Aims & Objectives to be set at next meeting</p> <p>CR confirmed that Exec Committee have re-appointed JD as coach again for next season.</p> <p>JD confirmed the following:</p> <ul style="list-style-type: none"> • 1's should be looking for promotion since new national league structure would see 4 teams being promoted • Bigger training squad. However, no more than 14 for matches <ul style="list-style-type: none"> - SC concerned impact on 2's of potential four players not selected, but available to play. Domino effect for the rest of the teams. - JD confirmed that they would look closely at availability/managing those players not available e.g. those playing/involved in school matches. - LB to communicate with SC any players not being considered for the 1's squad. SC can then make necessary approaches. - JD and LB to be mindful of youngsters being ready and not moved up too quickly • Develop juniors more • Fitness programme to be sent to 1s squad to follow during the summer. 4's	PF	<p>CR confirmed that Exec Committee have re-appointed EW as coach again for next season. JT to continue as coach too for training</p> <p>PF/EW confirmed the following:</p> <ul style="list-style-type: none"> • Looking to finish in the top 3 again • Continue to bring juniors through • EW confirmed that, at their request, senior ladies have continued training at KLV on Tuesday with EW to improve skills – committee pleased with their enthusiasm and commitment 	
Training	CR/BC	<p>CR informed the group that the Exec Committee had looked very closely at the existing training times. Moving junior/splitting junior training – decided this was not viable given all the helpers we have in place. Ladies on one night, men on another wouldn't work with juniors. Other than ladies' 3's & 4's no-one else is able to make 6pm. Two options remaining:</p> <ol style="list-style-type: none"> 1. 3's to train with 4's at 7:30pm – 3's happy with this. However, this could potentially lead to 30+ players on ½ pitch (60 on full pitch with Men's 3's & 4's) 2. Leave as is. <p>After much discussion it was agreed to go with option 2. CR to inform Exec Committee</p> <p>(JD left meeting)</p>	CR
