THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

WE HAD a bit of a novelty for last Sunday's NLP – for the first time since 2019, we were able to feature a team from outside of the National League celebrating a title.

For those who missed it, Macclesfield FC – formed from the ashes of Macclesfield Town – have won the North West Counties League Premier Division title at the first time of asking and booked their place at Step 4 next season.

Over the coming weeks there will be plenty more promotion celebrations across the country and, of course, some less exuberant scenes that follow relegation.

Promotion and relegation is vital to the flow of the National League System and it's so good to have it back again. There were times this season where we perhaps feared we could be heading for a third disrupted campaign. But thankfully that hasn't materialised and we're now on the home straight.

Last summer there was some movement in the NLS with the elevation of clubs to help reshape the Pyramid – everyone will be glad to see it happen on the pitch this season.

It's been two years since the final round of games of 2019-20 before the country went into lockdown and the season was halted. Flicking back through that edition of The NLP, there is a strong sense everyone knew what was coming – albeit perhaps not to the extent it turned out to be. But among the worry and fears of Covid, there were still the words and pictures of teams striving to get over the line. All in vain. That won't be the case this time.

So Macc are up and there will be more soon. Banbury United and Bracknell Town to name two are inching closer to the finish line, as are Worthing in the Isthmian Premier.

Other promotion races look set to go down to the wire with a chunk of points still to play for deciding who will be crowned champions and who will reach the play-offs.

At the other end of the tables there is going to be some real intrigue with the Inter-Step play-offs that will see runners-up at Step 5 get a shot at promotion in one-off games against Step 4 strugglers.

It's a new element to add to the season and we'll all watch with interest as to how it pans out and how fans take to the format.

The last two years has seen a Non-League emerge from the pandemic with real credit. Crowds are booming at all levels, many people seem to have been awakened to this level of the game and the appetite for local football growing.

Non-League Day on Saturday, March 26 will be the perfect celebration of everything we love about Non-League football.

And it will also be another crucial weekend in the ebb and flow of a football season. It’s great to have it all to look forward to again.

Maldon & Tiptree A Brief History

In 2009, Ed Garty took over the ownership of Maldon Town from Michael Kirkham, whilst still in charge of running Tiptree United and installed Alan Brockhouse as Maldon Town's new chairman. Following the takeover, Colin Wallington returned for a second spell in charge of Maldon Town, leaving his post as Tiptree United manager immediately. Colin previously managed Maldon Town from 2003 until 2007, having achieved promotion in the 2005-06 via the play-off final. Having left Maldon in 2007, Colin went on to manage Tiptree United where he achieved promotion winning the Eastern Counties Division One title in the 2007/08 season. Until the conclusion of the 2009/10 season both Maldon Town & Tiptree United played their home games at Park Drive, under a ground share arrangement.

In the summer of 2010, Maldon Town & Tiptree United amalgamated to form, Maldon & Tiptree Football Club, under the ownership of Ed Garty. As a result of the amalgamation, Tiptree United withdrew from the Essex Senior League, resulting in the clubs last ever fixture being a 3-1 defeat against Enfield 1893 on 24 April 2010. Maldon & Tiptree took the place of Maldon Town in the Isthmian Division One North.

Following the retirement of Colin Wallington, Assistant Manager, Brad King and Glen Knight were appointed as the clubs Joint-Manager. As the pair's first managerial role, the new club witnessed wholesale changes with only a handful of players remaining who finished the season with Maldon Town and Tiptree United, respectively.

The 2010-11 campaign saw the new club remain in or around the play-off positions for the majority of the season, finishing in eighth place to finish the season with sixty-three points. Despite the high turnover of players, the good standard of football was maintained and it was in the end, a disappointing end to the season, for the club to fall away in the later stages of the season when suspensions and injuries eventually took their toll to leave the club frustratingly short of the play-off positions at the end of April. The 2011-12 season, proved to not be so successful and in November 2011, King and Knight were relieved of their duties with immediate effect. Ex-Charlton professional Mike Flanagan was appointed as Caretaker Manager and remained in place until the end of the season, steering the club to a respectful mid-table finish, managing thirty-three games and finishing with a win percentage of 49.12%.

At the start of the 2012-13 campaign, Ex-Stansted & Redbridge boss Terry Spillane was appointed as Manager, and Mike Flanagan departed the club. The change of management, once again brought wholesale changes with the playing squad. Ex Tiptree United manager, Jody was brought to the club as Terry's Assistant Manager. After a fantastic and unbeaten start to the season, the club found themselves at the top of the table but an incredible run by eventual Champions Grays Athletic meant Maldon had to settle for a place in the play-offs – Terry's side remained unbeaten until Boxing Day, when they lost away from home against local rivals Heybridge Swifts. Disappointment came in the play-off final however when they lost a two goal lead to draw with Thamesmead Town, who then went on to win the final, on penalties.

After a disappointing end to the previous season, Terry Spillane oversaw more wholesale changes in the playing squad, including the departure of Assistant Manager, Jody Brown. Despite the changes, Maldon finished in ninth position with seventy-six points, winning twenty-one games.

More changes to the playing staff, resulted in poor start to the 2014-15 season, and the club parted ways with Spillane in September 2014, with Chairman, Ed Garty takeover as Caretaker Manager, for three games.

At the end of September 2014, Alan Kimble was appointed as manager and remained in charge for the remainder of the season, however the side struggled and more changes in the playing staff occurred. Maldon finished the season in nineteenth place with only forty-nine points. During the 2014-15 season, Media Officer at the time, Richard Buckby ran a competition for supporters to vote for a club nickname, with the options The River Boys, The Marshmen, The Mudmen & The Jammers available. The vote took place in January 2015 and was featured on National Radio station, TalkSport, with the The Jammers winning the vote with over 50% and being confirmed as the clubs new nickname.

Following the completion of the 2014-15 season, the club linked with Colchester United and the two clubs formed close ties, which resulted in ex Ipswich Town midfielder, David Wright being appointed as First Team Manager. Wright remained in charge until December 2015 as he was appointed Assistant Manager of Colchester United. Liam Bailey took charge of the First Team on a temporary basis, only managing one game, which finished four-all against Tilbury on Boxing Day in 2015. Moving into 2016, ex-Leiston Manager, Steve Ball was appointed First Team Manager and steered the club to a respectable finish in the league table climbing to seventh place, only missing out on the play-off places by nine points.

In the closed season, a change of Management at Colchester United saw Steve Ball appointed as their Assistant Manager, leaving his position of Maldon & Tiptree Manager as a result. ExManchester City midfielder, Kevin Horlock was then appointed as First Team manager ahead of the 2016-17 campaign and for the majority of the season, the Jammers sat at the top of the table before slipping away to finish in second place. Horlock's side managed to reach the play-off final, however lost to Thurrock one-nil. The following campaign was not quite as successful for Horlock, with Maldon finishing just outside the play-off places in seventh place, with sixty-nine points.

After managing 112 games, Kevin Horlock departed in the closed season and was replaced by exColchester defender, Wayne Brown. In Brown's first season in charge, the 2018-19 season, the Jammers finished in second place and reached the play-off final, but lost on penalties against local rivals, Heybridge Swifts.

The 2019-20 season was one to remember for the club, but for the right and wrong reasons. The club achieved great things in the Emirates FA Cup. Having reached the First Round proper of the competition, Maldon beat League Two side, Leyton Orient away from home, taking over 600 fans to the home of The O's, with the goals coming from Danny Parish and a superb solo goal from Jorome Slew. In the second round proper, Maldon were drawn against Football League side, Newport County with the game being shown live on National Television – with the Jammers only beaten by the League Two side, with a goal in stoppage time, with the game finishing 1-0. A record attendance of 1876 was recorded.

However, the 2019-20 season will also be remembered for the wrong reasons. After impressive performances on the field, the Jammers found themselves top of the Isthmian Division One North, thirteen points clear with four games in hand, when disaster struck. With a global pandemic declared, as a result of Coronavirus, the league competition was formally abandoned on 26 March 2020, with all results from the season being expunged, and no promotion or relegation taking place to, from, or within the division. The club were denied a chance of promotion and forced to remain in the Division One North for the 2020-21 season.

Following the disappointing end to the 2020-21 season, Wayne Brown remained in charge of the club and wholesale changes in the playing squad occurred again, with a number of last season's squad securing transfers to clubs higher up the football pyramid

Last Time Out

Romford 0 Great Wakering Rovers 5

Saturday saw Rovers travel to Mayesbrook Park to take on fellow relegation strugglers Romford.

With the hosts changing manager in the lead up to the game Rovers would have been nervous that new manager syndrome might play a massive factor in this game, however an early strike from Jaden Crowhurst saw the Boro keeper scrambling across his goal and the ball trickle over the line to give Rovers the lead and settle any early nerves.

Rovers looked dangerous every time they came forward and thought they had doubled their lead after 12 minutes when Stevie Hart –Sheehan headed home but it was ruled out for offside.

With just over half hour played Rovers made it two when they were awarded a free kick twenty five yards from goal, Alex Clark curling the ball into the area which found Charlie Morris and with the faintest of touches diverted the ball into the hosts net. Clark then grabbed a goal of his own on the stroke of half time when he rounded the Boro keeper and slotted the ball home to give Rovers a 3 goal cushion.

With shouts from the Boro faithful of “let’s show some pride boys” Romford were not going to lie down however Rovers seemed relentless with their attacking and you had the feeling it was not going to be long until this game was out of there reach.

As we approached the final 30 minutes Charlie Morris went close on two occasions and on 66 minutes the visitors were awarded a penalty which Jake Gordon slotted home to make it four.

With two minutes remaining Clark went on a mazy run and unleashed his shot from outside the box to Beat Joseph Taylor to grab his second and Rovers fifth.

Rovers came away with a much needed 3 points which now sees them in fifteenth place and eight points clear of the danger zone.
