From the President

Welcome to Broughton Park. I would like to extend a warm welcome to all Officials and Spectators from Warrington. Let us hope for a fair and competitive match today played in the spirit of the game. The new season in a new league with many old adversaries and a number of teams 'Park have not played regularly before. We wish them a successful season, although not as successful as for Broughton Park! We also look forward to a year where the standard of play is as high as we were privileged to watch last year.

I would like to take the opportunity to thank all those supporters and helpers who labour 52 weeks of the year to keep our club going.

Without them the club could not exist. Let the games commence!

Bryn Morgan
