

10th November 2018

We've waited four years but the Battle of the Giants is finally returning!

The highlight of a mouth-watering series of Autumn internationals must surely be on 10th November when England play New Zealand for the first time since 2014. How will this tasty aperitif to next year's Rugby World Cup turn out? Are England back on track their stuttering performance in the 6 Nations and the South Africa tour, or we going to see them annihilated by the number one team in the world? What will either result mean for our prospects next year?

How would you like to be there yourself to witness what will surely be a classic encounter? Warrington RUFC have secured 32 Category 1 tickets for the match and as part of our fund-raising efforts for 2018 we are pleased to announce that during the July we are auctioning them to our members and sponsors.

How to enter:

The auction will run from 1st to 31st July 2018. Each bid must be for 2 tickets – there is no limit to the number of bids anyone can make but each bid will be treated separately when the auction winners are announced.

The standard price for the Category 1 tickets is £161 per person. The minimum bid for 2 tickets is £200 per ticket, or £400. Bids less than £200 per ticket will not be accepted.

Bids should be submitted to tickets@warringtonrufc.co.uk with "England v New Zealand Ticket Auction" in the subject line. In the body of the e-mail give your name and contact number and the value of each bid. Each bid should be listed separately (see example) and you can make the same bid multiple times. Please only bid for the total number of tickets you are actually willing to purchase. Remember, the higher the bid the more chance you will have of winning the tickets when the auction closes!

Bids can be increased at any time. To increase your bid reply to your confirmation e-mail giving the revised bid. Only the most recent bid will be valid and no other correspondence relating to the auction will be entered into. We will update the Warrington RUFC Pitchero page with the highest and lowest bids for the duration of the auction.

The auction will close at midnight on 31st July 2018. The winners of the auction will be the 16 highest bids. Where there are insufficient tickets available to satisfy the remaining bids the winners of the bid will be determined by a draw from everyone who bid the lowest 'winning' value.

Example

Bid Value	Number of Bidders	Auction Winner	Tickets Allocated	Total Tickets Allocated (Total Available 32)
£1000	2	Yes	4	4
£700	1	Yes	2	6
£500	10	Yes	20	26
£400	12	To be determined by draw of those who bid £400	Only 6 tickets available so only 3 bidders will be lucky	

Both winners and losers in the auction will be contacted once the auction is closed. Winners will receive payment details and will be expected to pay in full by August 15th. Failure to pay in full by that date will lead to forfeiture of the tickets, which will be re-allocated to an unsuccessful bidder.
