## Our Charity Partners

*Princess Alice Hospice, based in Esher, Surrey, is a local charity dedicated to providing free, high-quality compassionate care and support for patients, their families and carers. We care for people with cancer and other illnesses in a large part of Surrey, south west London and Middlesex.*

*We aim to enable patients to have the best possible quality of life to the end, responding quickly to their needs and wishes. We recognise that family, carers and friends have needs of their own and we are here to provide them with support, comfort and advice at every stage of illness and after death.*

*Founded by our local community, fundraising and community support are crucially important to our continued work as a charity.*

*For more information, visit [www.pah.org.uk](http://www.pah.org.uk).*

*The Motor Neurone Disease Association is the only national charity in England, Wales and Northern Ireland focusing on MND care, research and campaigning.*

*We are a membership organisation with nearly 8,000 members forming a powerful national and local network that provides information and support alongside fighting for improved services. We now have over 3,000 active volunteers in England, Wales and Northern Ireland and 140-plus paid staff, all dedicated to improving the lives of people affected by MND, now and in the future.*

*Our vision is a world free from MND. Our mission is to improve care and support for people with MND, their families and carers. We fund and promote research that leads to new understanding and treatments, and brings us closer to a cure for MND. We campaign and raise awareness so the needs of people with MND and everyone who cares for them are recognised and addressed by wider society.*
