WARRINGTON RUGBY UNION FOOTBALL CLUB

A very warm welcome to our visitors West Park. They have recently beaten Davenport, and also had two players Briers and Webster playing in the Lancs County trials. Also last season they got to the final of the Lancs Cup, only to be beaten by Widnes. Last season's result was a 24-6 points victory for Park at Red Rocks.

Warrington's team news is that Alan Hume after some good displays in the second "XV" gets a run at centre and Yogi O'Dwyer also moves to No 8 in the pack.

News of Mark London now playing at Liverpool is that he gets a game for his native county Cumbria!!!! against Ulster today.

Will Jim Foots return to play for Rhodesia???

The 'A' "XV" under Capt Brian McLoughlin and the Vikings with Kenny Wilkinson are now the only teams left with a 100% record. Adrian Flynn returned from a week-end break to find his team had lost against Helsby loosing his record and nobody told him.

The lights are up thanks to Colin Graham (Big) Mike Fell, Bryan Callon and Stuart Arthur even though the first light was facing the wrong way into somebody's bedroom on the Estate and the second, well, they forgot to put the bulb in.

WELL DONE LADS

This is the first of what I hope will be a regular club programme which I feel will assist the club in two ways :-
By enabling spectators to be aware of team news and also by informing the interested about club news and developments.
I hope that it will form a usefull addition to the club's facilities which, on a broader front, the present committee are determined to improve.
While talking of spectators I would like to welcome all here today, especially our visitors, and hope that the match is enjoyable. To those supporting Warrington I would like to thank you for your support. It is my hope, during the time that I am Chairman to increase the non-playing support of the club and I would ask you to do all that you can to interest people. There must be many who are interested in sport but who either sit at home in front of the T.V. or dismiss Rugby Union out of hand.
A little persuasion or a lift in your car, might get those persons interested in the club which would certainly benefit us all.
Last Note: Good Luck John Critchley and thanks for the ale.
