes above and beyond. Not that they do it for the pats on the back, but it's nice to give them some recognition.

We need your help to make sure this year's Unsung Hero ends up in the most deserving hands.

If you know of someone you think should be in the running, then please drop us a line.

We'd love to hear all about the work they do at your club – and how valuable they are. Drop us a line to [nlp@greenwayspublishing.co.uk](mailto:nlp@greenwayspublishing.co.uk)

# Magpies Brief Histoy

Dereham Town football club was founded in 1884, spending many of its early years in the local Norwich district and the Dereham & district leagues. During these early years, the club made its first appearance in the Norfolk senior cup final, when they lost to c.e.y.m.s., in 1891-92. Until 1965, the club played in the Norfolk and Suffolk league prior to the formation of the Anglian combination. In that transitional season Dereham town won the senior 'b' division. In 1988-89 Dereham town was relegated from the premier division of the Anglian combination, thus losing their proud record of being the only club to have never played outside the premier division since the league's formation in 1965. the following season premier division status was regained when the division one title was claimed. In 1993-94, the senior knockout cup was won for the first time when Wymondham town were comprehensively beaten 3-0 in the final. December 1996 saw the club move from its previous home on the council owned recreation ground in to the plush surrounding of the new site at Aldiss Park. The club's first full season at Aldiss Park (1997/98) saw the dream become reality when eastern counties league status was achieved with the club winning a first Anglian combination premier division title. not content with just the league title, the club also won the Don Frost Memorial Cup. The club's opening season in eastern counties league football (1998/99) saw the club finish seventh in division one and reach the inaugural division one knock out cup final. The 2000/01 season saw the first team secure promotion to the (then) Jewson premier division. For the third year in succession, the club received the Jewson Sportsmanship trophy, along with the Hospitality Award and Matchday Programme Award. A level of stability was then achieved by the club over the following season, with mid-table finishes being achieved. 2005/06 saw the first Norfolk senior cup win for the club over coming Norwich United in the Carrow Road final. The following season saw the Magpies best season to date, retaining the Norfolk senior cup and combining this with a 6th place finish in the eastern counties premier division. In March 2008 former Magpies' player, Matt Henman, replaced Rob Taylor as manager after Captain Adam Gusterson had briefly held the reins as caretaker manager. Fourth place in the league was achieved with victory over Mildenhall Town in the last match of last season. Season 08/09 again saw a fourth-place finish in the Ridgeon's premier division, as well as a run to the fifth round of the FA Vase. After a couple of years of rebuilding the season 2010/11 saw the Magpies as runners up in the Ridgeon's premier league and winners the Norfolk senior cup at Carrow Road, defeating a strong Kings Lynn town side. Season 2011/12 was relatively disappointing with the side finishing in mid table in the league;

however, the younger sides continued to thrive and hopefully many of these players will be pushing for a first team place in the future. Season 2012/13 saw the magpies achieve promotion by winning the Thurlow Nunn eastern counties league premier division title was won and, with the necessary ground improvements in place, promotion to the Ryman league was achieved for the first time in the club's history. After struggling to adapt to the physicality of the step up in the opening matches, the team picked up to finish 7th in their opening campaign. This was matched the following season, combining this with a good run in the fa cup came to an end at conference north Boston united. Another strong season in Ryman one north saw the magpies end the 2015/16 season in 9th place. again, a play-off place was briefly in view but in the event, we finished 12 points off 5th place.

However, the season ended on a high when a 2-0 victory against Ryman league bound Norwich united, at carrow road in May, secured the Norfolk senior cup for the fourth time in 10years. This season also saw a great achievement for the under-18's reaching the second round of the fa youth cup, bowing out of the competition at Mansfield town—losing 4-3 to an extra-time goal. On the way Peterborough United's under-18's was defeated 2-1 at Aldiss Park. In January 2019, following a run of poor results, manager Neal Simmons was replaced by former magpies' players Adam Gusterson and Olly Willis. The pair had jointly managed and taken Harleston town from the Anglian combination in to step 6 football, winning both league and cup on the way. The 2018/19 season did end on a high with an extra time victory in the Norfolk senior cup final at carrow road, making it a fifth county title for the club. The 2019/20 season ended up being the season that never was, with the results and table expunged due to the covid-19 pandemic, with the magpies in 9th place following a steady season. The Norfolk senior cup final had also been reached for the second successive season, but was also later cancelled. The highlight of the season coming with the under18's reaching the fa youth cup 1st round, losing out this time to Peterborough united 1-0 after extra time.
