SOUTHERN COMBINATION
FOOTBALL LEAGUE

WEEKLY ROUND-UP

Dockers edge further clear thanks to late equaliser.

Newhaven edged five points clear, as Crowborough lost 2-1 at Haywards Heath Town, to a late Jacob Minty winner, Heath (unbeaten in their last 12) further enhancing their play-off hopes in the process. Dockers meanwhile were trailing to the only goal at home to 5th placed Eastbourne United until veteran striker Lee Robinson struck deep into stoppage time to earn a point.

Steyning Town are now in second place, as a Tom Chalaye hat-trick, and a late double from Mark Goldson helped them to a convincing 6-1 at Lingfield. Hassocks meanwhile consolidated their 4th place with a comfortable 4-0 win at AFC Uckfield Town.

A brace from veteran Lewis Hole helped Little Common to an impressive 4-1 at Pagham, while Eastbourne Town came from behind to defeat Peacehaven at the Saffrons, thanks to a Lucas Rodrigues winner deep into stoppage time, there was also a 3-0 win for Crawley Down Gatwick at Shoreham.

Saltdean United moved off the bottom for the first time since the end of November, with a point in a 2-2 draw with Horsham YMCA. An entertaining game at the Polegrove as Bexhill & Midhurst shared six goals between them, another brace from Jack Shonk for the pirates.

With Roffey not having a game, Dorking Wanderers took advantage to move four points clear at the top, although the Boars now have four games in hand. A brace apiece from Dan Hills and Dan Kingston saw Worthing United to a 5-1 success at Forest Row to overtake Godalming into third place. Godalming themselves came from two down at home to in-form Wick to draw 2-2 thanks to a Josh Toya-Nero double midway through the 2nd half.

Selsey won 3-1 against Oakwood, while Seaford Town dropped two points as Chessington levelled in stoppage time to earn a 3-3 draw. Billingshurst won 4-0 against Mile Oak, while Montpelier drew 1-1 with Banstead at Culver Road.

Storrington's shock 1-0 defeat at Ferring allowed Bosham to move further ahead at the top of Division Two as a Patrick Bulbeck brace helped them to a 4-0 win at Capel. Jarvis Brook won 3-1 at Rottingdean Village to maintain their challenge.

And if you know your history.....

Although officially the club was formed in 1923 as a result of a merger between Peacehaven Rangers and Telscombe Tye. It is recorded that a number of games were played in 1922 following a meeting of interested players in June of that year.

It was reported that the Peacehaven United players looked very “posh” in their Emerald Green and White shirts. The team captain was also their trainer, Frank Thornton. The first ever competitive game was in the Lewes League on 2nd September 1922 away against Ringmer. This would be followed by the first home game on 9th September when Cliff Athletic would be the visitors. These games would be followed by Seaford (away) 16th, Martins Athletic (home) 23rd and Denton (away) 30th. The team had also been entered in the Charity Cup, while plans were underway for a second eleven in dark green and white shirts to also have some fixtures shortly. Due to problems with travel and possibly commitment to regular playing, the club failed to complete the season. However, in 1923 with a new committee and more players Peacehaven took their place in the Lewes League.

The team first played competitive football in the Lewes District League until after the second world war when the club joined Junior Division one of the Brighton, Hove & District Football League for the start of the 1949–50 campaign finishing runners up at the first attempt. Two seasons later the club achieved promotion to the intermediate division when they finished as champions of the Junior Division one, and gained further promotion the next season when they finished runners-up in the intermediate division. However, they could only survive two seasons in the Senior Division before being relegated back to the intermediate division at the end of the 1954–55 competition. Four seasons later the club bounced back up to the senior division, when they finished runners-up but as before they could only survive two seasons in the top division before being relegated again. The 1963–64 season saw the club promoted back to the Senior division as champions of the intermediate Division. The club would then go on to win the Senior division five seasons later, without losing a single game.

The Senior division win in the Brighton league enabled the club to be promoted to Division Two of the Sussex County Football League, for the start of the 1969–70 season. Their fourth season in Division two, the 1972–73 campaign, saw the club make their debut in the FA Cup, where they beat Burgess Hill Town in the First Qualifying round before losing to Lewes in the next round. The 1975–76 season saw the club gain promotion to Division one for the first time, when they finished runners up behind Selsey.

In their third season, 1978–79, in Division one the club ended up finishing as champions of the Sussex County League. The club went on to remain in Division one for another nineteen seasons during which time they went on to win the league title a further six times. Two seasons after winning the last of these six titles, the 1997–98 campaign saw the club relegated to Division two. The club bounced back as runners-up of Division two, three seasons later but could only last two seasons back in Division one.

Two seasons after being relegated from Division one, the club was relegated to Division three for the first time in their history

The next season saw them become champions of Division Three in the 2005–06 season, earning promotion back to Division two. The club was back in Division one three seasons later when under manager Darren Guirey, they earned promotion as champions of Division Two. The club achieved further success at the end of the 2012–13 campaign the club won the Sussex county league for the eighth time in their history and earning themselves promotion to the Isthmian League. In 2013-14, the club won the Isthmian League Division One South and earned a second successive promotion, reaching the Isthmian Premier Division.

By December 2014 at the clubs highest position in the Ryman Premier League it all started to unravel. Managers and chairman struggled, there were wins but slowly the club slipped down the table and ended back in Ryman South. Then in January 2016 with the club at its lowest ebb, popular chairman Brian Suckling lost his fight with cancer and passed away. Deputy chairman Sue Norwood became acting chairman but had a mountain to climb. The followed another demotions, which saw the club back in the Southern Combination Premier league for the 2016/17 season. It was realised that the club was on the brink of collapse.

So with a massive effort in June 2016, the club became community club, owned by its fans. A new manager was appointed, local man Mark Shutt. He set about building a squad of players with a nil playing budget, but recruiting players who wanted to play for the shirt and not money. At the end of season 2016/17 Peacehaven & Telscombe finished in a respectable 14th place in the Southern Combination league with 48 points from 38 games played. The objective in its first season as a community owned club had been achieved and the slide had been halted. In May 2019 a new high point was reach by winning the RUR cup against the odds, about the same time the club was accredited FA Charter Standard.

Then in Covid year with just a few matches to go the first team were in the semi-finals of a number of cups when covid hit and all matches were cancelled and the season ended early. Today Peacehaven & Telscombe Football Club has not only its 1st team, there are also sitting in the wings not only a reserve /development squad but also under 23's and under 18's who all at time have opportunities to play in the senior team. The club also caters for young players covering all school ages both boys and girls spanning over 25 teams.

This year we sadly lost the man who is responsible for giving us these good times, Jim Edwards. Sue Norwood put it perfectly "Jim will be greatly missed by everyone at Peacehaven Football Club and will leave a great hole in our club which will always be known as "The Edwards Club". He was the father to us all, and rarely ever missed a game, through the youth to the first team. He worked hard to make this club the success it is, and for that we will be for ever grateful. God bless you Jim Edwards"

Haven rounded off the 2022-23 season with another RUR win. Forza.

HISTORY CORNER

This week as we have not met Lingfield as often as some other clubs here is a look back at a match played over 35 years ago. Selsey FC and Peacehaven & Telscombe FC were at the time in the same division of the league. There programme charge the changes in Peacehaven football since moving up to

WELCOME TO PEACEHAVEN

Peacehaven stepped into senior football in the 1969-70 season, finishing in ninth place with 25 points, and stayed in the division until 1975-76 when they finished as runners-up to ourselves with 37 points. Unlike ourselves they really proved themselves in Division 1, finishing runners-up in 77-78 before clinching their first Championship of Division 1 in the following season 78-79 with a total of 45 points. In the following season they slumped to 12th place with 27 points, but the following three seasons saw them dominate the league, finishing as runners-up in 80-81 followed by two consecutive Championships in 81-82 and 82-83. Their last four seasons have seen them finish in 7th, 10th, 5th and 7th places, but at this moment they hold up the league in last position with 6 points, although it is surely only a matter of time before they start climbing the table. Their other senior honours were achieved in winning the Sussex RUR Charity Cup in 1977-78 and 81-82 and were runners-up in 80-81. They won the 2nd cup in 75-76, the 2nd Division Invitation Cup in 69-70 and Senior Cup runners-up in 81-82. Having a morale-boosting win at Langley Sports last week, I'm sure we are in for a difficult game today. Whatever the result, we wish our visitors a safe journey home.

the senior league only a couple of decades earlier.

The Teams then were:

Sorry I don't know the result.

There has been the idea put forward for a Hall of Fame. If you have the photo and some info about a great player, manager, or committee member of Peacehaven and Telscombe football clubs – anyone considered from over the last 100 years. Please email me – Stanley.

Have you anything that you would be willing to share with me, I would be most grateful. Don't worry if you do not want to pass anything over I'm more than willing just to pop over and take a photo. I do not even need to use it, a historian likes to see the source material

and work with that information.

If you have anything you are happy to share with the editor please email me at.

TODAY'S VISITORS

Lingfield FC was formed in 1893, initially competing in the now defunct Edenbridge & District League for the first 20 years of its history. Throughout virtually all their history the club has retained its distinctive red and yellow colours, albeit in a variety of guises.

In modern times Lingfield have had success with the Combined Counties League, which they joined in 1980/81 finishing as runners- up in Division Two of the Eastern Division the following season.

Floodlights were installed in 1983 and were christened with a match against Brighton drawing crowd of 1,200. With floodlights in place, the club was finally accepted into Division Two of the Sussex County League, with less traveling and more local derbies to look forward to. After three seasons however, they were relegated to Division Three, and intermediate football once more.

2001/02 saw Lingfield close to dropping out of the League altogether after they finished bottom of Division Three, only to be saved by the merger of Ansty Rangers and St. Francis Hospital to form St. Francis Rangers. The following two seasons however, saw a steady improvement, finishing 3rd in the table in 2004/05. The club also reached the final of the Division 3 Challenge Cup, but lost 1-3 to Rustington.

In 2005/06 the Club went one better and returned to senior football as runners-up to champions Peacehaven & Telscombe. Lingfield finished five points clear of third- placed Rustington, but the West Sussex club was once again to prove their nemesis in the Challenge Cup, beating Lingfield 12-11 on penalties after the two sides had drawn 1-1 in normal time. Astonishingly, the shoot-out saw no fewer than 32 spot kicks taken!

In 2006/07 the club finished in 10th position but in 2007/08 under manager Steve Perkins Jnr, secured promotion to Division 1 for the first time in their history by finishing as runners-up to East Grinstead Town.

TODAY'S VISITORS

In their first season in Div 1 in season 2008/09 the club finished in a highly respectable 8th position, under manager Steve Perkins Jnr and maintained creditable mid table finishes over the next 5 seasons under the leadership of Dixie Dean.

For the 2014-15 season the club found themselves moved across top the Kent based Southern Counties East FL where they faced a number of big budget clubs looking for promotion to step 4. There were some mixed results but the club managed to comfortably avoid relegation. However economic reality meant that the club would not be able to challenge in this league and would restrict the club policy of trying to bring young promising local players through from our reserves and u18 squads. The club therefore requested a move down to the newly named Sussex Combination Division One where they spent three seasons before being promoted once again to Step 5 football following the return of Dixie Dean as Manager alongside u18 coach Bobby Clements.

The club held it's own in step 5 football with respectable finishes in the SCFL and a Surrey FA Premier County Cup win in 2019. At the end of the season Dixie Dean stood down and Bobby Clements moved up to replace him. The club now has a settled squad and is ready to move on upwards in the post pandemic world.

Since then the club has held its own in step 5 football with respectable finishes in the SCFL and a Surrey FA Premier County Cup win in 2019. At that end of the season Dixie Dean stood down and Bobby Clements moved up to replace him. Following the end of the pandemic Bobby decided to stand down and was replaced by the club's popular goalkeeper Dan Burnett who initially stood in as caretaker but was quickly offered the role on a permanent basis. Dan and his management team now have a settled squad of young exciting players who are comfortably holding their own in a league of many much better funded clubs.

HAVE YOU GOT WHAT IT TAKES TO BECOME A REFEREE?

Becoming a **professional footballer** in the **Premier League**, the chances of success are **1 in 100,000**. To reach the **same level as a referee**, the chances are nearer **1 in 1000**. To find out if you've got what it takes to become a referee, come along to one of our **FREE Referee Introductory Evenings** held throughout Sussex.
