Chichester City

**Sussex Senior Cup 2nd Rnd
Tuesday 15 November 2022
7:45 Pm kick -off**

It is cup week here at the Sports park and next up is the Sussex Senior Cup. We welcome Chichester City this evening their players, committee and supporters. It has been a few years since we last met, since that time our visitors have moved up to the Isthmian League. Looking back a few years the results are interesting Haven had the best of the home fixtures while Chichester made the most of also being on home ground.

7 April 2018 Peacehaven & Telscombe 1 – 0 Chichester City

25 Nov 2017 Chichester City 1 – 0 Peacehaven & Telscombe

1 April 2017 Peacehaven & Telscombe 1 – 0 Chichester City

14 Jan 2017 Chichester City 4 – 0 Peacehaven & Telscombe

Haven have had a good run of 8 matches with 1 draw and 7 wins, the last being on Saturday with a 3 – 1 win over Bedfont to head into the 3rd round of the FA Vase.

Tonight we have the opportunity to progress to the 3rd round of the Sussex Senior cup, but it will be a hard one. The only hope is that our visitors drew with Haywards Heath on Saturday and in 2019 we took the RUR Cup by beating them in that memorable final. So what a match tonight.

History Section !

For a change I thought I would include a photo I was recently allowed to copy. It was as you can see taken outside the club house and shows as far as I know the committee and management team of the 1981/82 season. Can you help? Firstly by naming any of these people. And secondly by letting me have sight of or copies of any memorabilia from the club. As usual you can email me at the address below or drop me a note on match days at the gate.

This event took place in the 1950's any ideas who when or why?

If you have anything for me I will take it at the gate or, you can email Stanley. thecompts@yahoo.co.uk

Chichester City FC

The first Chichester Football Club was formed in 1873 and added the title 'City' to its name in 1948.

The club's original home was Priory Park but it relocated to Oaklands Park in the early fifties.

The club was represented at the inaugural meeting of the Sussex County FA in 1882 and featured in the first ever Sussex Senior Cup competition in the same year losing 5-0 to Storrington. In 1896 Chichester became members of the newly formed West Sussex League and remained there until they joined the Sussex County League in 1920. The first major honour was achieved in 1926 when they won the Sussex Senior Cup but inter-war success was limited.

In 1960 Chichester clinched their first Sussex County League title and then retained it the following season, shared the Sussex RUR Cup with Brighton & Hove Albion after a 2-2 draw and reached the first round proper of the FA Cup, only to lose 11-0 to Bristol City. Chichester beat Eastbourne in the RUR Cup in 1964 and recaptured the league title in 1968.

In the 1970s Chichester's fortunes were mixed; the high point being another league championship in 1973 and a good run in the FA Amateur Cup. At the end of the decade, City faced relegation for the first time. However, the appointment of ex-Plymouth and Portsmouth player, Richie Reynolds, as manager sparked an amazing revival which saw City claw their way to safety. The following season was one of City's best ever as Reynolds masterminded a league championship win.

The club was relegated though in 1983 after a dismal season. Promotion and Division Two Cup success followed in 1985 but they returned to the Second Division for the 1987-88 campaign winning the Division Two Challenge Cup again in 1988.

Steve White took over as manager in 1990 and the side enjoyed another promotion campaign alongside Division Two Challenge Cup success. The club struggled for several seasons in the County League top flight before again being relegated to Division Two in 1994. In 1997, City returned to the top flight after finishing runners-up. Permission was finally granted for floodlights at Oaklands Park and they remained in the top flight of the Sussex County League in one guise or another for over twenty years.

Following a millennium merger with Portfield FC the club became known as Chichester City United FC and in 2004 Adie Girdler and his assistant Gary Brockway led Chichester to their first Sussex County League title since 1980. The club also won the Brighton Charity Cup in 2005 and 2006 and the RUR Cup for a third time in 2007. At the start of the 2009-2010 season, following discussions with Chichester District Council, it was agreed to revert back to the name of Chichester City FC as this more clearly reflected the club and the city.

The club faced challenges after this, both on and off the pitch, for a number of years. However, the management team of Miles Rutherford, Graeme Gee and first team coach Danny Potter has transformed things at Chi in all sorts of ways. A top five finish in the Southern Combination Football League premier division in 2015-16 was followed by a third place spot in 2016-17, a six month unbeaten run in the league and a record equaling 4th round appearance in the FA Vase. Chichester went one round better in the Vase the following season, losing 1-0 to 1874 Northwich in the last minute of the game.

Chi won the RUR Cup in the 2017-18 season, beating local rivals Pagham 4-0 in the final at Culver Road, and gained promotion to Step 4 of the non-league football pyramid for the first time ever in the club's history after clinching the SCFL premier division title in 2018-19.

Darin Killpartrick joined the coaching staff at Chichester in the summer of 2019 and an exceptional start to life in the Isthmian League was complemented by an extraordinary FA Cup adventure as City progressed through six rounds of qualifying to make it to the first round proper of the competition – a run in which Chichester beat three Step 3 sides.

And in a unique FA Cup first round draw Chichester, the lowest ranked team left in the competition, were given the bye into the second round, only to lose 5-1 away at Tranmere Rovers in a match broadcast live on BT Sport.

That first league campaign was curtailed by COVID, as was the subsequent season, but in 2021-22 Chichester finished mid-table.

Although officially the club was formed in 1923 as a result of a merger between Peacehaven Rangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.

It was reported that the Peacehaven United players looked very “posh” in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors. These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition. Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again. The 1963–64 season saw the club promoted back to the Senior division as champions of the intermediate Division. The club would then go on to win the Senior division five seasons later, without losing a single game.

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one.

Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history. The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when under manager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League

Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the club's highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb, popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. They followed another demotion, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became a community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reached by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when Covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1st team, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at times have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls.
