# THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

STORMS Dudley, Eunice and Franklin may have proved profitable for, say, fencers or roofers but certainly not for cash-strapped Non-League football clubs.

Five full days of heavy rain, high winds and even snow left Britain battered and bruised last week with a trail of destruction in its wake.

Naturally, the fixture list was decimated up and down the country, while some clubs were left counting the cost of extensive damage caused to grounds and clubhouses.

Perhaps the hardest hit, once again, were Tadcaster Albion. For the fourth time in seven years, the adjacent River Wharfe burst its banks with such ferocity that it took down most of the steel barrier on the far side of the Brewers' Ings Lane ground, opening the floodgates for around 1.5 metres of water.

This comes as a huge kick in the teeth for the North Yorkshire club who have played an integral part in the town's Tadcaster Flood Alleviation Scheme which was formed following the devastation of the floods in 2015.

The clubhouse at Ings Lane was raised to prevent a repeat and that seemed to do the trick when floods struck again in 2020 and 2021. Not this time though with water ingress expected through the floorboards.

As a result, Taddy are now back in limbo with the Environment Agency yet to sanction vital repair works before their next home game against Stocksbridge Park Steels on March 5.

Another club who suffered a repeat deluge were Barton Rovers, who were hit by the effects of a major storm for the second time in five years.

In February 2017, the Southern League Division One Central side's Sharpenhoe Road home was battered by Storm Doris which sent a floodlight pylon crashing through the main stand, leaving Barton with a £9,000 repair bill.

Last Friday, Storm Eunice blew the stand down again along with the club's TV tower. It is estimated that repairs this time round could cost the club around £20,000.

Basford United's Greenwich Avenue stadium suffered extensive wind damage last Friday, leaving them with an estimated repair bill of £10,000.

Stands and turnstiles were damaged, with one roof destroyed, while exterior fences came down and gas, electricity and water supplies were disrupted.

Perhaps the most harrowing sight of the weekend was the metal roof of the stand at Pagham FC being wrapped around a parked van in a nearby road with the entire structure ripped from its hinges.

Trees at Egham Town's Runnymede Stadium were felled and a stand destroyed, causing the postponement of their home game against Southall, while the away team's dugout at Hartley Wintney flipped over the pitchside hoardings and onto its roof as their Green Lane ground was also hit. Meanwhile, Potters Bar Town have set up a GoFundMe page in order to help the club meet ground grading regulations, following extensive storm damage.

A similar fundraising effort in March 2019 raised £5,000 towards the £50,000 improvement costs as the club just about made the deadline to maintain their Step 3 status.

But 70pmh winds on Friday blew one of the new stands completely on its back, causing much damage, as well as to the Water Irrigation Canons, the Home Dugout and a Storage Unit.

"Today, as a Community Club, we encourage the youth and contribute to the good health and comfort of those watching," chairman Peter Waller said.

"With more than 50 years at the club, we are devastated, after all the effort that went in three years ago. We can raise some of the cost, but we need to ask for help. Please support us if you can."

All this acts as a timely reminder as to the challenges that exist when running a Non-League football club and just how vulnerable they can be.

In times like this, communities are at their strongest, rallying together in support of a vital asset. It shows nothing should ever be taken for granted.

# Coggeshall Town A Brief History

Records held at the Coggeshall Museum, suggest that the Football Club was founded by J. K. King & Sons, a local family seed business. The account of the inaugural meeting makes no mention of the company although its role may be acknowledged through the club's nickname, "The Seedgrowers" that remains to this day.

Coggeshall provided the first opposition for both Braintree F.C., in January 1879 and Halstead, in November of the same year. In 1880, at this time the traditional colours of Scarlet and Black were adopted. Abandoning the steep slope of Myneer Park the 1880 - 81 season was played on Mr Fuller's Barnard Field in Pointwell Lane, Little Coggeshall, before spending the rest of the decade on the Highfields Farm Park. Then "Fabians" field in Colne Road was played on until 1895 when a

permanent move to Highfields was made, this became the club's home for 65 years.

Coggeshall's early competitive football was in the Essex Junior Cup, in which they were losing finalists in 1898 - 99, before joining the North Essex League the following year. They won the N.E.L. four times and the Colchester & District League Division II B twice, becoming founder members of the Border League in 1911 -12. Always known as the "Town" team, after the Great War the club resumed as Coggeshall Town, although they played with a degree of success in the Braintree, Kelvedon and Halstead Leagues it was with the N.E.L. Division II that they really made their mark, increasing their titles to an amazing 14 times up to 1939. The post-war period became boom time for the club as they switched from the North Essex League to the Braintree and District League, before broadening their horizons in the fledgling Colchester and East Essex League, where their previous pedigree rewarded them with a Division 1 start in 1950—51. Runners up. A season later, they were promoted to the Premier Division and built up an impressive Supporter's Club with a membership in excess of 200. Long serving officials, Secretary, John Alston and Treasurer, Norman Burton, provided a sound administrative base. The Club's ambitious committee, led by Chairman Lou Marks, then Tom Ritson were soon targeting the Border League as their next step up the football ladder, a goal they duly achieved in 1958—59. But a shock awaited the Seedgrowers, when, in the summer of 1960, they were given notice to quit Highfields, their home for 65 years. Colonel F.t. Hill came to the rescue, first with an interim pitch at his Holfield Grange and then by offering the use of a bit of land behind the Cricket pitch at "The Crops". Complete with a new pavilion, which is now the changing rooms. "The Crops" opened with a Coggeshall Brotherhood Cup -tie against Courtaulds in August 1961. The covered stand was added in 1964 Now the Seedgrowers began to blossom, winning Division 1 in 1962-63 and under the manager ship of ex Colchester United Player, Bob Dale the championship in 1966-67, Alf Marshall was in charge when they retained their title and won the KnockOut Cup in 1968-69. Another former Colchester star, Derek Parker, led them to the Border League and Cup double, the Essex Intermediate Cup, 2- 0 v Great Wakering in 1970 -71. The clubhouse was added in 1971. From 1972 onwards the club played in the Essex Senior League without winning any honours.

The club's future was threatened again in 1981 when the landowner announced that he wished to sell the land. Once more the club embarked on a fundraising campaign. The commitment of those involved is evident from the efforts of the club manager, Peter Barlow, who embarked on a run from "The Crops" to F.A. Headquarters at Lancaster Gate to hand in an appeal for support to save the ground. A little behind schedule, he arrived at the F.A. to find it closed. Nevertheless,

he raised £500 toward the fund. With the help of Coggeshall Parish Council and the Sports Council the club raised the funding to buy the land and for the first time, just over 100 years since they were formed, Coggeshall Town owned their own facilities.

The Border League was again joined in 1990—91 followed by two spells in the Essex intermediate League which sandwiched a single season in Division IV of the Colchester and East Essex League. Since the last return to the Border League in 2000—01, the club has risen from Division III to the Premier Division and back to the first Division. Ivan Gooday was Manager when first losing 1—0 to Harwich and Parkeston in the 2011-12 League Cup Final and then winning promotion back to the Premier Division as runners up in 2012 -13.

The start of the 2013-14 season saw major changes at Coggeshall Town with the club accepting a proposal from local businessman Graeme Smith to become involved in running the club. Initially Smith's involvement was in an advisory role coupled with managing the reserve team, which he took over midway through that season, leading them on to winning the Essex and Suffolk Border League Reserve Cup and saving the team from relegation. During the remainder of that season Smith's influence at the club led to many improvements on and off the pitch. The 2014-15 season saw Graeme Smith take full control of the football club and become 1st team manager alongside his assistant and long-term friend John Pollard.

During this season, significant improvements were made throughout the whole club. On the pitch, the team secured a 6th place finish in the Border League Premier Division and were runners up in the League Cup final.

The 2015-16 season again saw many improvements to the newly named “West Street “ ground. It was a very successful season on the pitch also with Smith and Pollard leading the team to the league and cup double securing promotion to the Eastern Counties League division one. 2016-17 saw floodlights installed at “West Street” for the first time in the clubs history, which meant the club met all the requirements to compete in the league above. The continued ground upgrading and success of the team on the pitch led to great interest in Coggeshall Town highlighted by an attendance of 1022 against a Ipswich Town X1 in a pre-season fixture. More evidence of the growing popularity of the club followed with attendances soaring throughout the season. The opening match under the new floodlights was another big attendance when Braintree Town Reserves were the visitors to West Street with the “Seedgrowers” recording a fine 6-1 victory. It was another tremendous season with the team again achieving promotion as runners up to take their place in the Eastern Counties League Premier Division for the start off the 2017-18 season.

For the 2017-18 season, Coggeshall Town lined up in the Eastern Counties League Premier Division for the first time in the clubs history. There was another major development at the club with pop star Olly Murs becoming joint owner of the club with Graeme Smith. Further ground improvements were carried out, with Smith and Murs overseeing a total refurb of the dressing rooms and Murs himself funding a complete transformation of the clubhouse inside and out which was well overdue. The facilities at the club were now ready for the team to move up another level and again the team did not disappoint winning the league at the first attempt by 6 points with a goal difference of + 116 scoring 146 league goals in the process. The last week of the season was an exciting one, with Coggeshall gaining two wins in five days against their nearest rivals for the title, Felixstowe who were 2nd and Stowmarket who were 3rd. which was the title deciding game, played in front of a crowd of over 1541, with Coggeshall recording a 4-2 victory. This meant that the team achieved its third promotion in a row and moved up to step 4 of the football pyramid for the first time in their 140 year history as they took their place in The Isthmian League Division One North.

The 2018 – 19 season saw further development to the club's facility at West Street, as well as creating new records on the pitch. We were now playing in step 4 for the first time in the club's History, as well as making our debut in the F.A. Cup and the F.A. Trophy. A few additions to the squad were made which enabled us to have a good run in the F.A. Cup, finally losing 1 – 0 away to Weston-Super-Mare in the 3rd Round Qualifying. The good form was carried on throughout the season with the club making the play-offs finishing in 4th place, losing 1 – 0 away to Maldon & Tiptree in the semi-final.

The 2019 – 20 season sees some new additions to team and a couple of additions to the back room staff, as we embark on what we hope is another successful season
