A Message from the President

I would like to welcome you all to South Warrington Sports Club, Stockton Lane, Grappenhall, the home of WARRINGTON RUFC.

The past 18 months has been tough for everyone and never more so than to our rugby playing fraternity due to Covid-19 Lockdowns etc., Rugby fixtures were at a standstill from March 2020 and the RFU cancelled the 2020/21 league season. On the positive side all players at all levels have been training supported by dedicated club coach Stu Beeley with his team and all the Mini & Junior coaches which is a testament to the spirit in the club. Changes have been made, improvements inside and outside the club house which I sure will benefit us all now that rugby has returned. I would like to thank all who have put time and effort into these changes but in this regard special mentions goes to our chairman Lewis Nunn and his team looked after the infrastructure, and Nick Stafford who advised the club on Covid-19 matters. The support from our rugby club community was also a major factor in the unbelievable response to the Lockdown Challenge held over a weekend in November 2020 which raised over £5000 which was shared equally between the Club and NHS Warrington & Halton Hospital's Charity so another big thanks to all concerned especially Dave Evans and the team who put it all together

Now to season 2021/22 which sees the club playing in North 2 West which comes as a result of our position in North 1 West when the 2019/20 season was curtailed. Warrington renew rivalries with some teams from the past so once again, it seems that there will be no such thing as an easy game but that also ensures a good level of entertainment for spectators, enjoyable and testing matches for the players.

Annual plea, we can all contribute in so many ways as those who have gone before us as Members of WRUFC have done. Players need to remember that it is not just about playing. Fund raising and making sure everything runs smoothly on match days and all the other small but essential tasks is not just the province of those of us who are at the age where sadly playing is no longer possible. The more people who volunteer and get stuck in, the stronger our Club will become. Former players making a perhaps an infrequent visit to the Club are more than welcome we can always find something for you to do! You will have taken a lot out of the game. Please think seriously about what you can put back in, just as there were the "old farts" in your day who made sure that the baths were run, the tea made, the pitch marked, the game refereed, the raffle run and so on.

I would also take this opportunity to thank all spectators, and especially visiting spectators, for buying this programme. We are not a rich club so rely on the income which we generate ourselves from sponsorships, events, raffles, occasional donations, programme sales and now bar sales. So many thanks for your contributions, which help to fund the playing side of our activities as well as helping us to enhance the facilities.

Once again, I wish a very warm welcome to all of you, Warrington supporters as well as visitors, match officials and players. We hope you will enjoy the rugby on offer and that you will also enjoy the beer and banter in the bar after the match.

Welcome to Winnington Park

Warrington RUFC extends a very warm welcome to the players, officials and spectators of Winnington Park on their league visit and we look forward to an enjoyable game.

Winnington Park Rugby Football Club was founded in 1907 and is affiliated to Cheshire RFU. It is situated in Burrows Hill, Hartford, Northwich and the club is a few hundred yards across the park from its neighbours Northwich Rugby Club.

The club runs three senior sides, a Ladies team, two colts sides and ten junior teams. The first XV currently plays in the Northern Division, North 2 West following their promotion from South Lancs/Cheshire 2 as champions at the end of the 2017–18 season.

A notable ex-player was Dewi Morris played for Winnington Park before moving on to Orrell to further his career and gaining caps with the England team.

Club honours

North 1 champions: 1987–88

Cheshire Cup winners (5): 1988, 1990, 1991, 1993, 1994

Cheshire Bowl winners (3): 2010, 2011, 2018

South Lancs/Cheshire 2 champions: 2017–18

Before RU leagues were introduced fixtures against 'Park' stretched back many years both home and away. Fortunes for both clubs have ebbed and flowed but it was not until 2009/10 that the clubs met in the league structure. Today's game against Winnington Park sees a return of league fixtures against an old rival. Since our last encounters in 2011/12, 1 win apiece and then again in 2012/13 season when Warrington won both away and home league games. This season Winnington lie 3rd in North 2 West with 5 wins from 8 games, last Saturday they had a home win against Cockermouth 30-17 whereas Warrington have 3 wins but unfortunately our game at De La Salle was abandoned when we were leading 15-7 after 50 minutes when Danny Fleming suffered a serious injury which saw him taken to hospital.

Prospects for today's game, it is hoped for a dry day, an entertaining game and may the best team win.

Footnote

Warrington Rugby Union club would remind supporters to refrain from the use language that today is considered defamatory, offensive or that could be seen as abuse or harassment to other spectators, players or officials, whether anything you may consider right or wrong in the game you are watching.

Thank you

WARRINGTON 22 TARLETON 7

Strong counter-rucking from Tarleton allied with some lethargic support from Warrington gave the visitors early possession in the Warrington half. However, resolute defence against the strong running visitors and increased speed to the breakdown then began to give Warrington the edge.

A trademark charge from captain Josh Downes initiated a surge up to the Tarleton 5-yard line. Although the subsequent line-out was lost, Warrington continued to press and with 15 minutes gone took the lead from the boot of MATT BEELEY when Tarleton were penalised for coming in at the side. 3-0 Tarleton bounced back and narrowly missed a penalty earned for a late tackle by centre Jack Stride which also earned the offender a yellow card.

10 minutes later Warrington were again pressing on the Tarleton line and awarded a penalty for the defence not rolling away from the tackle. Instead of an easy 3 points, Warrington opted for a scrum buoyed by their comprehensive demolition, twice, of the visitors at the set piece just minutes before. Their confidence was vindicated when prop CHRISTIAN WHITE crashed over from short range after a series of short drives from the Warrington pack. 8-0

With the interval looming, good inter passing between full-back Dan Abram and stand-off Beeley kept Warrington deep in Tarleton territory. From a line-out, back rowers Dan Fleming and the willing horse Johnnie Evans combined with Downes to take the ball up to the Tarleton line where none other than WHITE was available to finish the job in his trademark fashion. With BEELEY adding the extras Warrington turned round 15 points up. HT 15-0

The game swung between the 22s for much of the 3rd quarter until a fine line-out take from Evans saw the ball quickly out to Downes masquerading at centre. With a serene, gliding run the captain carved his way, almost untouched, down the middle. Back rower JP HUDSON in close support finished off under the posts and added the extras. 22-0.

However, Tarleton now began to dominate territory and possession. A driving maul from 20 metres out got them over the Warrington line but Warrington held them up and, under the new laws, gained a drop out from under the posts. Under continued pressure from Tarleton, Warrington conceded too many penalties in the red zone and the not so wee Andy Kellett received a team yellow.

A long kick from Beeley in his own half gained some respite for Warrington with a line out in the Tarleton 22. Clean possession from Stevens, some slick handling down the backs and a well-timed run around from full-back Abram looked to have earned Warrington a bonus point with a fourth try but the last pass was adjudged forward.

With minutes to go, Tarleton did finally break Warrington's defence for a consolation try. Although the visitors proved the stronger team in the final quarter, Warrington's ferocious and unrelenting commitment in defence prevented a recurrence of the nail biting finishes seen previously.

DE LA SALLE 7 WARRINGTON 15

(abandoned after 50 minutes)

The home team had the early possession but could make little headway against solid Warrington tackling. Finding no way through with ball in hand, kicking was the next option but this was to be their undoing. Left winger Ryan Eastwood collected the ball in his 22 and started the counter attack. Elusive centre Jack Stride took the ball up to the De La Salle 22 and with a well-timed pass put right-winger Jack Rigby over the line. 0-5

Although De La Salle continued with their direct drives, they got little change from Warrington's resolute defence, the nearest they came to scoring being a missed penalty in the eighteenth minute. When Warrington did get their hands on the ball, they made the most of their possession. A fine combination between Stride and Rigby took the ball into the home 22 where standoff Matt Beeley ghosted over for a well-worked try. Beeley also added the extras. 0-12.

Warrington's dominance in the set piece now began to show, and with the solid combination of Bennett, White and Green in the front row they shunted the heavier De La Salle pack back at a rate of knots. The visitors scrambled the ball away, however, retaining possession for their continued, fruitless, forward drives. Fruitless, that is, if you don't count a yellow card to second rower Will Morgan for lifting legs in the tackle above the horizontal. De La Salle could not take advantage from Warrington's reduction in manpower, but, just minutes from half time, did benefit from a gaping hole in Warrington's defence at a long line out just 15 metres out from the Warrington line. 7-12.

On the stroke of half-time the Beeley boot gave Warrington a further 3 points from a penalty just outside the home 22. HT 7-15

Unfortunately, ten minutes into the second half, the game had to be abandoned due to a neck injury to back-rower Danny Fleming who could not be moved from the field of play.

The match will be replayed February 5th

Danny Fleming

Injury Update as of Sunday afternoon:- Danny remains in hospital, had scans which show nothing broken, thankfully, neck in a brace but also has some numbness in an upper arm.

Injury Update as of Monday morning: - The numbness and weakness in Dannys arm is probably caused by bruising to the nerves and should over time come back. They are giving him some anti-inflammatory tablets and he has to see the physio before discharge. All very positive.

Injury update as of Tuesday afternoon:- Danny is home and doing well, he has bruising to the nerves, which with physio should be fine after a few weeks. He's in good spirits and is feeling much better.

The whole club send Danny our best wishes for a speedy recovery and return to the club soon.

WARRINGTON RUFC

Warrington Under 16's

Warrington's Junior under 16's contingent have had what can best be described as a chequered season so far, not only from a results perspective but in terms of number of matches played. Up until last Sunday (14th), only five games have been played, mainly due to the challenges of approximately half the squad finalising their RL season with Latchford, which was extended until early November due to COVID. Notwithstanding that, we are now able to look forward to a full four to five months of uninterrupted rugby union, before the 'spectre' of the clash of the codes, looms once more. I might further add that despite the challenges faced, our existing RL contingent are key members of the squad and in fact have helped encourage some of their team mates to take the RU plunge this season.

On the pitch we have seen mixed performances so far. Our season began with a narrow defeat in a friendly at Widnes, in which a last minute penalty from the opposition snatched away from us what would have been a well earned draw against a well organised team. Our next two games at home against Manchester and Wigan in the Lancashire Cup, yielded a victory and a heavy defeat, respectively. An away trip on Halloween to Trentham, saw us avoid a second nightmare in two weeks as we were worthy winners against a heavyweight pack in a 22-12 victory on a boggy surface and what must have felt like a 15% gradient slope for the lads. Our most recent game against Waterloo in the Cup last Sunday saw us slip to a 34-12 defeat in the Cup, which to a large extent exposed our tactical frailties and need to focus more on game management in the coming weeks. The month ahead sees us take on the likes of Rochdale, Bowdon, Caldy LSH and Vale of Lune; all teams against which we can offer a serious challenge with the correct preparation and focus.

Away from match-day, the team would collectively like to thank the club, committee and background staff for the progress made behind the scenes, as we see progress on several fronts. We look forward to capitalising on the benefits of the developments at Bridge Lane and would also like to acknowledge the contribution made by those in attendance at the most recent mini and junior coaches meeting at GSC in late October. Special thanks to Dave Hartill for sharing his experiences over the years and to the rest of the group for helping engender a sense of community amongst the age groups.

Warrington 2s 29 - Macclesfield 3s 5

Warrington go top of NOWIRUL The Right Broker Division 2 South after a good win against 3rd in League Macclesfield.

Warrington lead by 1 point from Broughton Park who they play again next weekend so after their defeat in the Cup the previous weekend will be out for revenge and stay top. It should be noted that both Broughton Park and Macclesfield have played a game less so a lot at stake on 20th November.

But more importantly R8CKE had A(nother) retirement game the last were reliably informed for now, it was great see so many old, very old faces and knee supports on show. Luckily Alex our club snapper capture the event.

Cheers R8CKE!!!

So long R8CKE. Again!!
