

BIRKMYRE RUGBY CLUB

www.pitchero.com/clubs/birkmyre

Since our formation in 1976 Birkmyre Rugby Club has gone from strength to strength and continues to build successfully at senior and now junior levels. Our senior 1st XV team play in West Regional League Division 3 and we have a thriving junior section playing regular fixtures against all the large clubs in the West of Scotland.

With both a backs' and forwards' coach, new floodlighting, superb changing rooms and access to a fantastic gym, Birkmyre offers its members everything the modern rugby player could need or want to play well and succeed.

Birkmyre also provides a social calendar second to none and with our main sponsor **The River Inn** we provide first class hospitality for all our visiting senior teams. From golf outings to our famous Xmas Ball, the club is a cornerstone of the local community. Fundraising at these events not only benefits the club but we also give generously to local charities.

We are committed to the development of youth rugby at the club with over 150 junior members and 29 coaches. We also provide financial support for coaching development at local schools and hope to continue this in future.

Our ambition is to continue to make a significant contribution to both the sporting and social life in and around the Gryffe Valley. As ever, we are interested in welcoming new players-young and old, experienced or new to the game.

For more information visit our website or call for further information or direction to one of our SRU certified RUGBY READY age group coaches.
