

CLUBHOUSE NEWS

WE ARE BACK.....AGAIN

(and this time we're serving food!!)

We are glad to say we didn't have to close our doors for long and whilst you have been away we have been working hard to get the clubhouse open for you all again.

We have therefore purchased a 12m x 8m Marquee following confirmation from the council that we can use it to increase our capacity whilst maintaining social distance. They have also confirmed that the way we plan to configure the marquee it will be classed as an outdoor space and we will therefore need to follow the appropriate outdoor guidance for areas within Tier 2.

As "Winter is Coming" we will be making sure that the outdoor area is heated to make your stay as comfortable as we can.

So please follow and respect the legislation and guidance that is in place across Cheshire, so that we can continue to provide you with a service and ensuring that we do everything we can to restrict the spread of the virus

RETURN OF THE PRE MATCH BACON ROLL

We have also used the time over the last few weeks to install a new kitchen, as part of our continued investment into the clubhouse. We are now the proud owners of a full commercial kitchen, that will enable us to produce a lot more than chips and hot dogs. While also ensuring you no longer go home smelling of chip fat!!

We will be increasing our menu over the coming weeks, but will start off with a basic menu this week whilst the staff get used to using the kitchen

We will therefore be serving **Coffee, Tea & Bacon Rolls from 9am on Saturday and 10am Sunday**

Plus you will have the option to purchase Chips, Chicken Nuggets or Hot Dogs from 12:00 on both days.

We will also continue to provide chips for all home teams and hot dogs for Saturday Club

We have invested into the clubhouse over the last few weeks so that we can continue to provide a safe environment and service that you have come to expect. So we hope that you support these efforts and spend time either inside or outside the clubhouse after your games and training each weekend

ON THE PITCH THIS WEEKEND
