Junior Cricketers Age Managers and Coaches

What do I do first?

- Become a member of the club.
- Complete and return the membership form (including ALL sheets) along with your subscription. Cheques made payable to Gomersal Cricket Club please.
- Remember if you are not a paid up member you are not insured and therefore cannot play.

After that?

- Come to the club and meet your team mates in your age group. Get to know your Coaches.
- Ensure you have the correct kit for both cricket practice and match days as directed by your Coach. The coach can help provide or loan equipment, if required.
- Then it's simple practice, play and enjoy your cricket!
