**PROPOSAL:**  
To purchase club stock of KHC bobble hats for other club members to purchase if they missed out before and for new members.

**FINANCIAL IMPLICATIONS/COSTINGS:**  
Min amount 25-35. Cost per unit £10.50. Cost to members £12.

NB: Am to check these prices with Ross Matheison as they may have changed since the original purchase.

**BENEFITS TO THE CLUB:**  
**PRO'S** - Club branded kit, well received by club members. Club bobble hats on tour created more interest. No sell by date. Some people missed out on initial sales. Would be available to new members. Small financial outlay.  
**CON'S** - ? wrong time of year unless we get another cold snap. Could be left with unpurchased stock or have stock on the books for some time.
